564	Please consider keeping the bathrooms open for a longer period of time. For example: My family and I still go to the parks year round and often the bathrooms aren't open for us to use. It really puts a damper on your outside adventure when your 6 year old has to poop and the bathroom is locked. I know there are concerns about people going into them when it's cold, I get that. But with our milder winters it would be nice to keep them open unless it's under a certain temperature for a certain period of time. It deters us from enjoying the parks in the fall/winter months.	6/12/2019 7:14 AM

Right now it is full of weeds, there was poopy t.p. by the entrance in the wood chips, and it seemed to take a very long time to fix a slide that was vandalized. So, I would say care for existing parks should improve.	6/11/2019 11:10 PM

I'm an adult who grew up riding skateparks my entire life and have lived in multiple areas throughout the USA, and the skatepark here was poorly built and non-accessible for bikes. 269	Outdoor swimming areas. We have some of the best outdoor swimming in the world right here in Whatcom county, yet the parks department has done almost nothing to develop it. People are resorting to jumping off bridges and are putting themselves in danger because they don't have any other options; which is ironic, because safety is probably the reason our swimming docks were dismantled in the first place.	6/4/2019 2:47 PM
270	It's crazy that a city like Bellingham, which is surrounded by water, only has one pool. AHAC is crowded and the systems need to be upgraded. The idea that the City would just give the pool to the Y and we would lose public access is appalling. Bellingham deserves a better more expanded Aquatics situation.	6/4/2019 2:42 PM

39	I would be interested in more nature-based programming for people of all ages; most seems to be through 501c3s, which is fine--and harder to access for working adults. This could be used to help people better understand our local ecology and the importance of more native and naturalized spaces, rather than open lawns. It could also be used to help users understand the different maintenance needs of different parkscapes, a la Landscape Typologies program which began in Denver, CO	6/26/2019 7:47 AM

179	Programs are great, but providing free spaces for people to perform their own "personal programs" in is really the job of the city. Give people the ability to enjoy the outdoors, not spend the time and money scripting HOW they should experience it	6/4/2019 3:34 PM

As a public school teacher I used to take my students there to see salmon spawning and visit the educational center. It was a perfect partner to visiting the museum for a full day learning experience. 223	It would be amazing if the programs for kids had hours for parents that are work hours such as 8am-5pm, instead of 9am-3pm. Those hours are very difficult for full-time working adults to use the city-sponsored programs. This is due to having to arrive late to work or leave early, which may not be possible for working parents. Also, if the city had daycare for infants through pre-kindergarten from 6am-6:30pm, this would fill a HUGE need in our community. I know that this would take a lot of resources, but it is an essential need that our community is lacking. I know that this would be a extraordinary undertaking for the parks department, but it is what our community needs.	6/3/2019 8:51 PM

257	When I was a kid (1965-80), there was a program of supervised play in Bellingham parks. There were high school or college age supervisors in the parks (mine was Broadway) who organized activities such as tournaments or arts and crafts. This seemed like a very successful program in its time (and my research indicates that it went back to the 1920s). Is there a program like this today? My youngest child is 12 now and I've not seen a similar program. I wonder if it could be resurrected?	6/1/2019 10:49 PM

104	I would like to see a plan for a paved bicycle trail system through Bellingham and throughout the county. Something similar to the Centennial Trail in Snohomish. This is so long over due and needs to be done or panned now before more development will make it more difficult and link it through Skagit and connect with the Centennial Trail system in the future. We have some of the most beautiful places to road bike but roads are getting far too dangerous. Plus the chip sealed roads are rough and dangerous. If you have hand or back problems this makes it impossible to ride for any duration or length of time. Please we need better and safer roads. thanks	6/19/2019 6:14 PM

333	I would love to see the Parks Department partner with Boys and Girls Club to increase the athletics offerings to kids and help with program organization, scheduling, etc. There isn't another option for things like volleyball or basketball for youth, but the current options can be very disorganized. 146	I want to see a trail system that includes more wayfinding and more interconnectedness between trails. Bellingham has the potential to have hundreds of miles of trails that interconnect (even if briefly on the street) through improved wayfinding, protected bike lanes, better ADA access, and improved ways for pedestrians and bikes to share space. However, as it is, it's difficult to move from one trail to the next by bike or on foot unless you know exactly what you're doing/where you're going. The lack of bike racks (and the number of stairs) also limit access both to folks who are using bikes as transportation and those who may not be able to navigate stairs as easily or at all.	6/26/2019 7:47 AM
147	Enforce leash laws and dog poo ordinances! If the park department can't afford this maintenance we don't need to pay for new trails!	6/26/2019 4:24 AM

450	Allow big mountain bike stunts made out of wood to exists in a public realm, like a bike park, similar to Valmont in Boulder, CO, but make it better. And Civic DJ's suck. Bulldoze it, put a roof over it, build new jumps out of clay, cover the skate park while you're at it, and then kids won't do as many drugs and we might be able to play outside in the winter	6/6/2019 6:58 PM

465	add more mountain biking trails on more mountains, and instead of pumptracks, build more dirt jumps that have pumptracks, because dirt jumps are easier to learn how to jump on, which can then be applied to pumptracks.	6/6/2019 10:37 AM
466	More rough, rugged, natural mountain bike trails. 473	More bike, walk and run routes that enable more commuting off roads and on trails	6/6/2019 8:15 AM

658	More trash cans would help with dog waste	6/4/2019 11:17 AM
659	Connect more current trail systems to one another... and make a full trail map easily available around town.	6/4/2019 11:14 AM
660	It's good, but ideally needs more extension outwards so you can bike off-road anywhere	6/4/2019 11:10 AM
661	The shopping carts, garbage, Etc, can make Trails seem less safe. It would be nice if it was all more regularly cleaned. Seattle has a program where if you can be in charge of a garbage can at a metro stop and they give you free bus tickets. it would be kind of cool if you could adopt a trail and be compensated in some way. Just to give people more ownership and keep Bellingham urban trails from getting too sketchy. I just don't want it to become the norm here that people trash the parks and trails.	6/4/2019 11:10 AM

682	Improved connections	6/4/2019 9:38 AM
683	We NEED wayfinding. And more signs. Trails can be hard to find and explore if you do not have a physical map.	6/4/2019 9:33 AM
684	I think they are fine the way they are.	6/4/2019 9:32 AM
685	Some of the trails come right up to busy streets and the trail users that are on bicycles or pushing strollers have difficulty in stopping for traffic. I have witnessed this scenario on several occasions and find it a bit dangerous.	6/4/2019 9:32 AM
686	Better signage	6/4/2019 9:29 AM

694	More signs	6/4/2019 8:33 AM
695	To repeat: the combined pedestrian/bicycle paths have become dangerous due to crowding and high speeds of cyclists. I walk a lot and its become a little like skiing...having to often look over your shoulder to see if you can safely smell the roses. There really needs to be a solution...especially at Taylor/Boulevard Park waterfront walk. As stated above, I personally have quit riding there. I feel bikes should be banned or at least walked while on the narrow pier.	6/4/2019 8:32 AM
696	For commuter/utilitarian bike rides, I find there's a lack of bike friendly connections to avoid major roads.	6/4/2019 8:23 AM
697	safety	6/4/2019 8:21 AM
698	More variety, and more trees along the trails for shade, and wind.	6/4/2019 8:01 AM

142	always need more open space places	6/16/2019 10:41 AM
143	Continue to preserve and protect from motor vehicles on trails and near lake shores. Maybe restrict the size of boats on Padden, since it's now overused. There are no gas motors on the boats, but the loading dock can be pretty noxious with vehicles backing into the lake. Boat inspections for invasive species. Education about swimmer's itch. Lifeguard and replace swimming dock.	6/16/2019 9:32 AM

192	More safe trails for wildlife	6/12/2019 5:13 AM

200	Provide more	6/11/2019 8:40 PM
201	We need much more of this instead of developing. Humans and nature need buffer zones.	6/11/2019 8:29 PM

227	Better protection of the heron colony	6/9/2019 4:44 PM
228	nothing	6/9/2019 4:25 PM
229	Add a campground to one of the many open natural places we have	6/9/2019 2:08 PM
230	We need more efforts towards preserving open space and habitat and less towards construction projects in the parks. People living in our parks is also very destructive to habitat.	6/9/2019 10:46 AM
231	More areas protected for easier access	6/9/2019 8:52 AM
232	there is plenty, esp on south side. park space should primarily be used for people	6/9/2019 6:43 AM

241	Continue working to clean out homeless encampments	6/7/2019 3:07 PM
242	add more	6/7/2019 2:59 PM
243	add more open spaces and habitat areas	6/7/2019 2:30 PM
244	Either engage with Galbraith or take it off the inventory. Logging continues apace at a far greater rate than the "sustainable" 2.5% per year that Janicke stated in the attachment to the Mayor's press release when the City paid our millions for whatever we supposedly bought. 2.5% per year represents only clearcutting 50 acres per year - that is laughable compared to what has and is being cut. Management by WMBC from an environmental perspective is nil. And building a new parking lot in the Lake Padden watershed is so wrong for so many environmental reasons and safety reasons. Appoint a committee to come with options because there are many more than a lot that takes out 200+ second growth trees and is on the wrong side of the road.	6/7/2019 2:22 PM
245	Maybe more interpretive signage telling people about habitat values, etc.	6/7/2019 1:57 PM
246	COB should allow citizens to harvest wild foods in a sustainable manner (i.e. mushrooms, berries, nettles, etc)	6/7/2019 1:47 PM

250	With the focus on development and housing, we need more habitat areas	6/7/2019 8:56 AM
251	too much almost to maintain...give up some for affordable housing etc.	6/7/2019 8:31 AM
252	We need to give as much attention to preserving our forest habitat as we do wetlands. And we need to better steward our open spaces.	6/6/2019 10:49 PM
253	More off leash areas	6/6/2019 10:27 PM
254	Less dog poop	6/6/2019 9:58 PM

258	I would like to see parks acquire/preserve more open space and habitat	6/6/2019 11:10 AM

Bellingham Parks and Recreation Community Survey

259	Less obsession with protecting third growth stands of forest. The south side of town in particular needs more residential areas, locking up the 100 acre wood was an extremely expensive mistake that eliminated a lot of prime real estate for marginally valuable habitat, particularly when considering the size of the adjacent state and county parks.	6/6/2019 9:23 AM
260	100 acre woods is a beacon of what's wrong with our govt system. the tax payers overpaid for a piece of space desired by the few elite...and in attempts to get space for trails, the city offered up the old gravel quarry. it's pathetic and doesn't even attempt to take the mtb community seriously. this park has a great potential for serving a variety of users....not just the people that leave their dog crap all over the place.	6/6/2019 8:35 AM
261	Remove cottonwoods where they pose a hazard.	6/6/2019 8:10 AM

272	I like what we have but wish we had more.	6/5/2019 1:25 PM
273	Protect what we have and if possible create more open space for wildlife. I've lived here my entire life and the number of deer, bunnies, squirrels is astounding compared to the 80s and 90s. Our native songbirds are at risk as well when there are no wildlife corridors. (My husband and I are past backyard habitat mentors through Sally Manifold.)	6/5/2019 1:00 PM
274	Nothing	6/5/2019 11:38 AM
275	We are losing more everyday. Protect heron and other rookeries	6/5/2019 11:18 AM
276	Protect the Heron colony	6/5/2019 11:10 AM
277	Continue to preserve lands and push development outside of the city.	6/5/2019 11:00 AM
278	Don't provide housing developments near open space areas, Leave animal corridors.	6/5/2019 10:57 AM
279	more dog waster education, bins, available degradable bags etc. They are available at many trail heads and has improved a ton.	6/5/2019 10:55 AM
280	I would love to see more educational information provided about how humans impact the habitat areas with our day to day lives.	6/5/2019 10:39 AM
281	Add more. As much as possible as soon as possible to protect from overdevelopment.	6/5/2019 10:04 AM

477	There is not equitable distribution of this. The sparing of the 'hundred acre wood' from development using greenways funds is in some ways an example of this. That was a seemingly enlightened result to a difficult urban growth problem, yet it exemplifies the inequities in the distribution of natural open/habitat spaces. Sure, who wanted to be on the record supporting the destruction of a forest? But few took/take account of the consequence of shifting that development elsewhere (e.g., north Bellingham), where there would necessarily be natural land carved up for development and all of the headaches that follow.. Spared in one place for a privileged group, dumped elsewhere. Population density is mitigated in one area by an abundance of natural open space/habitat; in another, population density is forced to increase with relatively fewer natural/open/habitat spaces.	6/1/2019 10:49 PM

55	I think that several of these (Big Rock Garden and Woodstock Farm, in particular) could be better marketed and offer more educational opportunities if people knew about them--and could more easily access them. It's not possible, to my knowledge, to access Woodstock without a car or bike and anyone with limited mobility would have difficulty accessing Big Rock Garden without supportive transportation.	6/26/2019 7:47 AM

28	Our family loves most of the neighborhood parks, my only suggestion would be to make sure that families are made to feel safe at all neighborhood parks. For example, I wouldn't feel safe going with my kids to St. Clair Park (this is close to our house). When I've been it's been dirtier than others and seems like there are teens/adults hanging out there that make me uncomfortable.	7/29/2019 9:45 PM

