Deconstruction/Demolition Permit Application

A demolition permit is required for total demolitions if the structure is greater than 120 sq ft in area. A demolition permit is required for partial demolitions when the proposed work is not covered by a building permit.

Notification of Demolition from Northwest Clean Air Agency. Provide proper notice (**up to 10 days advance notice may be required**) and obtain approval from NWCAA prior to commencing demolitions and/or asbestos projects.
