## Mechanical & Plumbing Fixture Count

***This supplemental form should be used when applying for a building permit when work also includes installation and/or replacement of plumbing and/or mechanical fixtures.***

### Project Information

Site Address \_\_\_\_\_

### Mechanical Fixtures

Typical residential fixtures are in **bold**.  
Indicate the number of new and/or replaced mechanical fixtures in this project.

Fuel Type:      **Gas**      **Electric**      **Wood**      **Other:**

<b>A/C Unit/Heat Pump</b>		<b>Gas Fireplace Insert</b>	
Up to 15 HP/ton		<b>Gas Piping</b> (If new or replaced gas piping is installed, indicate the number of outlets - each fixture or stub-out is considered one outlet)	
15 HP/ton to 30 HP/ton			
31 HP/ton and up		<b>Hydronic System</b>	
Air Handling Unit		Type I Hood System	
Alteration/Relocation/Repair		<b>Type II Hood or Residential Range Hood</b>	
<b>Boiler</b> (backflow prevention is required)		<b>Unit Heater</b>	
Residential Boiler ≤ 500K BTU		Ventilation System: (choose one)	
Non-Residential Boiler Venting		ERV System (Energy-Recovery Ventilator)	
<b>Clothes Dryer Exhaust</b>		HRV System (Heat-Recovery Ventilator)	
Dampers – Fire/smoke		<b>Wood Stove</b>	
<b>Exhaust Fan</b>		<b>Wood Fireplace Insert</b>	
Fire Log/Lighter – Gas		Other (please describe):	
<b>Forced Air Furnace</b> (describe)			
<b>Gas Appliance – Cooking</b>			

### Plumbing Fixtures

Typical residential fixtures are in **bold**.  
**First column:** Indicate the number of new, replaced and/or relocated plumbing fixtures in this permit.

**Second column:** List all water using fixtures on this water service *after* the remodel/addition. Public Works needs this information to evaluate whether the current water meter size has the capacity for additional fixtures. **Please note that if the fixtures require a larger meter to be installed, additional fees and system development charges will be added to the permit, please contact Public Works permitting for more info about meter sizing and possible fees.**

	This permit	Total		This permit	Total
<b>Bath or combo Bath/Shower*</b>			Urinal/Bidet		
<b>Shower* (per head)</b>			Floor Sink		
<b>Toilet (water closet)</b>			<b>Water Heater</b> Gas      Electric		
<b>Hand Sink (Lavatory)</b>			Double Check Valve Assembly		
<b>Kitchen Sink</b>			Double Check Detector Valve