86	Bellingham lacks appropriate green space--I look at cities, such as Denver and DC where many citizens live within 0.5 to 1 mile of a neighborhood or regional park and as far as I can tell that's not true here (although maybe it is; that information isn't readily available). Neighborhood parks and trails systems can provide folks with better recreational opportunities leading to improved health outcomes and can foster a sense of community connectivity and connection to the non-human world.	6/26/2019 7:47 AM
87	Seems like the parks in poorer neighborhoods receive less maintenance, when they need more! Just because folks are poor doesn't mean they deserve less from the city!	6/26/2019 4:24 AM

101	My local park is Harriet Spannel—Franklin— it's a lovely place & gets a huge amount of use. The only thing I would change about it would be to expand it, but that doesn't seem possible.	6/22/2019 11:55 PM
102	They are "neighborhood" parks and should be walked to. They should not have parking lots which displace land that should otherwise be park/activity space.	6/22/2019 5:38 PM

136	I think there needs to be more park space in the Roosevelt neighborhood. This neighborhood is among the most densely populated in the city and is shouldering a lot of the city infill as this continues to happen more green space /parks space needs to be created. Roosevelt park should be expanded it's surrounded by a very dense neighborhood and host the Boys and Girls clubs children should have to wait in a long line to get a chance on a swing. Many of the users of this park live in apartments and this is their only green space. One's access to green space shouldn't be dependent on their income level in Bellingham. There is still several properties in the Roosevelt neighborhood that contain several acres and the city should be looking at these properties as potential parks and open spaces. There is a several acre parcel off of Valencia St. near the railroad trail that could be a park and the family has expressed interest in working withe city in the future. Many people use Roosevelt Elementary as a recreational space during non school hours, but there have been problems with increased use. First there isn't a public bathroom and people are using as a off leash dog park and not cleaning up after there dogs which has created a hazard for the school children. The increase of use has also lead to an increase of people not respecting that during school hour the school is not a public park and school staff are having to police the playground for off leash dogs and their owners. So another thing the city should consider is an off leash area in the Roosevet neighborhood wether it is in a existing park or creating new space.	6/19/2019 11:57 AM

146	Safety	6/17/2019 2:26 PM
147	More of them dotted throughout the city. We live near Lorraine Ellis and use it a lot. One thing that is unfortunate (and kind of unbelievable) is that there are no sidewalks to get there. I realize parks and sidewalks are separate departments, but that should be considered for any small park serving immediate neighborhoods.	6/17/2019 9:10 AM

172	It is a very long walk to Shuksan Park (our closest park) with young children, and the playground equipment is in much poorer condition than any other park we have been to in the City. A small open space property on Alderwood Ave was voted to be surplussed to be developed into single family development. If this property can be developed and is not going to be surplussed after all, I think the Birchwood Neighborhood (and Alderwood Neighborhood) would be benefited by having a park in this location. I would rather see our tax dollars go to creating an "infill park" rather than acquiring large parcels far outside of City limits.	6/13/2019 1:34 PM

206	A dream of mine for a long time is to have a walkable park from our house. I live near Barkley Haggan, and the closest and only walkable playground is Roosevelt elementary, which is only available after school hours. But, the time our family uses parks is in the mornings (9-12pm). Could a partnership with Barkley be reached to use some of their land for a park? I would also love to see restrooms at every park. It's hard for us to go to a park when you it doesn't have a restroom. It means we can't stay there very long with the ages of my kiddos, so we just don't go to those parks at all	6/12/2019 9:46 AM

212	The parks in my area are well maintained. Broadway and Elizabeth in particular.	6/12/2019 7:23 AM
213	But again, I'd like to note that the bathrooms being closed for months out of the year does deter our family.	6/12/2019 7:14 AM
214	Each one needs at least 1 picnic table encouraging neighbors to use as gathering outdoor space.	6/12/2019 6:12 AM
215	Most have very old playground equipment - Elizabeth Park, Lorraine Ellis	6/12/2019 2:47 AM

226	Make sure there are bathrooms available.	6/11/2019 9:01 PM
227	Some of the parks feel seriously underused. Not sure why. Lorraine Ellis is one example - in that case, it might be lack of safe walking routes (no sidewalks) to get to it from the south.	6/11/2019 9:00 PM

291	other than adding one as you are on the north end of town I would divert funds to improving/maintaining going forward and not build more other than the waterfront. Waterfront should be mostly trails/pathways (like the boardwalk in Fairhaven) and allow retail/restaurants etc like Woods coffee at Boulevard. I feel this is an under appreciated missing component to our parks. Having retail on site (coffee, small resrestaurants etc drives usage and improves experience) and can help reduce costs to maintain if done properly. These should be private businesses not operated by parks department...	6/7/2019 8:31 AM

436	Increase the number is small parks.	6/4/2019 6:54 AM
437	I would remove some of the non-native flora and replace it with native plants and trees.	6/4/2019 4:46 AM

441	more of them	6/4/2019 1:14 AM
442	My nearest park is Lowell Park on Easton, but it seems to be getting smaller and smaller. But I think Bellingham is doing a great job overall, like with building the new parks in the North end of town.	6/4/2019 12:55 AM
443	Need a park in the York neighborhood that is kept up and accessible.	6/4/2019 12:08 AM

471	More dog friendly zones	6/3/2019 9:06 PM
472	More parks north	6/3/2019 8:57 PM
473	We have a lot of parks. I don't think we need any more, we just need new play equipment and more maintenance of existing parks rather than more acquisition of park lands.	6/3/2019 8:51 PM
474	More where possible, especially as our area grows.	6/3/2019 8:46 PM
475	Safety - there are too many parks that just have homeless people camping	6/3/2019 8:39 PM

518	We need more access to the Lake.	6/3/2019 3:28 PM
519	Just need more. So you don't have to drive to s Park. Walk or ride bikes better	6/3/2019 3:21 PM

526	working water fountains	6/3/2019 9:30 AM
527	They are very clean and well maintained	6/2/2019 2:02 PM
528	I avoid them because there are early bathroom facilities - and potty training a toddler makes them a no-go. Even the one IN my neighborhood.	6/2/2019 10:23 AM
529	I think we need more parks of this kind, especially in denser urban areas where they are relatively less common. In my neighborhood (Roosevelt) we are lacking in these kinds of parks. We have an older resident at the north end of Valencia who owns acreage and it's the kind of property that I would love to see the city acquire for a park. Perhaps the city can look for these opportunities (maybe through the Neighborhood Associations) as a means to expand park areas in urban/dense neighborhoods. Our existing neighborhood park, Roosevelt Park, is small and essentially uninteresting as a park, as well as an awkward location for much of the neighborhood. Roosevelt Elementary serves as a park when school is not in session--but alas there is no bathroom facility or water fountain, etc. It's a school playground.	6/1/2019 10:49 PM

533	Improve coverage in some neighborhoods that need it.	6/1/2019 8:13 AM
534	Feel like they are not as kept up as the community parks. Roosevelt Park seems almost dangerous and I would not bring my family or kids there.	6/1/2019 7:56 AM
535	Parking. Elizabeth park and Broadway park have narrow streets and street parking only.	6/1/2019 6:14 AM
536	More swings for kids	5/31/2019 9:08 PM
537	Soap dispensers, more swings, more bike racks	5/31/2019 8:58 PM
538	More equipment- ours just has swings (northridge)	5/31/2019 8:34 PM
539	More fenced in places.	5/31/2019 7:49 PM
540	make more of them.	5/31/2019 5:41 PM

542	Remove homeless and drug addicts	5/31/2019 5:08 PM
543	you should not need to cross a major arterial to get to a neighborhood park.	5/31/2019 4:41 PM
544	Add new ones in growing and underserved areas	5/31/2019 4:32 PM
545	More are needed so everyone is within a 10 minute walk of an active park space	5/29/2019 3:24 PM

19	overall satisfied, BUT there are some really scary things going on at Padden and I've never been afraid of safety concerns before this year. More naked freaky dudes back there and now feels risky to be there solo, early or late. Crime prevention needs more focus, sadly, at these parks now.	7/30/2019 11:30 AM
20	Will be very disappointed if Padden gets closed due to the invasive species. People do not appear to be changing their ways there and can't see how that would really help. Maybe get Environment Dept of WWU involved to proactively address issue.	7/30/2019 9:43 AM
21	More accessibility for wheelchair users	7/30/2019 6:42 AM
22	Please remove fireworks from events at Civic	7/30/2019 5:50 AM

40	Padden trail maintenance in winter could be better	7/29/2019 5:11 PM
41	The invasive snails :(I know easier said than done	7/29/2019 4:56 PM
42	Water fountains and restrooms should be operational year round. Can't stop going outside just because it is a little wet!	7/29/2019 4:51 PM
43	Woods shouldn't be allowed to operate a profitable business from city park property	7/29/2019 4:43 PM
44	I would like to see them become more accessible by bike. Padden and Civic field are a little sketchy to ride to. Boulevard park and Whatcom Falls are fantastic in that way.	7/29/2019 3:46 PM
45	Pedestrian/Cyclist focus rather than cars	7/29/2019 2:42 PM
46	the showering and restroom facilities at Lake Padden need to be improved and better maintained	7/28/2019 11:47 AM
47	We're gonna need to figure out a way that these can work without inducing more car trips. Time to charge for car parking at the very least. And, simultaneously improve access for people to get there (Civic & Blvd esp) via walking or biking or WTA.	7/27/2019 9:13 PM

54	Less people	7/22/2019 7:58 PM
55	More play and trail spaces are needed on the north side of the city.	7/22/2019 11:11 AM
56	I regularly use Lake Padden and love it!	7/19/2019 12:41 PM
57	Better social services for homeless people	7/17/2019 11:35 AM
58	They serve my needs. I walk from my house to Padden at least 3X a week. Again, would love the tennis courts marked for pickleball at Padden as I rarely see people using the court there	7/2/2019 3:23 PM
59	Great community assets	7/2/2019 2:23 PM
60	Lucky to have Padden and Boulevard. Support Y going into Civic Plaza	7/2/2019 10:04 AM
61	To much open space dedicated to sports needing lots of space such as baseball fields. Need more parks along the waterfront as Boulevard is super crowded.	6/29/2019 1:59 PM
62	Maybe this exists already. Walking corridors between park assets.	6/28/2019 3:06 PM
63	figure out how to get rid of invasive water snails. Havebus service from Fairhaven to Lake Padden.	6/28/2019 1:35 PM
64	Quit closing Civic field so much.	6/27/2019 11:33 PM
65	Parking	6/27/2019 6:06 PM
66	More litter collection	6/27/2019 5:16 PM
67	More pickleball courts	6/27/2019 4:51 PM
68	Love them!	6/27/2019 3:17 PM
69	More off leash areas	6/27/2019 1:28 PM

72	Bring back lifeguards	6/27/2019 1:01 PM
73	Will be nice to have Boulevard Park work done and stabilized. And quiet zone for the train crossings.	6/27/2019 1:00 PM
74	Add more pickleball capacity	6/27/2019 12:15 PM
75	More family activities at marine Heritage to take it back for the general public.	6/27/2019 12:07 PM
76	Enforce lease law for dogs not in off lease areas	6/26/2019 10:59 PM
77	Again, I would like to see improved access to all of these. A designated bike lane for Lake Padden with a pedestrian option would help people get out there in ways that don't rely on cars (although at least Padden and Boulevard both have (limited) bike racks, unlike many Bellingham parks). Squalicum Creek Park has the opportunity to be a focus of Bellingham; however, the space seems under utilized with its current amount of bluegrass lawn. What would converting more of it to native landscape (perhaps with a native plants walk) look like? How can COB encourage people to visit these larger community parks, by increasing accessibility and the idea of parks as third spaces? Could all of these be better connected through improved trails, wayfinding, and protected bike and pedestrian lanes to encourage more commuting by bike and foot?	6/26/2019 7:47 AM
78	Enforce leash and dog poo ordinances and provide dog poo collection receptacles like they do in Vancouver B.C. But then that would be asking to much of our lazy parks department.	6/26/2019 4:24 AM
79	I would like to see a schedule of the activities at Civic Field. I like to use the track, but there have been times that I've made plans to use it and when I arrived I found that there was a soccer game or track meet going on. It would be very convenient to have the schedule posted on the website.	6/24/2019 3:13 PM
80	Safer	6/24/2019 3:02 PM
81	these are the parks I tend to use most, I think they're great	6/24/2019 11:57 AM
82	Better access to Boulevard. I can rarely find parking. I don't have a Handicap permit but can't always walk the distance from Fairhaven where parking is also congested.	6/24/2019 9:04 AM
83	get rid of homeless	6/24/2019 8:20 AM

