

Annual Overlay Resurfacing Program - Bill MacDonald Parkway (2016)

Project Overview: ES-0532

The Annual Overlay Program aims to maintain existing streets to protect the initial investment in the street and to ensure an adequate, quality driving surface for mobility and public safety. Work includes pavement repair, leveling of the pavement surface, and resurfacing with hot mix asphalt. In 2016, the overlay program will include Bill MacDonald Parkway from College Way to 21st Street and 32nd Street from Old Fairhaven Parkway to Lindsay Ave.
