General Information

We are pleased that you signed up to join us for this year's day camp Camp TEAM! This camp was created to provide an outrageously fun time where adults of all abilities can play and experience outdoor and crafty activities together. Here are some other things that you might want to know about camp:

What will Camp TEAM look like?

Camp TEAM participants will have the chance to attend activities in-person this year. 30 students in Western Washington University Recreation Program will be your energetic co-campers. Over the two-day camp, we will play games, do arts and crafts, and explore outdoor adaptive sports. Camp TEAM will end with a campfire on Friday afternoon with music provided by Glitt3r Lyfe's DJ Aireekah!

What are the daily schedules?

Thursday, May 19, 2022

- 9am-12pm Bloedel Donovan Park: 3-4 rotating groups of outdoor activities including adaptive cycling and kayaking with Outdoors for All
- 12pm-1pm Lunch time: pack your own lunches to eat at Bloedel with your fellow campers
- 1-4pm Crafts and games

Friday, May 20, 2022

- 9am-12pm Bloedel Donovan Park: 3-4 rotating groups of outdoor activities
- 12pm-1pm Lunch time: pack your own lunches to eat at Bloedel with your fellow campers
- 1-2pm Crafts and games
- 2-4pm Campfire with DJ

Where are the in-person morning activities?

On Thursday and Friday mornings from 9am-12pm we will be meeting at Bloedel Donovan Park to participate in outdoor recreation. Please check in at the entrance of the gym to find out which group activity you will start your day out with.

What happens in the afternoon?

At 12pm the morning activities end, and we all leave to eat our personally packed lunches at Bloedel together. At 1pm we will make crafts and play games in groups. On Friday, games and crafts will last from 1-2pm and then we will enjoy music and socializing from 2pm-4pm.

What if a participant feels sick or tests positive for COVID-19 before Camp TEAM?

- If a participant tests positive or has symptoms of COVID-19, they should self-quarantine for 5 days and return to the program on day 6. A participant can return to the program if they:
 - wear a mask to the program during days 6-10,
 - test negative with rapid antigen test after day 5 (wearing mask is optional), or
 - isolated at home for 10 days prior to the program

I will bring an EpiPen to camp, do I need to report it?

- Any participant who brings an EpiPen to camp, also needs to bring a written note from their doctor indicating specific allergens and dosage of epinephrine.

I take medication, how is that handled?

- Please indicate the medication you are taking on your Participant Information Form
- All medicine needs to be in its original prescription bottle and only one daily dosage should be sent each day
- **We cannot carry or administer medications;** medication should be kept in/with participant's possessions

More questions?

- Feel free to send an email to Rosa Caldwell and arcaldwell@cob.org or call/text (360)-595-3728