Bellingham Parks and Recreation Community Survey

84	Parks like Padden and especially Boulevard are so crowded it is frustrating to try to use them. The parking and facilities are too limited for the size of the park. They are large enough to accomodate the people but available access can be very limiting.	6/24/2019 6:25 AM
85	More and upgraded restrooms.	6/24/2019 12:21 AM
86	More of these types of parks. I love Padden, love the trails, love that horses can ride on trails	6/23/2019 9:15 PM
87	More events at Civic Stadium	6/23/2019 1:00 PM
88	not enough trash cans	6/23/2019 10:47 AM
89	Maintain upper trails at padden more, but otherwise awesome!	6/23/2019 10:16 AM
90	More concerts at the stadium	6/23/2019 9:01 AM
91	Allow a facility like Woods Coffee wherever possible to provide an active tenant, increased natural surveillance, rental income, a destination social activity.	6/22/2019 5:38 PM
92	nothing	6/22/2019 2:56 PM
93	Great! Yay!	6/21/2019 10:59 PM
94	Handle the over-crowding situation. Parking at Lake Padden in the summer can be near impossible. Easier to have somebody drop you off. But how do you let them know you are done, leave a cell phone on the shore to get stolen?	6/21/2019 9:28 PM
95	Soccer goals	6/21/2019 7:01 PM
96	Build a substantial one, with a water feature for children on the north side	6/21/2019 6:31 PM
97	More water fountains, volleyball courts, tennis courts, ping pong tables	6/21/2019 5:05 PM
98	Better bus access, including later in to the evening, for Bloedel and Padden.	6/21/2019 4:08 PM
99	I wouldn't change anything. But Boulevard Park is by far my favorite park and I love walking on the boardwalk.	6/21/2019 3:28 PM
100	too much riffraff lounging and using reserved spaces	6/21/2019 3:13 PM
101	MORE parking, Locals can't use Parks ~ lots of people from outside of community using them	6/21/2019 3:07 PM
102	More skate parks! with rideable features a tennis backboard, ping-pong.	6/21/2019 10:33 AM
103	Return the building down at Boulevard Park from private business to something more oriented to classes, events, etc.	6/21/2019 1:39 AM
104	Perhaps more greenery dividing up the open spaces so that these big popular parks feel less crowded	6/21/2019 1:27 AM
105	More toddler friendly. Not bark material.	6/20/2019 11:45 PM
106	Need and enclosed building in Squalicum Park as we already do in Fairhaven Park.	6/20/2019 11:08 PM
107	More shade trees at Squalicum Park	6/20/2019 9:55 PM
108	Waterfront parks should be prioritized.	6/20/2019 8:56 PM

Bellingham Parks and Recreation Community Survey

119	This spaces make Bellingham have an excellent quality of life. We should not have Woods as the hub of Boulevard. The organization has been known to perpetuate discrimination within the community and this is a community space.	6/20/2019 7:20 AM
120	Connect them with trails or non car paths. Look home many people use the boardwalk from Fairhaven to boulavard park.. there's demand for more so give it.	6/19/2019 8:19 PM

135	More trash pickup places	6/16/2019 10:41 AM

141	Add the BAY to Baker trail to Squaticum Creek Park. And add trail up to Coal Mine Bridge. So more access to park. Also when you build the waterfront park add angle parking like at Boulevard Park. Our parks need to be accessible and not have to cross a busy street to get to park. !!!!!	6/13/2019 9:44 PM
142	more parking	6/13/2019 8:55 PM
143	Boulevard Park is at the heart of our community and is one of the few places where we can access the water and views. Lake Padden is a gem of a Park and I hope that wise management that helps people access the Lake continues.	6/13/2019 8:15 PM
144	I would make the parks compliant with the parks requirements included in the 2010 reauthorization of the ADA, which went into effect in 2012, and ideally our parks would exceed those requirements so that they are not just compliant, but genuinely inclusive. Currently, to go to a park that meets my daughters needs I have to drive to Lynden or Ferndale.	6/13/2019 7:55 PM

Bellingham Parks and Recreation Community Survey

149	Larger community parks should not be closed to the public for private events. Boulevard Park was recently closed for a private event. Absolutely fine to rent out space for private events, but the public should always have continued access for areas of a park that are not being used directly by the private party.	6/13/2019 2:22 PM
150	Love our parks!!! Please expand the playground at Squalicum Creek. It seems like it is usual at or over capacity for kiddo comfort.	6/13/2019 1:34 PM
151	BUG LAKE IS SKETCHY. I don't envision something as polished as Sunset pond but the trails need to be cleared and cleaned up, and not so removed from the city that it is preferred location for illicit behavior.	6/13/2019 1:28 PM
152	More parking at Boulevard!	6/13/2019 1:26 PM
153	More parking! And family parking! There have been so many times when I was 9 months pregnant or a few days postpartum trying to get my kids and stroller to a reasonable parking space, only to have it taken by a fit college student! It would be so cool if there were a few extra-wide easy access family spaces designated for people who have to unload kids and strollers.	6/13/2019 1:15 PM
154	Add benches	6/13/2019 10:13 AM
155	There is an increasing number of homeless and indigent in the parks that needs correction. We do not want our public areas to become the same problem that is being experienced in Everett or Lynnwood	6/13/2019 10:04 AM
156	Stop spending Greenways money on Civic field, this is NOT open space!	6/13/2019 9:45 AM

163	not sure	6/12/2019 10:39 PM
164	Highschool graduations can absolutely choke the neighborhood surrounding Civic. I have no idea what the mechanism would be, but the desired result would be more carpooling or at the least reduced congestion.	6/12/2019 10:18 PM
165	These facilities are more maintained but Padden suffers from insufficient parking and bathroom facilities. The bathrooms need updating	6/12/2019 9:41 PM
166	More parking for Galbraith (i.e., fix the mess at the Lake Padden parking lot) but you're working on that and thanks for the porta pottie at Birch St. trailhead.	6/12/2019 9:38 PM

180	Resolve issue of homeless people living in parks	6/12/2019 9:48 AM
181	I mentioned before — but I would love to see upgraded play structures that have more options for all ages, like Star Park in Ferndale or Lynden City Park (both parks have separate sections for kids under 5 and kids over 5). Also, I would love to see softer ground on playgrounds (not bark), like Blaine's marine park which has a "squishy" surface (safer for falls, no splinters, no maintenxe, etc) or like the new Waypoint Park.	6/12/2019 9:46 AM
182	I am not sure.	6/12/2019 9:46 AM

190	Civic park really needs a kids playpit area somewhere...	6/11/2019 10:43 PM
191	I was disappointed this spring when my kiddo played t-ball that the fields adjacent to Arne Hanna weren't mowed on a regular basis, and the bathrooms near those fields were locked.	6/11/2019 10:22 PM
192	I'd love to see more Adventure type playground options	6/11/2019 9:59 PM

214	More attention to the restrooms or at least a phone number to call if it needs to be serviced	6/11/2019 2:39 PM
215	Maybe better parking. Hard to haul kids down on bikes sometimes with little ones.	6/11/2019 12:52 PM
216	More playground equipment. The small parks have some small sets; the large parks should have more extensive "hallmark" playground equipment for children to enjoy	6/11/2019 11:50 AM
217	Connect downtown to Boulevard.	6/11/2019 11:42 AM
218	I dont know about Civic Stadium. The rest of those areas are unusable by lawful citizens trying to walk well behaved leashed dogs because of offleash, untrained dogs running amok.	6/11/2019 10:36 AM
219	See previous comments in regards to appropriate climate change response.	6/11/2019 10:19 AM

233	Lake Padden is large and spread out so it can be hard to find a group. Maybe designate numbered picnic tables with signage in parking areas showing which way (like in hotel hallways).	6/9/2019 4:44 PM
234	Bathrooms need to be open year round with soap and hand dryer, plus basic upgrades for cleanliness.	6/9/2019 4:25 PM
235	We should have some camping resources available. Padden makes sense of existing parks.	6/9/2019 2:08 PM

254	So many cool features at each park. Love it. Would recommend changing the "toddler playground" at Lake Padden. It is starting to get old and does not provide multiple challenges other than a slide. The toddler playground at Whatcom Falls park is a great.	6/7/2019 1:57 PM

296	Have a pier in Lake Padden to jump off of.	6/5/2019 1:25 PM
297	The city has done a great job of updating the parks, when necessary. The Squalicum Creek Park is very popular with dog owners and we appreciate it. I do feel lifeguards would be nice at Padden and Bloedel, like we had growing up. Such a great opportunity for teens during the summer months.	6/5/2019 1:00 PM
298	satisfied for the most part, I still think that the skatepark next to civic field could still use some serious attention to some of the people that live in the woods around there and drink beer. When I mean attention, I mean getting rid of that type of environment. I grew up riding that skatepark and the problem has only slightly gone down over the last 10 years..	6/5/2019 12:42 PM

307	more trails and pumptracks around larger parks like Padden	6/5/2019 10:44 AM
308	I was disappointed with the introduction of a "sand beach" at boulevard park. I preferred the rocky, levee style wall that was there before the sand was introduced.	6/5/2019 10:39 AM
309	I think Bellingham needs more larger community parks.	6/5/2019 10:02 AM

356	boulevard park music	6/4/2019 4:48 PM
357	More than once as a grandparent I have waited on the water side of the Padden showers waiting for grandchild, forgetting that it is not really safe since there is a back door where unsavory people could enter with me thinking I know who is in the room with my grandchild. 396	Please fix the overpass at Boulevard.	6/4/2019 11:03 AM
397	Padden could use some love, glad the large building got some attention this year. Parking seems to be an issue on hot summer days. Same with Lake Samish	6/4/2019 10:46 AM
398	Need public boathouse and especially facility for kids in Olympic kayak program. Currently see their expensive kayaks being damaged by UV. They need to be covered and properly stored with low affordable rent.	6/4/2019 10:42 AM

406	Worried about invasive species in the lake at Lake Padden	6/4/2019 10:09 AM
407	Parking is almost always at a premium, Boulevard Park	6/4/2019 9:32 AM
408	More policing to keep the bums and vagrants from destroying those habitats. They are littered with beer cans, needles, toilet paper, etc. Fence them off or increase patrols or SOMETHING. It's getting out of hand.	6/4/2019 9:12 AM
409	Trail connections between them?	6/4/2019 9:09 AM
410	Too many transients/ drug use	6/4/2019 8:58 AM
411	There is not enough parking or security at Lake Padden in the summer.	6/4/2019 8:54 AM

420	Lifeguard would be nice	6/4/2019 7:25 AM
421	All of these could use updates to restrooms and accessibility to Boulevard Park is terrible. All the waterfront parks are needing easier access thru town or trails to get to them from places other than a parking lot.	6/4/2019 6:59 AM
422	These are often packed on sunny days	6/4/2019 6:54 AM
423	I'd close or lock these parks at night to keep crime, vandalism and trash dumping and other nefarious activity to a minimum	6/4/2019 6:52 AM
424	Not enough parking at boulevard	6/4/2019 6:33 AM
425	To make them safer, especially the one below the museum. Too many transients.	6/4/2019 6:17 AM
426	Boulevard Park is excellent, as is Padden.	6/4/2019 6:12 AM
427	Squalicum creek park needs to tear out that zip line because it's been completely useless. Larger area for the little bike park would have been nice, and a splash park would have been amazing. Cornwall May be close by, but the general consensus from many Bellingham city EMT and for is that park is a crime and drug pot so many people will not go there ever. Myself included.	6/4/2019 5:04 AM
428	I do not have a suggestion.	6/4/2019 4:46 AM
429	Too many homeless	6/4/2019 3:50 AM
430	They are no longer safe	6/4/2019 1:47 AM
431	with increased population growth we will need more open space in the future--Vancouver Washington was ruined by overpopulation let's not let it ruin the beauty of Bellingham	6/4/2019 1:14 AM

444	soccer fields	6/3/2019 10:07 PM
445	The length of time that the bathrooms at the North end of Boulevard have been closed is a total joke. Unacceptable.	6/3/2019 9:59 PM
446	Parking is very difficult at lake padden when it's busy so more parking and more picnic tables with bbqs	6/3/2019 9:58 PM
447	More concerts	6/3/2019 9:55 PM
448	Super epic	6/3/2019 9:48 PM
449	We really need a place to play Pickleball indoors and outdoors.	6/3/2019 9:45 PM
450	Set up portable pickleball courts indoors at Blodel and Civic Stadium areas	6/3/2019 9:44 PM
451	I think they should be more inclusive. Additionally, since everyone uses Padden, there should be more neighborhood parks in the Samish neighborhood.	6/3/2019 9:38 PM

455	We need a community center. Better pool. Outdoor pool.	6/3/2019 9:25 PM
456	But could use maintenance	6/3/2019 9:24 PM
457	Again, allowing signature, historic properties like Boulevard park to deteriorate for decades while chasing rainbows in other neighborhoods is utterly shameful. I remember when Boulevard was built and it seems it was built and largely forgotten until the 'beach restoration' a few years ago. The upper part is now almost useless and overgrown with the toxic cleanup AND the apparently planned destruction of the neighborhood connecting pedestrian overpass...	6/3/2019 9:20 PM

