

2013 Annual Overlay Resurfacing Program

Project Overview: ES-0475

The 2013 Annual Overlay Program aims to maintain existing streets to protect the initial investment in the street and to ensure an adequate, quality driving surface for mobility and public safety. Work includes pavement repair, leveling of the pavement surface, and resurfacing with hot mix asphalt. Locations include Highland Dr. from Taylor Ave. through West Campus Way to North Garden, West College Way from Highland Dr. to Bill McDonald Pkwy., and Hannegan Rd.

from East Bakerview Rd. to City limits. Sections of sewer main in Highland Dr. will be repaired prior to being overlaid. The right turn lane on west bound Alabama on to north bound Woburn will be modified.

The 2013 funding includes about \$1,372,000 from the [Transportation Benefit District](#) as well as street funds.

Status - January 2014

Accomplishments: Project complete. Completion date January 15, 2014. Final contract amount \$1,771,320.01

Affected Neighborhoods

WWU and South Hill: Highland Drive
Irongate (Hannegan Road)
Sehome
