

We want to know perspectives about... **CLIMATE AND ECONOMIC VITALITY**

The relationship between climate change and economic vitality is multifaceted. We face huge challenges, but we also have emerging opportunities to support sustainable development and prosperity. Share what you see as potential positive and negative impacts in the below columns. Tell us what you think the City and community can do to enhance the positive impacts and/or avoid the negative impacts?

NEGATIVE IMPACTS	POSITIVE IMPACTS
CITY AND COMMUNITY RESPONSE	CITY AND COMMUNITY RESPONSE