460	Safety	6/3/2019 9:06 PM
461	More sign to enforce that dogs be on a leashes	6/3/2019 9:05 PM
462	More waterfront parks	6/3/2019 8:59 PM
463	Civic field dirt jumps are left unmanaged and unattended and need to be sprayed for weeds so it can remain rideable	6/3/2019 8:58 PM
464	Increase safety at Squaticum creek	6/3/2019 8:57 PM
465	Do the construction earlier in the season	6/3/2019 8:52 PM
466	All of the parks that have play equipment need new, updated and more equipment for the size of the parks. Boulevard is very beautiful, but the cost to maintain it given it's location on the bay seems shortsighted considering sea-level rise, king tides and the BNSF railroad tracks.	6/3/2019 8:51 PM
467	Host more events so it feels safe and comfortable year-round and at off hours like early morning and evening or encourage non-profits to host events there like walking, running, disc golf groups, lawn games, music events, etc. outdoor movies, sleep outside overnights??	6/3/2019 8:46 PM
468	Improvements to Lake Padden's dog park, fix the bathrooms at Boulevard, repave the trail from downtown to Boulevard.	6/3/2019 8:29 PM

479	keep maintaining these beautiful gems	6/3/2019 7:46 PM
480	More access	6/3/2019 7:38 PM
481	More bike stuff.. pump tracks, skills parks	6/3/2019 7:35 PM
482	More/better parking at GP site	6/3/2019 7:25 PM
483	Maintaining other than lawns	6/3/2019 7:18 PM
484	More parking.	6/3/2019 6:55 PM
485	Permanently lock the bathroom doors located on the parking lot side (showers area) at padden swim beach. For child safety when a parent needs to wait outside and someone could enter and leave with child from back door.	6/3/2019 6:45 PM

494	Accessibility	6/3/2019 5:52 PM

518	keep the zipline fixed! Keep the dog parks full of wood chips so they don't get so muddy	6/3/2019 9:30 AM
519	Remove Woods Coffee from Boulevard. Boulevard parking is a keystone park for Bellingham. Having a business such as Woods smack dab in the middle gives the whole park a tourist trap gift shop feel. Turning that building into another community space and having an ambassidor similar to Maritime would be ideal.	6/3/2019 8:39 AM
520	Love the public availabilty of the parks but unsure of civic stadiums availability to just go and use the field.	6/2/2019 2:02 PM

521	I hope Cordata Park will be what people hope it can be; something like Star Park or Birch Bay's waterfront park with a better spray park for hot summers.	6/2/2019 10:23 AM
522	I am very appreciative of these parks--they're fantastic community treasures--but I am concerned about motorized watercraft on Lake Whatcom--and to the extent that city parks are an access point for boats, I am against that..	6/1/2019 10:49 PM
523	too much concrete	6/1/2019 2:06 PM

#	RESPONSES	DATE
1	Thank you for helping make Bellingham such a wonderful place to recreate!	7/31/2019 3:11 PM
2	How about high quality bike/ped access to parks and new installations (granary/waterfront), etc Stop kissing the tailpipes of cars/motorists; put your money where your non-motorized mouth is! Stop expanding parking, start charging for existing, start better integration of non-motorized & transit to parks, etc	7/31/2019 1:36 PM
3	Keep up the awesome work.	7/31/2019 11:46 AM
4	I specifically want to see a new swimming pool facility built that can accommodate the Bellingham area's need for lap swimming.	7/31/2019 11:13 AM
5	The roads are terrible for cyclists, the urban trails help but could be more complete system.	7/31/2019 8:10 AM
6	I think it would be nice to have more signage in parks explaining the history of the location.	7/31/2019 6:22 AM
7	As a mountain biker, it is exciting to see more pump tracks being built. However, I feel we also need to expand on our supply of dirt jumps (such as the Civic Bike Park), putting more into different areas. New jump areas would certainly be welcomed.	7/30/2019 11:00 PM
8	Excited about YMCA merger to build a recreation complex!	7/30/2019 10:44 PM
9	We desperately need a new pool facility. Something 50m with a fitness center would be extremely beneficial to the community and allow is to expand what we are able to provide for both swim teams and high schools as well as more progressive programs	7/30/2019 10:11 PM
10	I LOVE our parks and I'm so impressed with their quality. My only request is more trails, parks, water access and something to be done to slow down bike riders (encourage commuters to use the road not trails).	7/30/2019 9:19 PM
11	Keep up the great work!	7/30/2019 5:30 PM

12	Nope!	7/30/2019 3:37 PM
13	The number of homeless people living in and along parks and trails makes a lot of people feel unsafe. Not only is there a problem with the smell of urine and feces but also increased garbage near their camp sites. Even with my dog I do not feel completely safe. The trail system in Bellingham is great and the abundance of wildlife and gorgeous plants are being ruined by this problem.	7/30/2019 2:36 PM
14	Thank you for all that you do. A lot of your efforts help make this a great place to live.	7/30/2019 2:20 PM
15	Indoor pickleball courts would be nice. The only place to play in bad weather is the Y. The new club has over 150 members I'm fairly sure.	7/30/2019 2:12 PM
16	We live near the Galbraith Mountain Trail area and are extremely happy that the city of Bellingham voted to keep this area for recreational use forever. Thank-you much!	7/30/2019 1:37 PM
17	Work on more connectivity with larger trail systems. Work with the County and other stake holders on planning for the Bellingham Mount Baker trail system. Review and remove the name "Bay to Baker trail" from planning materials. This trail can not be built to completion.	7/30/2019 1:27 PM
18	Thanks for all you do. We are blessed here with great parks and trails, and mostly, you manage well.	7/30/2019 1:08 PM
19	You guys are doing great! But as always, more parks around the county will be great. I still drive to Ferndale for the dog parks. I wish there were more places like Padden, swimmable and lots of water access.	7/30/2019 12:56 PM
20	Perhaps add historical signage to parks, maybe even tie in indigenous tribe history.	7/30/2019 12:52 PM
21	as said, more collaboration and willing to work with local orgs. I tried to get a community program advertised in the Parks and Rec publication, and the price was absolutely outrageous and out of our budget. You should be offering free or reduced advertising fees for non-profits. I tried to collaborate an event and was told the parks and rec dept basically had to take over my operations in order to create the event. I am very disappointed in the rigidity of policies for collaboration. It is preventing so many great events and programs from happening. Even just being willing to post an event on Facebook page to help promote any community event or fundraiser.	7/30/2019 12:25 PM
22	We live in the Lettered Streets and regularly walk downtown and up to Broadway Park. We and so many of our neighbors walk and ride bikes as often as we drive, and year-round. Thanks for all you do for pedestraings and bicyclers--we could use even more attention, more trails, more parks to walk to and through.	7/30/2019 12:21 PM
23	Your work is truly appreciated. Bellingham loves their parks! Please work with the city to create bike friendly, safe, protected routes through and around the city. Your future growth is banking on more biking; Please build in the infrastructure to support it being done safely. Amsterdam and surrounding areas is such a great example, with bike highways of sorts. SUCH a dream. Thanks for asking and listening!	7/30/2019 11:30 AM
24	Keep up the great work!	7/30/2019 11:20 AM
25	Keep up the good work!	7/30/2019 10:39 AM
26	I love the parks. They are part of what makes Bellingham amazing. Thank you!	7/30/2019 10:19 AM
27	Overall we love the parks and rec!	7/30/2019 9:46 AM
28	With homeless and drug issues increasing, park safety needs to be addressed. An example would be only 1 door to the bathrooms at the swim beach at Padden, discouraging overnight stays in places such as Cornwall. It is very challenging!	7/30/2019 9:43 AM
29	Great job!	7/30/2019 9:41 AM
30	Let's get more pump tracks going and how about another skate park. This time don't let the city design it. Leave the design and building to the experts, it will bring people in.	7/30/2019 9:30 AM
31	Thanks for our amazing parks & trails system! I did forget to mention I would love to see more garbage cans for dog poop on the trails. There are a lot of bags, but very few and far between places to dispose of them. Thanks!	7/30/2019 8:08 AM
32	Ya'll are awesome. Thanks for your hard work keeping things clean and sharing nature with the rest of us!	7/30/2019 7:26 AM

33	We definatly need a medium dog, off leash area. The small dog one is not big enough and the dogs in the big dog one are huge and come after my 32lb dog so I cant really go in either.	7/30/2019 6:46 AM
34	Wheelchair users like To go for walks through parks, the gravel paths are great but not in a wheelchair, would love to see some more cement pathways	7/30/2019 6:42 AM
35	I love this city and its dedication to nature.	7/30/2019 5:50 AM
36	A town this size needs an outdoor swimming pool.	7/30/2019 5:38 AM
37	Thank you for the work you do. We had many out of town guests for our wedding last weekend. We had an event st Woodstock farm, lake padden, and also spent time in the trails. The parks and trails here are one of the biggest draws! Keep up the good work	7/30/2019 5:12 AM
38	Better communication about all of the facilities available.	7/30/2019 1:52 AM
39	I want a better lap pool than Arne Hanna. Maybe something outdoors with heated salt water	7/29/2019 11:53 PM
40	You guys are doing a great job and I really appreciate it! I've lived in Whatcom County for 17 years, and during my recemt divorce, many people wanted me to come "home" to Pierce County. I could never leave our beautiful parks and community areas. I love it here - and the parks are a big part of that.	7/29/2019 11:37 PM
41	It is a shame that the city is dropping the ball on the aquatic center instead of taking initiative to build one adequate to the city's size. Basically giving away the existing facility to a private religious organization that has a terrible record of building and managing aquatic facilities	7/29/2019 11:21 PM
42	I love Bellingham Parks. I live in the Cordata neighborhood and I wish there were more walking trail systems up here but I know they're being developed and take time.	7/29/2019 11:19 PM
43	Add more community gardens on the north and northeast side of Bellingham	7/29/2019 10:54 PM
44	Keep up the great work!	7/29/2019 10:53 PM
45	Thank you!	7/29/2019 9:50 PM
46	I think it would be nice to partner with the ice rink so the scholarship funds awarded to families could be used to go ice skating as well.	7/29/2019 9:49 PM
47	My family utilizes the parks, programs, trails, etc. on almost a daily basis. My only feedback would be that we would appreciate it if all of the parks/trails were places were I felt safe to take my small kids and even safe to visit myself. The city has a large homeless population issue that needs to be addressed ASAP. There are many parks/trails/spaces in the city that I will not take my kids to or even go myself. Specifically Cornwall Park, Maritime Heritage Park, and the trail system behind the Iowa Street car dealerships. My husband commutes by bike through the trail system behind the car dealers and has told me many things involving the homeless that he sees on a daily basis. I do not feel comfortable taking my kids to play at a park where tents are set up, people are passed out/sleeping all over, using the grass/trees as restrooms, and leaving trash and drug paraphernalia everywhere. If these issues were addressed, it would be great to be able to utilize all city parks and trails with my family.	7/29/2019 9:45 PM
48	The biggest issue is the homeless presence making many otherwise great parks unusable. Even as an adult male, I often feel uncomfortable in parks like Maritime Heritage and Cornwall. I commute daily on the Whatcom Creek trail on a bike, and frequently have to swerve around people trying to push shopping carts full of junk in and out of camps. People regularly bathe under the overpass in full view of trail traffic. Extremely aggressive and vulgar shouting is also commonplace. We have some beautiful spaces that I would sadly never consider taking my kids to because of safety concerns.	7/29/2019 9:43 PM
49	I live in Sudden Valley. I don't know if my participation in this survey s applicable.	7/29/2019 9:05 PM
50	Great job! Keep it up! 😊	7/29/2019 9:05 PM
51	Ther are a few parks downtown that I am not comfortable taking my kids to because of the vagrants and loitering in the park and surrounding area.	7/29/2019 8:59 PM
52	I really appreciate the staff, I would like overall park maintenance to have better funding. I dont like tapping Greenways money for projects that should be regularly funded.	7/29/2019 8:54 PM

54	Thank you for all your work! I look forward to the day that the cities in Whatcom County are connected by a vast trail system. Remove railroad tracks and create trails like other areas of Western Washington. Thank you for the Death Cab/Odezza concert in May!	7/29/2019 8:18 PM
55	The way Civic Stadium was utilized for the WWU Alumni concert this past spring was incredible and I know an enormous amount of community members who would like to see more concerts this size or smaller!	7/29/2019 8:17 PM
56	Thank you	7/29/2019 8:16 PM
57	You need to update the Senior Center on Halleck St. It is sorely in need of new paint inside and out, new fixtures and furniture. The current management is not devoting any funds in this respect and it's way past due for attention to this building.	7/29/2019 7:51 PM
58	I appreciate that more parks are going in for the N side neighborhoods. I'd like developers to fund separated bike lanes on the major through-fares where we have all the growth and increases traffic ie Bakerview . Biking downtown and Fairhaven feel safe but in the areas where we have all this growth I would never bike on those roads. It's just going to compound traffic problems if we don't address this.	7/29/2019 7:24 PM

