

Annual Overlay Resurfacing Program Holly Street 2017

Project Overview: ES-0513

The 2017 Annual Overlay Program aims to maintain existing streets to protect the initial investment in the street and to ensure an adequate, quality driving surface for mobility and public safety. Work includes pavement repair, leveling of the pavement surface, and resurfacing with hot mix asphalt. In 2017, the overlay program will take a comprehensive look at Holly Street for ADA improvements, multimodal capacity, aesthetics and stormwater management. The Holly Street Overlay project consists of pedestrian hardscape improvements along Holly Street at Railroad, Cornwall, Commercial and Bay streets followed by an asphalt overlay from Railroad Avenue to Bay Street. Funding from 2017 street funds.
