

City of Bellingham
Classification Specification

CLASS TITLE	Accounting Assistant III
DEPARTMENT	Interdepartmental
UNION:	1937
SG:	8
CS:	Y
FLSA:	Y
EEO/SOC CODE:	AS/ 43-3031

NATURE OF WORK:

Performs a variety of skilled and complex bookkeeping and accounting support tasks for a variety of departmental programs according to established bookkeeping and accounting principles and procedures. Monitors, maintains, updates and verifies all related financial records including yearly budget of a department or major division; prepares and processes purchase requisitions; maintains department payroll records; and prepares revenue and budget reports. Audits and processes invoices, reimbursements, and other payment requests. Assists with the development of internal financial record keeping procedures to meet legal requirements within general guidelines. May perform regular or back-up clerical, and/or reception duties for a department.

DISTINGUISHING CHARACTERISTICS:

Positions assigned to the Accounting Assistant III classification are advanced level administrative accounting positions distinguished from the Accounting Assistant II classification by the increased responsibility, organizational skills, and knowledge required to perform full charge bookkeeping and accounting support assignments. Incumbents prepare detailed financial reports, handle reconciliation for multiple accounts, monitor and assist in preparing yearly budget, and support audits for a department or major division. Are frequently the primary bookkeeper for a department or major division. Duties require some knowledge of relevant City policies, contracts, rules and ordinances.

The Accounting Assistant III is distinguished from the Accounting Technician by the Accounting Technician's increased knowledge and independent judgment necessary to analyze data and systems and perform full charge bookkeeping and accounting assignments for a complex department program or Citywide function.

SUPERVISORY RELATIONSHIPS:

Reports to various levels of supervisors. May receive assignments from higher classified staff. Works is performed independently under general supervision and the guidance of applicable federal, state and local statutes, regulations, policies, procedures and contractual agreements.

ESSENTIAL FUNCTIONS:

1. Assumes responsibility for a variety of departmental bookkeeping and accounting functions by creating, maintaining, updating and verifying all related financial records.
2. Maintains accounts by coding, processing and posting payables and receivables. Performs statistical tabulations and calculations in accordance with established formulas and equations. Prepares a variety of financial reports and balances reports against actual income expenses. Audits records for accuracy.
3. Monitors and updates budgets. Identifies potential overruns and recommends corrective action. Assists in preparation of yearly budgets by accumulating and summarizing data from records and other sources and coding and completing standardized forms.
4. Gathers information needed for purchasing decisions. Inventories department supplies. Prepares departmental purchase requisitions. Codes, verifies, totals, and maintains records.
5. Audits and processes invoices, reimbursements, and other payment requests. Coordinates check runs. Provides check registers and all supporting documentation following each check run.
6. Identifies discrepancies in account numbers based on knowledge of relevant coding systems. Submits or makes corrections on edit lists.
7. Assists in developing procedures and reporting formats to establish or improve specific accounting processes and to meet legal requirements.
8. Provides information from records or guidance on accounting procedures and systems to other staff, agencies, and the public.
9. Compiles and classifies data from varied sources to produce monthly invoicing for all grant related activity. Maintains accurate and up-to-date filing and information systems in accordance with grant requirements and for auditing and reporting purposes.
10. Provides support for various audits. Gathers financial records and other related data within area of responsibility and responds to audits and survey data from various agencies.
11. May perform regular or back-up clerical, and/or reception duties for a department including typing and word processing a variety of written materials; arranging meetings, greeting and referring department visitors.

ADDITIONAL WORK PERFORMED:

1. Performs other related work within the scope of the classification.