70	Is there any input you can give to COB board about improving cycling signage and offer cycling etiquette to riders, like "on your left" or speed limits on interurban?	7/29/2019 6:18 PM
71	Build more biking trails and pump tracks!	7/29/2019 6:18 PM
72	The community needs indoor recreational spaces. More and updated playgrounds and a public outdoor pool or waterpark	7/29/2019 6:18 PM
73	I routinely carry pepper spray for my runs on city trails in and around Whatcom Falls. I've been yelled at by intimidating people and even chased. I know this is a bigger issue than parks and rec, but I want to flag it as a daily user that isn't always sure I will have a positive experience. Thanks!	7/29/2019 6:16 PM
74	Poles for hammocks!! 🌳	7/29/2019 6:14 PM
75	I love the parks, they make Bellingham awesome!	7/29/2019 5:36 PM
76	I would love to see more parking. Yes, would be great to get less people driving. But that hasn't happened yet. More parking means more people using the parks.	7/29/2019 5:35 PM
77	I <3 our parks.	7/29/2019 5:11 PM
78	Thank you for being an awesome department! Only last thing I notice is a lot of hogweed and hemlock so maybe a phone line to report dangerous plants? And to reiterate, garbage is a huge problem. Especially squalicum creek. I walk there a few times a week and grab SO MUCH garbage. The creek itself could use a clean up the whole way as well :(7/29/2019 4:56 PM

86	I love the daily open gym at Blodel. Gail is a true gift to the community	7/29/2019 4:41 PM
87	The access to Waypoint park by bike is also very poor. The bike paths inside the park are great, but no family or elderly person would feel comfortable riding to or from that park on a bicycle. Roeder, F street and Cornwall all have significant danger zones for people on bikes. Thank you for offering this survey!	7/29/2019 3:46 PM
88	Prioritizing pedestrians and cyclists (and ADA access) over cars. Partnering with WTA and other groups to facilitate making that happen	7/29/2019 2:42 PM
89	Please consider people traveling from home to parks, and people trying to get around town safely (with kids!) without a car. I'm grateful for the trails and other infrastructure that we have, but there's a lot more we could do to keep people safe when they are traveling by bike or foot around town, to and from parks and other destinations. For example - the city removed a designated bike lane on Roeder street going uphill from the new waterfront development and now I have to ride IN TRAFFIC with my kid going uphill on what is designed as a cycle route on the city master plan. Pretty terrible. We can do better!	7/29/2019 10:52 AM
90	Waypoint Park: Nice park. Terrible access for bikes at Granary intersection for ingress & egress. 1) bike lanes erased - without warning 2) No direction/intuitive design to have people get to the special bike signal for a left turn into the park, 3) When leaving the park, the bike signal only works for those travelling to Roeder (but no info to let people know that, 4) No indication how best to leave the Granary cycletrack & go uphill and then it's dangerous sharrows/mixed traffic on the uphill. Big missed opportunity to reach families & regular people who need much better bike facilities!	7/27/2019 9:13 PM
91	Thanks for making Bellingham a nice place to live	7/26/2019 9:33 PM

95	You do a great job managing a very large park and trail system! My family and I have visited a lot of other cities, including ones our size, and have rarely seen parks that are as heavily used and well maintained as ours. Thank you!	7/25/2019 9:44 AM
96	In so much as Parks & Rec has a say: no e-bikes on multi-user trails. They are motorized vehicles! I'm not sure how there could really be any debate on that point. The pedals on those contraptions are largely ornamental for many e-bike enthusiasts. They are a menace to other users and a half-measure--at best--as an environmentally friendly transportation solution. The electricity comes from somewhere, does it not? Coal. Nukes. Pedaling an actual bicycle accrues no such costs.	7/25/2019 8:59 AM
97	Help out the pickleball community. I don't live in B'ham, but I give money to the club to help build fencing Weatherize pickleball facilities where possible.	7/24/2019 10:36 PM
98	We could use an improved pool and civic center-much like BC civic centers and pools	7/24/2019 9:12 PM
99	Develope a 16 court stand alone pickleball court complex similar to the one in St George Utah. Where could hold a decent tournament.	7/24/2019 8:08 PM
100	At a minimum, the City should match funds for the new parking lot at Galbraith. This is a huge resource for residence and tourists but there is no parking!	7/24/2019 12:31 PM
101	Love all the work to connect the trial systems. Would like more trials in lower Whatcom falls where all the bum camps used to be. A bridge from there to the steep stairs would. Be amazing so that the park looped around and you didn't have to walk on woburn\yew at.	7/23/2019 10:19 PM

105	Our parks are getting beat up. Let's not expand much more until we clean up the ones we have. Sorry about the homeless, but our parks are not homes for people. Nor are they the grounds for getting high, drunk, etc. Where are they shitting? In the park. I had my dog pick up a heroin needle the other day. Bummer. The park workers are GREAT and caring, but it must be frustrating for them as well. Thank you for allowing me to vent.	7/23/2019 5:34 PM
106	Continue allowing bike access through parks and keep building more mountain bike trails. Thanks for your hard work.	7/23/2019 5:27 PM
107	Get a bocci ball court!	7/23/2019 4:21 PM
108	Great job taking steps to preserve Galbraith for years to come. It would be great if you would allow class 1 ebikes on the trails though. They have been shown not to cause anymore trail ware then normal bikes and since most of the up hill is on logging roads there seems to be little chance of rider conflicts on the single track trails.	7/23/2019 4:05 PM
109	Good work by the City on acquiring the permanent recreation easement for Galbraith!	7/23/2019 3:49 PM
110	Thank you!	7/23/2019 3:48 PM
111	You guys have the best parks and rec staff around. When we moved here 20 years ago we would go on hikes to various parks with a park and rec staffer and she would show us (a group) around to various parks. It was awesome and a great way to familiarize yourself with the area.	7/23/2019 3:41 PM

Someone with any training in developing surveys is laughing at what you have created and wondering how/why you are not capable of developing appropriate measuring tools. Is this an elementary school project?	7/2/2019 11:23 PM
125	Mountain biking is an activity we need to focus on more for the increasing traffic and for more people coming to our area to ride here.	7/2/2019 5:19 PM

147	Please, please, please: more pickleball courts. Very appreciative of the support and cooperation from Parks up to this point. Our local scene is following the national trend of popularity with that sport, and its such a fun and social activity for all ages/genders. I play many sports and participate in many activities. I challenge someone to find a similar sport to Pickleball that hits so many marks: low gear cost, welcoming, social, age/sex interplay. All other activities begin to separate quickly along age/sex/strength lines.	6/28/2019 9:44 AM
148	Pickleball is the fastest growing sport in the U.S. I hope Bellingham takes this into account in future planning. Thank you.	6/28/2019 8:46 AM

162	I play pickleball everyday. Sometimes there are more than 40 people at Cornwall Park. It is a wonderful activity for people of all ages, sexes and abilities. It is fun to play with young and old people. We have many players that are in there teens and many over 80. We can all compete. It will be so nice when the courts are resurfaced and lined. It is my understanding the pickleball is the fastest growing sport in the US. We now have over 200 members in the local club. I have heard about some tennis players complaining about the PB lines, but there are lots of other tennis courts around town, and at the schools. If they don't like the lines, can't they just use one of the many other tennis courts. There is also the tennis club for serious players.	6/27/2019 4:49 PM
163	Increase Pickleball Courts indoor and outdoor. All ages play Pickleball 12-85 years.	6/27/2019 4:41 PM

165	I'm one of the original organized pickleball players in the area and it's been great to see the growth of the sport locally. The dedicated courts at Cornwall are getting tremendous usage but it looks like they are already at over-capacity at times. More importantly, there is a huge need for in-door courts in the area during the months where outdoor play isn't feasible. I'd like for the city to consider places like the Pavilion at Bloedel Donovan. Thanks!	6/27/2019 4:17 PM

168	Thank you for your support of all members of our community. You promote healthy lifestyles which improves the quality of life in Bellingham.	6/27/2019 3:17 PM
169	Pickleball is the fastest growing sport in America. If there were 6 additional courts at Cornwall we could have tournaments and bring in lots of revenue to the city.	6/27/2019 2:22 PM
170	please build more pickle ball courts It is the cheapest most social and good form of exercise for all ages Also important to bring the whole community together	6/27/2019 1:38 PM
171	Overall a good job	6/27/2019 1:31 PM
172	I love the fact that Pickleball is such a vibrant sport in Bellingham and that the parks department is helping it to thrive. It is a healthy sport enjoyed by many	6/27/2019 1:28 PM
173	What organizations are contributing to the growth of organized recreational activities within our parks? Please continue to support their involvement in planning for existing and future growth of new activities.	6/27/2019 1:28 PM
174	We used to go to Salmon Creek park all the time. It was a great place for young kids to play in the creek, but now there are permanent camps in there and human poop everywhere. This was a big improvement project after the tragedy at whatcom falls park. It's was a shame to see the ruin. I have not gone back since last Feb and its an area I now avoid. On a positive note. We are super pleased with the new parking at Locust beach and we love the squalicum creek off-leash area and the dog park and trails over there. And the new trail below Whatcom falls! And the Cornwall park pickleball courts. Kudos!	6/27/2019 1:20 PM

178	I've just gotten into pickleball, so it would be nice to have more places to play than just Cornwall and Fairhaven Park. And, as I live near and am often in Boulevard Park, having quiet zones so the trains do not have to blow their horns would be AWESOME!	6/27/2019 1:00 PM
179	I often play Pickleball at Blaine Bay Parks and Recreation facilities. I am interested in playing in Bellingham as well.	6/27/2019 1:00 PM
180	Clean the tennis lines at Cornwall and other parks so tennis players aren't so annoyed when pickleball lines go down	6/27/2019 12:48 PM
181	i REALLY APPRECIATE THE EFFORT BEING PUT INTO PICKLEBALL. THE GROUP THAT IS TEACHING AND ORGANIZING IS GREAT, FRIENDLY AND WELCOMING. THIS SPORT IS GROWING AND A GREAT OPPORTUNITY FOR BHAM TO SHOW ITS GLAMOUR. PICKLEBALLERS ALWAYS LOOK FOR PICKLEBALL COURTS AND PLAY TIMES WHEN TRAVELING.	6/27/2019 12:40 PM

183	Being more open with allowing the community to follow up on projects themselves for much cheaper than you could get it done for	6/27/2019 12:08 PM
184	Given the false attitude of tax penury and resultant minimal Parks Budget (see BC communities for a contrasting example), more partnerships with non-profits and business to provide recreational programing	6/27/2019 12:07 PM
185	There is no option for current use of pickleball courts. Therefore you will get skewed results on the tennis court usage. Some pickleball players will say they use a tennis court, but others wont. It will unfortunately be impossible to seperate the tennis players from the pickleball players in the at question. Please keep that in mind and make a notation of that when tabulating the results.	6/27/2019 11:15 AM
186	Thank you for continuing to provide great services to the community. The parks are so beautiful and well maintained. With the population growth im sure there will be more challenges. Environmental education is so important and we need to make sure everyone understands their responsibility to protect and preserve the natural beauty we are so fortunate to have.	6/26/2019 10:59 PM
187	You are wonderful!	6/26/2019 2:47 PM
188	Bellingham has so many beautiful parks both in the city and proximate to the city (i.e. Larrabee, Birch Bay), and yet people seem to see these as isolated experiences. Cornwall Park, for instance, could so easily connect via protected bike lanes, to Railroad Trail and Railroad Trail, which already connects to Whatcom Falls could easily include wayfinding (along with additional trails and additional wayfinding to either the South Bay Trail via Whatcom Falls Trail or the North Whatcom Trail (with additional wayfinding and bike designations on the road to remind drivers to slow down). I would love to see easier bike and public transit options for getting to Larrabee State Park, Birch Bay State Park, Woodstock, North Whatcom Trail, and elsewhere—but these are incredibly limited and therefore inaccessible to large portions of our city's population. I deeply want to see Bellingham become a place that's more friendly to bikes and pedestrians, including improved ADA access and reduced numbers of personal vehicles downtown. I think that means a concerted effort between Parks & Rec and other offices within COB and the County to develop more bike racks and bike lanes (including protected bike lanes), more community parks, more wayfinding throughout the city and county, and policy that reduces the number of cars while setting aside additional funding for trails and small community parks. I also deeply want to see more trails that connect Bellingham to nearby towns in both Whatcom and Skagit, with goals of reducing Bellingham's carbon footprint, fostering improved community connection within Whatcom County, and improving health outcomes. We have the opportunity to be a leader among smaller cities in the United States due to the park and trail infrastructure that is already in place (in terms of miles of trails, connectivity with other places, reductions in our carbon footprint, sustainability of our parks systems, and improved health outcomes for citizens). However, we cannot capitalize on that if we focus our funding on programming without seriously examining ways we can reduce maintenance costs and encourage people's ability to actually get to said programming (aside from cars).	6/26/2019 7:47 AM
189	Why is that little to nothing is done to control litter and dog poo left uncollected or bagged and dumped on trails? Collection sites along the trail system may be a solution. It has worked in other city park systems such as those in Vancouver B.C.	6/26/2019 4:24 AM
190	Keep up the good work.	6/25/2019 10:12 AM
191	Keep restrooms open and maintain them, despite irritation with homeless people	6/25/2019 5:32 AM
192	Please add some more options to the new park where the acid ball is by the granary...I know there is talk about a pump track (which is awesome!) id love to see more green space, basketball courts, and a bigger kid playground.	6/24/2019 8:47 PM
193	keep up the good work thank you!	6/24/2019 4:53 PM
194	I live in the Birchwood Neighborhood, in close proximity to the off-leash dog park. My husband and I walk our dog to the beach and around the trail to Squalicum Park almost every evening. Whenever we have visitors from out of state I love to show them what beautiful trails and parks we have. Keep up the good work!	6/24/2019 3:13 PM

