

PROJECT PRIORITIES

What legacies should be left by this project for future generations?

- 1 Use sticky notes to share your big-picture ideas on this board. We are looking for high-level ideas like:
 - ...bring more mixed uses into neighborhoods across the city
 - ...invest in developing near transit
 - ...create more pedestrian-only streets
- 2 Use sticky notes and/or draw on the map on the table below to share where you would like to see those big-picture ideas.
