

Sehome Hill Arboretum Fungi Inventory

By Mary Childress

90 Species

Agrocybe praecox "Spring Fieldcap"

Agaricus buckmacadooi "Buck's Agaricus"

Alectoria sarmentosa "Witch's Hair"

Amanita pachycolea "Western Grisette"

Armillaria mellea "Honey Mushroom"

A. ostoyae "Honey Mushroom"

Auriscalpium vulgare "Earpick Fungus"

Bisporella citrina "Yellow Fairy Cups"

Bjerkandera adusta "Smoky Polypore"

Calbovista subsculpta

Cerrena unicolor "Mossy Maze Polypore"

Chlorophyllum brunneum "Shaggy Parasol"

C. portentosa "Reindeer Lichen"

Clavaria fragiles "Fairy Fingers"

Clavulina coralloides "White Coral Fungus"

Clitocybe nebularis "Cloudy Clitocybe"

Coprinellus disseminatus "Trooping Crumble Cap"

Coprinopsis atramentaria "Common Ink Cap"

Coprinus comatus "Shaggy Mane"

Crucibulum laeve "Common Bird's Nest Fungi"

Cryptoporus volvatus "Veiled Polypore"

Cuphophyllum pratensis "Meadow Waxcap"

Evernia prunastri "Oakmoss"

Flavoparmelia caperata "Common Greenshield Lichen"

Fomes fomentarius "Hoof Fungus"

Fomitopsis mounceae "Northern Red Belt"

Galerina semilanceata

Ganoderma applanatum "Artist's Bracket"

Gomphidius glutinosus "Slimy Spike"

G. oregonensis "Blackening Slime Spike"

G. subroseus "Rosy Slime Spike"

Gyromitra infula "Saddle-shaped False Morel"

Hebeloma crustuliniforme "Poison Pie"

Helvella maculata "Fluted Brown Elfin Saddle"

Hemimycena tortuosa "Dewdrop Bonnet"

Hygrocybe coccinea "Scarlet Waxy Cap"

H. laetissima "Cherry-Red Waxy Cap"

H. punicea "Crimson Waxcap"

H. physodes "Hooded Tube Lichen"

Hypholoma capnoides "Smoky-Gilled Hypholoma"

Hypomyces lactifluorum "Lobster Mushroom"

Inocybe geophylla "White Fibrecap"

I. grammata

I. pallidicremea

I. sororia "Corn-silk Fiberhead"

Jahnoporus hirtus

Kretzschmaria deusta "Brittle Cinder"

Lepiota cristata "Stinking Dapperling"

Lepiota magnispora

Lepista nuda "Blewit"

Lepraria finkii "Fluffy Dust Lichen"

Leratiomyces ceres "Chip Cherries"

Letharia vulpine "Wolf Lichen"

Lycogala epidendrum "Wolf's Milk"

Macrocystidia cucumis "Cucumber Cap"

Marasmiellus peronatus "Wood Woolly-Foot"

Micacei "Coprinellus sect micacei"

Mycena adscendens

M. galopus "Milking Bonnet"

Nidula candida "Jellied Bird's Nest Fungus"

Panus conchatus "Lilac Oysterling"

P. sulcata "Shield Lichen"

Pholiota aurivella "Golden Pholiota"

Pleurotus ostreatus "Oyster Mushroom"

P. pulmonarius "Summer Oyster Mushroom"

Pluteus exilis "Western Deer Mushroom"

Psathyrella gracilis

P. longipes "Tall Psathyrella"

Ramalina farinacea "Farinose Cartilage Lichen"

Ramaria stricta "Upright Coral Fungus"

Rigidoporus ulmarius

Russula brevipes "Short-stemmed Russula"

R. Xerampelina "Shellfish-Scented Russula"

Sarcomyxa serotina "Late Oyster"

Stereum hirsutum "Hairy Curtain Crust"

Strobilurus trullisatus "Fir-Cone Mushroom"

Stropharia aeruginosa "Verdigris Agaric"

Suillus caeruleus "Fat Jack"

S. lakei "Western Painted Suillus"

Trametes versicolor "Turkey-Tail"

Tremella mesenterica "Witch's Butter"

Trichaptum abietinum "Purplepore Bracket"

Tricholoma dryophilum "Oak-loving Trich"

T. sulphureum

Usnea subfloridana "Boreal Beard Lichen"

Xanthoparmelia cumberlandia "Cumberland Rock Shield"

Xerocomellus chrysenteron "Red-cracking Bolete"

X. mendocinensis

Xeromphalina campanella "Pinewood Gingertail"

Xylaria hypoxylon "Candlesnuff Fungus"