196	The current Arne Hanna Aquatic Center is not adequate in size to handle the increase use of the swimming facilities. The high school swim teams, Bellingham Bay Swim team, Bellingham Masters swim teams and general public compete for time & space in using the swimming pool. Bellingham's population in 1995 was 58,188 and the city has grown by more than 50% since 1995(when the aquatic center opened) and while the city has increased parks, trails, community areas, etc. the aquatic center has not. I am a active morning master swimmer(four times a week) as well as coach the evening masters program(twice a week). I am very aware of the aquatic center's popularity and recognize the importance of building a larger swimmining pool.	6/24/2019 1:20 PM

202	There are only two sand volleyball courts at Bloedel Donovan Park. With such limited resources, people tend to be pretty rude and don't let other people play. It would be nice if sand volleyball courts could be incorporated into more parks so people could have a variety of places to play volleyball. That would increase the amount people who could play (without having to drive SO FAR to get to Bloedel) instead of always facing incredibly vulgar teams of only two people each who hog the courts at Bloedel Donovan Park.	6/24/2019 7:53 AM
203	Thanks for beautiful parks.	6/24/2019 12:21 AM
204	I have been advocating socially for years for a seasonally covered large park space. Large enough to throw frisbee, etc. Ping pong tables would be ideal use for this among many other things.	6/23/2019 10:23 PM

210	I love our city parks & I feel that with the city growing so much, they are more important than ever as places for people to play, exercise, socialize & benefit from being in nature. Thank you!	6/22/2019 11:55 PM
211	Allow completely new neighborhoods to be designed around parks with front porches directly on the parks to increase sense of ownership and pride from surrounding neighbors, and to increase natural surveillance and security to deter delinquent activity and vandalism. See Boulder Park, Orchard Park, Trellis Park, and many others in "Daybreak" in South Jordan, Utah.	6/22/2019 5:38 PM
212	Great parks here, but yeah somehow adding metal pong tables would be sweet. People bring their own paddles and balls, just like tennis/pickleball.	6/22/2019 9:12 AM
213	Need more wild areas and areas for wildlife. Also need more trails.	6/22/2019 7:43 AM
214	Thanks!!	6/21/2019 10:59 PM
215	More protected connections between trail systems. Should be able to travel to more parts of the city on trails.	6/21/2019 9:35 PM
216	Good job overall, though some areas need weeds to be pulled back, and tree canopy needs preservation/restoration.	6/21/2019 9:28 PM
217	We want ping pong tables	6/21/2019 7:01 PM

223	There is a need of more full-time personnel to maintain landscaping and clean up in the Parks. The current employees do a good job but there are too many facilities for them to handle.	6/21/2019 3:37 PM
224	Thank you for all your hard work. You probably don't get thanked or appreciated enough for all your hard work as a department. Your work and efforts add a lot to the quality of life in Bellingham.	6/21/2019 3:28 PM
225	As a county resident, I am always so thankful for Bellingham's parks. In fact, it is one of the big reasons I'd like to move back in the city at some point. Especially with children.	6/21/2019 12:52 PM
226	Ping pong tables for the community!	6/21/2019 10:49 AM
227	I love you guys but I would really like a better skatepark like in Eugene, OR. pi pong(low hanging fruit), oh ya!! Fruit trees!! More tennis less pickle ball (though I'll probably want it when I'm old and can't move). Did I mention a world class skatepark like in Eugene(dream park co, or something, these guys know how to make a park!) Though the folks at the glacier coal pad have done well too. Talk to them. So to drive it home, ping pong.. I know you can do it! And an amazing skatepark because the one we have is good but too crowded, and much of it is unrideable unless you are sick and made of rubber!	6/21/2019 10:33 AM
228	None	6/21/2019 10:31 AM
229	We would like the Maritime Heritage concerts back and more concerts and community activities in the parks. Thanks.	6/21/2019 7:41 AM
230	We need more safe bicycle routes for getting into town from the county	6/21/2019 1:27 AM
231	Be more proactive in making sure our parks are accessible for Seniors and families. !!!!!!! Parking near to picnic tables like at Boulevard park. That's the most accessible park we have. Look at how many angle parking places there are! Look at how accessible it is. Use it as an example.	6/20/2019 11:08 PM
232	Make salmon spawning a top priority.	6/20/2019 10:44 PM

234	More public dock space on the waterfront. Large Public park area in the waterfront redevelopment. Ping pong!	6/20/2019 10:10 PM
235	Outdoor Ping Pong is relatively cheap to set up, and an instant classic anywhere it is installed... I think the space behind the public library, or Maritime Heritage Park, would be a great location. This short documentary about the tables in NYC is very much worth watching: https://youtu.be/Wc5H9m3f0ME?fbclid=IwAR22gBgbbXR2gIkGoU2Ps8D2kA4OdGcZeyvRBNUKfGDqON5jReJm1frVsGg	6/20/2019 9:55 PM
236	Thank you! Amazing work and let's keep it going strong	6/20/2019 9:53 PM
237	I think you do a stellar job for the community and we will support all parks initiatives. More tax dollars for our parks and playgrounds, less for welfare cheaters. I think the parks dept. could manage a homeless camp to get these folks out of the woods and off the streets. Showers, shelter, medical and strict rules of behavior.	6/20/2019 8:56 PM
238	We have it better than most cities. I hope the blue Herons can remain in open space	6/20/2019 7:36 PM
239	Thanks for the great parks!	6/20/2019 7:24 PM
240	Quit spending money on new trails	6/20/2019 6:52 PM
241	More efforts to facilitate habitat/wildlife conservation, connectivity, and prevent wildlife vehicle collisions.	6/20/2019 6:40 PM
242	How can we find better areas private areas for bird population? How can we stop people from pooping and urine from pets where kids want to play in wide open areas?	6/20/2019 5:12 PM
243	Please consider a pedestrian route from city sidewalk on Chuckanut to Fairhaven Park amenities so walking on the driveway is not required.	6/20/2019 4:02 PM
244	Preserve Native Habitat	6/20/2019 2:52 PM
245	It would be nice if Parks and Rec participated in an anti-sprawl initiative. Our current level of growth is unsustainable.	6/20/2019 2:14 PM
246	Overall great job. More bike parking. Probably not your gig but a street tree initiative with super low cost trees and run around digging the holes with an auger for each neighborhood would be great.	6/20/2019 1:19 PM

247	Would it be possible to print up maps of our trails and have in the Leisure Guide - with links to access individual trails online. Have them listed by name or region or location - so people can easily find them. In addition, with this list, would be information on trail etiquette, including poop removal, staying on the trails, rules of the trail (bikes vs hikers), waste/garbage removal, etc...	6/20/2019 12:32 PM
248	I am impressed with how fast the city cleans up the trail system after major storms. The Lakeway-to-downtown trails are used by commuters to get to work, and I'm happy to see how quickly they get cleared.	6/20/2019 11:13 AM
249	Stop commercial noise pollution please. People are profiting from interfering with the "peace and repose" of neighborhoods because construction gets does not have to abide by the same rules as the city noise statutes.	6/20/2019 11:09 AM
250	Please get the trail done on Squalicum east of Northwest	6/20/2019 10:24 AM

256	Spend more time an money maitaining what you have rather than buying more park land -- if you do buy more park land keep trails at minum so there is more areas for wildlife. we're loving it to death. And, do something about Lookout Mtn mtn bike trails aka Galbraith -- the trails are causing a lot of turbid runoff into Lake Whatom increasing potential phoshorus pollution. Also, all the use on those trails is negatively impacting wildlife. And, you can no longer park in the small lot off of Samish Way to use the trails at the southend of the park because all the mtn bikers crowd it out -- that lot used to be for horse trailers.	6/19/2019 10:42 PM
257	We appreciate everything you do. It makes this city great for families and those who love nature.	6/19/2019 9:37 PM

I have no company affiliation to S2O, but have been to a few of their projects in Colorado and was very impressed with the revitalization. Check out this project in Lyons, CO for an example: https://s2odesign.com/projects/lavern-m-johnson-park/	6/19/2019 6:30 PM

263	Thank you, thank you, thank you.	6/19/2019 5:50 PM
264	Heron rookery above wastewater treatment plant should be purchased by public. Add pumptrack at Fairhaven Park for the middle school and other age kids. Provide safe gravel pads for access to our city creeks for education use (as done in Ashland Oregon) , Better coordination between COB Parks, Public Works and Planning Dept on Urban Forest/Tree Management.. THANK YOU	6/19/2019 5:12 PM
265	thank you	6/19/2019 4:44 PM
266	Saving money by combining the ymca and community pool is a bad idea. The pool was built and people voted to support it, and we should. The Y should stay downtown where it serves a critical need in the urban core.	6/19/2019 12:44 PM
267	Again I really appreciate the Park's and Recreation Department. Every interaction I have had with staff has been positive. It is apparent the department is very committed to protecting our environment as well as increasing access and opportunity for the community to our outdoor space	6/19/2019 11:57 AM

278	Over the past couple of years, there seems to have been a shift in customer service away from being community minded. Burdensome fees, refund policies, advance reservations and unfriendly customer service has become the norm, which is disappointing.	6/18/2019 1:05 PM

280	Thank you. And... it seems I'm unaware of much of what the department might be offering. A map of parks + trails would be cool, along with information about the recreational offerings. Maybe something occasionally advertised or inserted into the Cascadia Weekly?	6/18/2019 9:50 AM
281	You need a bigger budget. The Parks are a huge draw for tourism and the more we invest the more we will reap.	6/18/2019 9:46 AM
282	I love that the Bellingham Parks Department is open to and willing to put on huge one day events like the recent concert and Civic Stadium. Thank you for working with other event organizers and allowing the parks to be used for different races throughout the year.	6/18/2019 9:29 AM

288	Good Job!	6/17/2019 6:32 PM
289	Why are the Bellingham Library flower beds so unkempt? It's embarrassing to the City. Mayor, please take a walk and look at them. Next to the staircase on the side. I use Lee Memorial lawn all the time. I am worried someone is hiding in there. Thanks for your time and for conducting this survey. I appreciate our parks here.	6/17/2019 2:26 PM
290	This may not be Parks but the City needs better pedestrian signage. Like the Walking maps in Vancouver that show how far of a walk it is to neighboring blocks. They have a 5 min circle and 10 minute circle and 15 minute circle and it's super helpful.	6/17/2019 1:18 PM

293	I have been a resident for over 40 years. I walked with my children for the initial greenways project. I am saddened by the state of our city in regards to substance/mental health abuse. I am sick of all the signage that had to be put up for liability reasons - even my own property. I am sick of seeing signage that has graffiti. I am sick of hearing about theft. No more trails etc until we get a substance abuse program.	6/17/2019 9:00 AM

295	The Parks and Rec Dept. is the gem of Bellingham and I am so grateful for all that you do!	6/17/2019 3:27 AM
296	Thank you!	6/16/2019 8:38 PM
297	You guys are amazing! I've worked with NSEA and perhaps there could be more work parties. Keep it up and I appreciate you! Thankyou!	6/16/2019 3:22 PM
298	The staff are amazing ! They are informed and the few I know more personally, like John Doop, take a very caring conscientious effort to serve us....the Park Ambassador Program is especially effective in Marine Park on Holly..Thank you to all of you	6/16/2019 10:47 AM
299	More trash bins and dog poop bag dispensers and pickup places	6/16/2019 10:41 AM
300	Post a no jumping sign on the railing of near the shelter of Boulevard Park. Climbing up the railing and jumping off there is an accident waiting to happen, and I have seen teens bully kids into doing it.	6/16/2019 9:32 AM
301	Great job everyone! Keep up the good work!	6/15/2019 10:21 PM
302	Thank you for having knowledgable and helpful staff	6/15/2019 9:44 PM
303	Thank you!	6/15/2019 6:56 PM
304	I am a dog owner and frequently use the off-leash do parks. I believe there should be fines for park users who abuse their privileges at parks by allowing their dogs to run free in areas that clearly don't allow loose dogs and fines for people don't pick up after the dogs they are walking .	6/15/2019 8:11 AM
305	need parking at Galbraith mountain and better signs to people dont bother the people that live on the street	6/14/2019 11:04 PM
306	Thank you for all your hard work, we appreciate you!	6/14/2019 8:58 PM
307	Keep up the good work.	6/14/2019 6:13 PM
308	A summer outdoor swimming pool is needed. The tennis courts are in some of the most beautiful locations but need maintenance. The new backboard at FH Park tennis courts is coming apart. The multi use trails are absolutely amazing and Lake Padden is a jewel. Thank You for the opportunity to give feedback	6/14/2019 4:01 PM
309	Maybe a few more garbage cans on the heavily used by dog walkers. Limit motorize two wheel vehicles on trails.	6/14/2019 10:46 AM
310	You guys did such an amazing job developing Squalicum Park, but there's one thing I wish had been done differently - I wish the stairwell on the north side of the park (that "connects" Squalicum Park & Birchwood Park) was twice as wide as it is. It's really only wide enough for one person. And it's also a fabulous workout "accessory." But if there's someone already on the stairs (either running them repeatedly for a workout, or just getting from/to the top or the bottom,) one has to wait until the stairs are cleared before getting on them too. Why would you ever put stairwell in a location like that and only make it single-wide? It's be fabulous if that stairwell's width could be doubled, even better if it could be tripled!!! (Think of the Taylor St stairs . . . what a treasure!)	6/14/2019 7:47 AM
311	The park dept is doing an amazing job and my family is very thankful for the park system we have in place.	6/14/2019 7:12 AM
312	Thank you!	6/14/2019 5:40 AM
313	Nope :)	6/13/2019 11:00 PM
314	Salt water pool!!	6/13/2019 10:00 PM

