Public Meeting on
Implementation of Greenways Levy III
and
Parks, Recreation and Open Space Plan
January 10, 2007

The Parks and Recreation Department, Greenway Advisory Committee, and Parks and Recreation Advisory Board welcome your input on the future of our parks. Please complete this form and leave it at the sign-in table, or email your comments to Greenway@cob.org

What projects are most needed in your neighborhood (e.g., parks, athletic fields, playgrounds, nature trails, wildlife habitat)?

What land are you aware of that might be available and well suited to these needs?

What projects are most needed on a citywide basis?

Other ideas and suggestions?
