

CITY OF BELLINGHAM

CLASSIFICATION SPECIFICATION

CLASS TITLE: Contract Specialist

UNION: 1937

DEPARTMENT: Interdepartmental

SG: 11

CS: Y

FLSA: Y

EE04CODE: AS

NATURE OF WORK:

Ensures City contracts are prepared and processed in accordance with City policies and State and Federal laws and regulations. The Contract Specialist serves as the contracting resource to Project Managers and other City staff for construction, public works, professional and personal service agreements and the procurement of goods and services. This position provides administrative and technical support and guidance in all functional areas of contract preparation and close out.

DISTINGUISHING CHARACTERISTICS:

Work is characterized by duties requiring in depth knowledge of contracts and City approved contract language and use of judgment to interpret and apply contract provisions and applicable rules and regulations, including City policy and Federal State and local laws and regulations.

This classification is distinguished from the Contract Accounting Specialist by the primary focus of the Contract Specialist on the preparation and processing of multiple multi-year contracts and the specific knowledge of contracting policies and procedures required to ensure compliance with City policies and State and Federal laws and regulations. The primary responsibility of the Contract Accounting Specialist is performing accounting work for contracts and grants, in addition to complex department budgetary records and financial reports.

SUPERVISORY RELATIONSHIP:

Reports to various department managers. May report to the department director. Works independently under general supervision and the guidance of applicable Federal and State laws, City regulations and contractual agreements. Maintains a close working relationship with Project Managers, Project Engineers and Purchasing Staff.

ESSENTIAL FUNCTIONS OF THE JOB:

1. Prepares, processes, and reviews contracts, supporting documents and general correspondence. Verifies procurement and contracting requirements, ensures all required specifications and related documents are incorporated into the contract documents and monitors contract compliance with City Policy and State and Federal laws and regulations. Reviews and processes change orders, contract modifications and close out documents.
2. Coordinates with designated department managers and Legal Department to ensure proper completion of insurance certificates and bonding to adequately protect the City's assets. Provides information to and follows up with contractors, insurance companies and bonding agencies as needed.

3. Provides functional direction regarding contract procedures for vendors and staff responsible for contract/project management.
4. Uses references, resources and existing State and City of Bellingham General Special provisions to assist Project Managers and Engineers to meet project contract requirements. Coordinates with Project Managers regarding scope and sequencing of projects. Advises Project managers of appropriate contracting strategies.
5. Develops and conducts vendor evaluations to ensure services are performed in accordance with contract requirements and that contract prices and hourly rates remain competitive. Monitors invoices for compliance with individual contracts. Informs managers and other staff as needed of non-compliance.
6. Provides information and assistance to City staff regarding contract procedures and development of contract documents.
7. Develops grant funded contract documents, reimbursable and pass-through agreements in accordance with funding source requirements. Develops inter-agency agreements, memorandums of understanding and memorandums of agreement.
8. Establishes Quality Control techniques to maintain accuracy including streamlining and updating processes and procedures of specification production as requirements and workflows change.
9. Maintains Purchasing contracts database.

ADDITIONAL WORK PERFORMED:

1. Composes correspondence related to projects and prepares job-related procedural task data.
2. Provides back up to Buyers and other comparable City staff as assigned.
3. Performs other related duties within the scope of the classification as assigned.

PERFORMANCE REQUIREMENTS (Knowledge, Skills, and Abilities):**Knowledge of:**

- Applicable federal, state, and local codes and laws, and procurement, insurance and bonding requirements related to major capital construction projects