315	Accessibility is important for families and seniors. Not everyone can ride a bike to the park. Suppose you are pregnant and have a little child in one hand and carrying a picnic lunch in the other hand - then have to cross a street to get to the park. That's NOT good planning!!! Look at how accessible Boulevard Park is with angle parking to minimize impervious surface. Easy for little Johnny to get his coat from the car while his parents sit at a picnic table and watch. Think about the families!!!!!!	6/13/2019 9:44 PM
316	No	6/13/2019 9:38 PM
317	thanks for doing such a nice job!	6/13/2019 8:59 PM
318	.	6/13/2019 8:55 PM
319	I am disappointed that our Parks Department and City are incredibly difficult to work with for outside groups. From the efforts of the Rotary Club to build docks at Blodel to those working hard to provide paddling opportunities for kids at Lake Padden, the City and Parks Dept have only thrown up bureaucratic barriers. Change the culture of the Parks Department and City managers from resistant and skeptical to open and looking for ways to best serve tax payers.	6/13/2019 8:15 PM
320	Thank you.	6/13/2019 7:55 PM
321	Please be sure to provide enough handicap parking and access for o facilities and areas	6/13/2019 7:51 PM
322	We need community centers like Canada	6/13/2019 6:25 PM
323	Thanks for your hard work!! You are all the best! Oh- I would like to see the area where the killdeer breed roped off while they hatch - Little Squalicum Park	6/13/2019 4:45 PM
324	I'd like to see a lighted trail system in the winter for when it gets dark at 4:30.	6/13/2019 4:31 PM
325	Nope. Thank you!	6/13/2019 4:27 PM
326	I appreciate all you do for our community. Let's build a pool like our neighbors in BC do! One with an Olympic size pool and workout rooms. We've outgrown Arne Hanna	6/13/2019 3:43 PM
327	The best part of Bellingham is the Parks and Recreation system. Thanks!!!!	6/13/2019 3:42 PM
328	We love our parks and trails! Keep up the good work!	6/13/2019 1:34 PM
329	Upgrade connect to Port of Bellingham Facilities - Zuanich to Squalicum Beach Park.	6/13/2019 1:28 PM
330	1. I LOVE the spray parks in town, but I wish they were open earlier in the season and for more time each day. They're so fun, but my kids who aren't in school have to wait so long to start using them, and then they're only open in the heat of the day. 2. More parking and family parking! 3. You guys are doing a great job!	6/13/2019 1:15 PM
331	No!	6/13/2019 10:23 AM
332	nope	6/13/2019 10:04 AM
333	There has next to nothing of Greenways Levy money spent on acquisitions for many years (since Kelli Linville became mayor). It's time for Bellingham Pakrs and Rec to lobby for the city to use that money as it was intended, for purchasing and protecting open space and trail corridors. I totally disagree with he Greenways money that was spent on Civic Field and other city park facilities. That money has been misused and misappropriated!!!!	6/13/2019 9:45 AM
334	please provide more trash cans, so we can keep our parks clean. Dog bag features would be welcome, as well.	6/13/2019 9:39 AM
335	I would like to see more enforcement of people using parks overnight. It creates an unsafe atmosphere.	6/13/2019 9:28 AM
336	We need more bike trails through the city to get to the parks.	6/13/2019 9:12 AM
337	A walking/running trail that connects Padden to Whatcom Falls would be great! Maybe through Galbraith? Also, I really think it would be a huge asset to Bellingham to have a salt water pool on our waterfront ala Coleman Pool in Seattle and Kits Pool in Vancouver. If our bay is too polluted to swim, it would be great to have a way to still enjoy swimming at the beach. Also, you all are doing a great job!! Thanks for providing such a vital service for health and psychological well-being as well as vital community spaces.	6/13/2019 9:05 AM
338	The new harbor area would be a great place for a water park, modern swimming pools/programming, covered picnic areas and community events.	6/13/2019 8:46 AM

339	Keep us beautiful, open and easily accessed :)	6/13/2019 8:42 AM
340	Please, do some updating in the shower rooms of the pool. And show some care about the things you do attend to. NEW SHOWER HEADS! How expensive could they be?	6/13/2019 8:19 AM
341	Thanks for all your good work. We LOVE our parks!	6/13/2019 8:19 AM
342	Bellingham needs a new/additional indoor swimming pool. Arne Hanna Aquatic Center is inadequate for the needs of the community. City of Bellingham ham needs to build a pool that will support the large number of pool users who are inadequately served by the current AHAC facility. New pool should be significantly larger with a minimum 8-lane 50 meter competition pool that can be configured for 25-yard completion distances to serve needs of all competitive swimming organizations at all age levels (BBST, Masters, high schools, lap swimmers). New facility should also feature separate pools for recreational users. I believe that the new aquatics center in Sioux Falls, South Dakota could serve as ideal model for such a facility in Bellingham. If you build a new and enlarged facility the number of users would increase proportionately.	6/13/2019 7:36 AM
343	We need a playground in Barkley and my 7 year old daughter has a plan. Drawn if out and made a clay model.	6/13/2019 7:00 AM
344	More loop trails for running or walking would be great. Especially something north of Bellingham.	6/13/2019 6:50 AM
345	Make the Parks we have family friendly and get rid of those who hang out during the day in their vehicles	6/13/2019 6:50 AM
346	Keep up the hard work, you do a fabulous job.	6/13/2019 6:46 AM
347	The parks and trail system in Bellingham is the main reason I moved here a year ago. I think Bellingham does a great job with outdoors activities for all age groups. The only thing I would recommend is more smaller neighborhood parks for families.	6/13/2019 6:16 AM
348	Overall a good job. A little faster cleaning of the tennis courts in the spring would be appreciated.	6/13/2019 6:05 AM
349	Thank you for keeping, maintaining and developing our green spaces, such as the Post Point blue heron rookery, and for creating even more trails and green spaces for the enjoyment of local folks and the preservation of other species.	6/13/2019 5:43 AM
350	I moved to Bellingham specifically because of the parks and recreation in the 1990s. I had to move away for work 6 years ago and now I am back, retired. I truly believe that access to open space and the water are paramount to quality of life. Keep being awesome.	6/12/2019 11:57 PM
351	thanks for all you do!	6/12/2019 11:39 PM
352	I think I made it clear. As a woman, I do not feel safe in any of Bellingham's parks or trails. I've stopped taking my daughter after multiple homeless people harassing us each time. It got old. And I'm sick of paying taxes for parks that I can't safely enjoy. I used to take her when she was an infant and toddler. I know I'm not the only one.	6/12/2019 11:16 PM
353	I think we need to incorporate volunteers, to help deal with our urban problems- waste, homelessness etc.	6/12/2019 10:39 PM
354	Wherever you use lights PLEASE don't use the super bright cold LEDs that have ruined some parts of our city. It is NOT necessary or safer to have such bright cold lights.	6/12/2019 10:31 PM
355	- I would like the city to waste less time and energy on removing graffiti in general but more specifically from the skate park on Puget. First and foremost, it's futile. And the more often the graffiti is covered up, the lower effort the graffiti becomes. Currently, the park is covered over so often that graffiti artists treat it more like an etch-a-sketch than a legitimate venue for expression. Since it will simply be painted over very quickly, there is no incentive to create something of lasting beauty. If graffiti absolutely needs to be covered, which as a resident of the neighborhood I strongly disagree that it does, I would prefer if the city either commissioned or somehow authorized artists to paint large murals or other works of art in the skate park. - I feel that the Double Major concert went very well. I wasn't able to attend, but I live near by and it seemed like the community really responded positively to it. - Several years back there was a cyclocross race in the civic field area, this actually got me into the sport. Which is tragic, because that was the first and the last time there was a race there. I would like to see that space made available to the local CX community again.	6/12/2019 10:18 PM

356	Thanks, I love the parks and use them daily walking my dog- especially Cornwall Park, Memorial Park and Broadway Park. I always pick up any garbage I find as my contribution. The one thing that does bother me is drones. I firmly believe parks and drones don't mix. There needs to be a designated park for drones. I have called about this several times in the last few years and the problem continues...	6/12/2019 10:02 PM
357	The city is growing rapidly and the parks services need to address this increase in use and population. More parking, updated facilities, more challenging and creative play structures that engage broader age groups (for example, ropes courses, parkour, pump tracks...etc....)	6/12/2019 9:41 PM
358	The open space and trail system offered by city parks, county parks, and state lands is one of the primary reasons I live here.	6/12/2019 9:38 PM
359	Provide homeless shelters so homeless are not consuming the parks like maratime heritage park making it impossible to recreate there	6/12/2019 8:29 PM
360	Thanks for all the efforts of administration and staff to care so diligently for our ever expanding and developing parks. Well done!	6/12/2019 8:27 PM
361	No more trails in the Lake Whatcom watershed. More of Lake Whatcom needs to be permanently protected. But we don't need more recreation in the watershed. Increased car trips, dogs and visitors increases pollution to the lake.	6/12/2019 8:27 PM
362	No	6/12/2019 8:15 PM
363	New/Improved/Additional Swimming Pool! Enforcement of no camping/night time use of parks!	6/12/2019 8:01 PM
364	I think surveys are a wise source for public input! Keep it up!	6/12/2019 7:56 PM
365	More trails	6/12/2019 7:15 PM
366	Bham parks is one of the many reasons I live here. Keep up the good work!	6/12/2019 7:15 PM
367	I appreciate all of your efforts, thank you!	6/12/2019 6:33 PM
368	Keep up the great work!	6/12/2019 6:13 PM
369	More hot water and soap in bathroom s	6/12/2019 6:00 PM
370	Keep up the great work! Bellingham just keeps getting better!	6/12/2019 5:31 PM
371	It would be nice to have more calisthenics equipment in neighborhood and larger parks, like what Cornwall used to have.	6/12/2019 5:31 PM
372	GET THE BUMS AND TWECKERS OUT OF OUR TAXPAYERS PLAY AREAS. AND MAKE THE HEALTH DEPARTMENT PAY FOR DIESESE TESTING WHEN OUR KIDS GET POKED BY A NEEDLE THAT THE HEALTH DEPARTMENT HANDED OUT AND THE DRUGGIE LEFT IN THE BUSHES IN THE PARK.	6/12/2019 5:12 PM
373	You are doing a great job. As population grows maintaining the green spaces and access to natural ares has got to remain a huge priority.	6/12/2019 4:12 PM
374	Kick out the drug users and people who are repeat offenders and have harsher penalties so people feel safe when in the parks and can enjoy them and kids can enjoy the parks. Get rid of the people who are using the parks as a place to abuse drugs and camp. Let's get our parks straightend out. We are enabling too many people. I am ashamed of some of our parks.	6/12/2019 3:21 PM
375	Love you guys!!!	6/12/2019 1:54 PM
376	It's refreshing that mountain biking is FINALLY growing here! The after-school riding/team programs put together are stellar, but are only affordable to certain demographics. It would be great if the city parks department took a bigger part and added more trails!	6/12/2019 1:11 PM
377	I love our park. I easily go 4-7 times a week. I wish all parks had gender neutral bathrooms.	6/12/2019 12:45 PM
378	put signs on the trails telling the assholes with dogs to take their bags of shit with them	6/12/2019 12:40 PM
379	Please help us stop 5g	6/12/2019 10:42 AM
380	Build signs for homeless that share resources like DVSAS, opportunity council, other resources for them. Find places for homeless to shower and help redirect them instead of limiting bathroom hours and locking them so much.	6/12/2019 10:27 AM

381	We love Bellingham Parks! It would be fabulous if there were a community pool on the downtown side of the freeway. When you try to travel by bike or bus, Arne Hanna feels like it's on the other side of a mountain pass. Also it would be fabulous if there were some sort of outdoor community pool that was not private.	6/12/2019 10:22 AM
382	We have very much enjoyed the Elizabeth Park and Boulevard Park summer concerts. Also, please plant more large trees and replace any trees that have been removed.	6/12/2019 9:48 AM
383	Thank you for giving our city beautiful parks! We enjoy the parks and trails everyday!	6/12/2019 9:46 AM
384	Thank you for adding to the glory that comes with living here.	6/12/2019 9:46 AM
385	Thank you for all you do. The best part about our city are the parks.	6/12/2019 9:35 AM
386	I wish there was more on the North side of Bellingham. We really don't like having to always go so far for a park or other place. And a pool would be so wonderful.	6/12/2019 9:00 AM
387	I used to take my grandchildren to the outdoor water parks. Sad to see them go. Imagine upkeep is difficult, but they were sure used.	6/12/2019 8:55 AM
388	Thank you for your terrific work! We have an amazing park system.	6/12/2019 8:01 AM
389	Keep the homeless off the areas	6/12/2019 7:41 AM

