

Bellingham-Whatcom Public Facilities District

Phase II Construction Cost: \$4,161,000 including state sales tax

General Contractor: Dawson Construction, Inc.

Architect: LMN Architects of Seattle, WA

Construction Completed: November 2008

Background

Phase I renovations to the Mount Baker Theatre, completed in November 2004, included property acquisition, back of house expansion and the development of the Studio Theatre. State capital

funds were pursued in 2005, and \$197,000 was received. A federal Housing and Urban Development grant of \$120,280 was awarded to the City to address acoustical improvement needs.

Phase II renovations to the Mount Baker Theatre, completed in November 2008, included new wiring and electrical systems, new heating, ventilation and air conditioning, improved acoustics and improved lighting.