391	New pool !	6/12/2019 7:33 AM
392	I really appreciate your work!! And I would live more off leash hiking spots.	6/12/2019 7:19 AM
393	Thanks for creating spaces for our family to have fun, be outside and be together. Keep up the great work!	6/12/2019 7:14 AM
394	I love the trail systems!!!	6/12/2019 7:12 AM
395	Nope	6/12/2019 6:53 AM
396	Safe areas, clean restrooms, and an affordable pool!!!	6/12/2019 6:32 AM
397	We need a new pool! A community pool like those found toward Seattle or Vancouver is badly needed. An outdoor public pool would be great too as now most people don't have the means to purchase memberships to the two swim clubs in town.	6/12/2019 6:16 AM
398	Thank you for helping make Bellingham such a beautiful, livable community!	6/12/2019 6:12 AM
399	Thank you ♥	6/12/2019 6:08 AM
400	Great work!	6/12/2019 2:47 AM
401	A set of stairs should be built connecting the upper trail that leads down to little squalicum beach and the grassy off leash area below BTC. There is a slope with a worn foot path that is pretty steep and sketchy and someone is bound to get hurt there. A set of stairs making it a real access would be so nice!	6/11/2019 11:51 PM
402	Thank you.	6/11/2019 11:10 PM
403	More trash / recycling cans - I'm sick and tired of picking up other peoples litter.	6/11/2019 10:43 PM
404	I feel strongly that Parks & Rec should NOT EVER close parks for private events. If someone wants to rent an area of the park, or a pavilion or whatever, great, but the public should always have access to these parks. I heard of several instances at Boulevard Park where private events too priority. That just isn't right.	6/11/2019 10:22 PM
405	More dog off-leash areas :)	6/11/2019 9:39 PM
406	I love our beautiful parks with their beautiful trees. Thank you for maintaining these spaces.	6/11/2019 9:34 PM
407	I think we need another swimming pool. I swim laps at arne hanna, its always very busy	6/11/2019 9:29 PM
408	Thank you for all that you do!	6/11/2019 9:27 PM
409	Thanks! You are great!	6/11/2019 9:23 PM

416	More bike and pedestrian trails so we can stay off the roads as much as possible	6/11/2019 8:15 PM
417	Love you all, thank you for your hard work. It shows.	6/11/2019 8:13 PM
418	New pool and more advanced aquatics program!!!	6/11/2019 8:02 PM
419	Y'all are great. Keep it up!	6/11/2019 7:53 PM
420	Lance Romo is a crack up	6/11/2019 7:48 PM
421	I wish we had more trash cans along popular trails within the city. So many people bag their dog poop but don't throw it away! I think more trash cans along the trails could solve this and decrease litter in general. Especially needed along Whatcom Creek Trail.	6/11/2019 7:47 PM
422	You're doing great!	6/11/2019 7:46 PM
423	A new, saltwater, public pool.	6/11/2019 7:37 PM
424	parks are a waste of taxpayer money and land that could be developed	6/11/2019 7:34 PM
425	We really appreciate all of your work! We love the parks.	6/11/2019 7:33 PM

435	Thanks!	6/11/2019 6:07 PM
436	More water play areas to create less chaos at the ones already provided and a few more smaller pump tracks where the beginners aren't overwhelm by the teens and adults	6/11/2019 5:59 PM
437	Thank you!	6/11/2019 5:31 PM
438	Overall, Parks and Rec in Bham is doing an amazing job. My husband use to work there which gave our family a unique perspective on what staff go through in maintaining our current parks and facilities. Such high respect the men and women doing this important work.	6/11/2019 5:27 PM
439	No	6/11/2019 5:06 PM
440	A better pool and water play facility that is not run by the YMCA. I believe it should be a public space - like all parks - run by the city. I really think if you build an olympic size pool, there would be opportunities for some money making events for the community - as well as an great facility a community that is surrounded by water and filled with athletes. "If you build it, they will come!"	6/11/2019 4:48 PM
441	We desperately need a pool. One of the high-concept, beautiful pools in Vancouver would be a great model--facilities for kids, plenty of lap lanes for adults, areas for water aerobics and a dive tank. We have those things, but not enough of them, and they conflict so often. The kiddie pool is small and hellishly crowded.	6/11/2019 4:17 PM
442	I am glad to hear the Y may move. A renovation to Arne Hanna is much needed in a community as large as ours.	6/11/2019 2:39 PM

443	We would love a bigger and better pool with more hours of free swimming all year long. It would be a huge deal to our family and to many that we know.	6/11/2019 2:38 PM
444	I strongly feel the city needs to create a plan to better accommodate and support youth sports. The City of Ferndale has found a way to serve the community and encourage kids being active by providing easy access to quality fields and facilities. While Bellingham as a larger city faces different challenge, I believe we must build more athletic fields and upgrade our existing ones, especially baseball diamonds. Building a baseball facility, much like Conoco Phillips fields in Ferndale, would be amazing for this community. Competition between baseball and soccer groups is already fierce, and with lacrosse, rugby, and others growing, this will only get worse. I would love to see the city prioritize kids by giving youth sports organizations AFFORDABLE access to quality facilities for their kids.	6/11/2019 2:02 PM
445	I would like to see improvements at Maritime Heritage Park too many homeless in garbage	6/11/2019 1:52 PM

450	Your doing an great job on our parks as our city grows! Thank you for listening and making sure we have these parks for our future!	6/11/2019 12:52 PM
451	An outdoor pool would be dreamy! And a nice, long thru-trail that people could walk and bike from north Bellingham all the way to Fairhaven.	6/11/2019 11:52 AM
452	1. I don't approve of the city's use of Greenway levy funds for building up existing parks/facilities... The city should focus these funds on park and open space land acquisition and trail projects, as intended. 2. Thank you for all of your hard work!!	6/11/2019 11:50 AM
453	More bike lanes please! And a new pool!	6/11/2019 11:42 AM
454	Figure out how to keep homeless camps out of Maritime Heritage, or close it. Figure out a way to enforce leash laws, or close the parks which attract off leash dogs.	6/11/2019 10:36 AM
455	Great job guys!	6/11/2019 10:15 AM

457	More teen activities.	6/11/2019 8:37 AM
458	we need more maintenance	6/11/2019 6:40 AM
459	The large amount of goose poop at Bloedel Donovan Park is disgusting. I remember a cleaner park in the 90's and 00's. The bathrooms at Depot Market Square need to be cleaned more often.	6/11/2019 2:42 AM
460	Keep up the good work!!	6/10/2019 10:48 PM
461	More swimming pools	6/10/2019 10:17 PM
462	We are in desperate need of more pool space. Frequently there are 6-7 people to a lane when I go swimming in the mornings. It's entirely too crowded.	6/10/2019 9:13 PM
463	The Galbraith trail system is wonderful, however the deforestation is alarmingly sad. These trails are very important to many residents of Bellingham and Whatcom County. If there is anyway possible to reduce the logging on Galbraith Mountain, many trail loving residents would be very grateful. I would also love to see more trails developed on Stewart Mountain and Lookout Mountain Preserve for both biking and hiking.	6/10/2019 9:05 PM
464	Thanks for making Bellingham a great place to live!	6/10/2019 7:04 PM
465	Thank you for all your work!	6/10/2019 6:43 PM
466	nope - thanks!!	6/10/2019 5:45 PM
467	Please, Bellingham absolutely needs a new skatepark. The current skatepark at Civic is out of date. More new skateparks would bring in new tourism just like the mountain bike trails have. The dirt jumps could also use more attention, maybe a better location that is shaded so the dirt won't dry out. Lights for both the skatepark and jumps would be a huge upgrade as well for this community's recreational potential.	6/10/2019 3:29 PM
468	wish I could use the parks and trails more but access is difficult unless you have a car	6/10/2019 1:45 PM

475	I love and appreciate Bellingham's draw for mountain biking. So seeing more work done by bellingham to benefit that would be great. It will help our tourism, business, and physical wellness spheres.	6/10/2019 8:53 AM
476	I'd like to see the City Council increase the Parks budget so that you can acquire more land, especially in the areas to the north where we're seeing plans for more development	6/10/2019 8:46 AM
477	Thank you for all your hard work	6/10/2019 8:42 AM
478	Thanks for keeping our city beautiful!	6/9/2019 9:04 PM
479	tennis courts need to be upgraded and a putting green at cornwall park or another park would be great	6/9/2019 8:36 PM
480	Galbraith mountain has become a destination for bikers from all over the west coast. We need to provide a place for people to park so they can visit and ride the mountain . Right now the parking lot is creating a dangerous situation on Old Samish Way due to people parking all along the street. I'm concerned a biker will be hit by a car traveling fast on that road. We have two children who participate in March NW camps and Flying Squirrels riding programs through the WMBC. Its difficult to safely cross that road to Galbraith Lane with 30 little girls on bikes. Please consider what this community has been asking for. Provide a safe parking lot for visitors of Galbraith Mtn. Bellingham benefits greatly when tourists come to ride bikes. Lets make our trails awesome so people have public restrooms and parking in order to keep them out of locals driveways and keep people from pooping in the woods.	6/9/2019 4:25 PM
481	For the parking lot on Padden side of Galbraith mtn that is going to be built, it would be nice to have a changing area, rest room, and maybe bike wash/ hose off area.	6/9/2019 11:56 AM
482	Letting people live in our parks makes them unsafe. More attention should be paid to preservation of habitat, less to construction projects and paving.	6/9/2019 10:46 AM
483	Thank you for everything you do for our wonderful community.	6/9/2019 10:43 AM
484	I feel fortunate to live here with so many recreation opportunities. I hope they can be maintained and increased in the future!	6/9/2019 8:52 AM

491	More parks and trails please	6/8/2019 11:40 AM
492	Increased garbage cans at parks and trail heads.	6/8/2019 10:54 AM
493	I like the neighborhood pimp track at Whatcom Falls. We need more of those. Also to it would be good to move the dirt jump park to an area that is more protected from the sun and the wind. And of course, more mtb trails. Plus restrooms or sani-cans that are accessible to riders.	6/8/2019 10:53 AM
494	We retired to Bellingham because of the trails & open spaces. Now there is quite a bit of new development and the parks, trails, and open spaces are even more important. Thank you -	6/8/2019 9:35 AM

497	In my opinion you all are doing a great job. The parks and trails in and around Bellingham are one of the extremely essential assets to living here.	6/8/2019 8:34 AM
498	Thank you so much to Bham P&R - your efforts make this an absolutely magical place to live and I'm so grateful for this service!!!	6/7/2019 11:11 PM
499	We love our parks but wish some of the playgrounds could be updated or have features that don't break. Would like to see A community center or events center somewhere! Do more things like concert at the stadium a few weeks back.	6/7/2019 9:56 PM
500	I grew up here and played at Cornwall Park back when the "dangerous" playground equipment was there. Parks had summer activities for kids. I learned to swim at Bloedel. Currently we use Lake Padden and Galbraith Mountain trails near our home and occasionally Whatcom Falls. Thanks for a wonderful parks system. And, thank-you for Galbraith. The trails are right up the road from us.	6/7/2019 8:31 PM
501	Disappointing to see how Galbraith has evolved into a zoo for over use and increased logging activity after the "acquisition" of rights to the property. It appears to be out of control and has permanently altered the character of the trails. More areas are needed that are not "secret" to diversify and spread out the amount of riders (this known to be in work but more priority is needed). More effort is also needed to preserve "green areas" around legacy trails in the Galbraith area. A few hundred out of 1,500,000 trees is not a big ask to leave alone. Yes they will grow back in 50 years but the adult users of today will be mostly dead.	6/7/2019 8:16 PM
502	I have a huge crush on you and all the work you guys do!	6/7/2019 6:35 PM
503	Thank you for all that you do. Your staff is amazing, and I love this town because all that you do. Let's work together to make it better.	6/7/2019 6:15 PM

505	keep homeless out of parks!	6/7/2019 5:37 PM
506	Keep on protecting or valuable land	6/7/2019 4:06 PM
507	it seems like budget for new construction and maintenance good be better utilized if the parks department did away with managing their own construction projects (leave that to public works...duplicating services is wasteful) and focused on planning, design and maintenance.	6/7/2019 3:44 PM
508	99% of my park use is Galbraith Mtn. for mountain biking and gravel trails for road biking/commuting.	6/7/2019 3:36 PM
509	I've worked with Lance in putting on events in the Bellingham parks and he is so helpful and great to work with!	6/7/2019 3:22 PM
510	Thank you! The parks here are wonderful, and I feel so grateful to live here with such beautiful places.	6/7/2019 3:07 PM
511	Preserving natural, open spaces while we still have a few is very important. Example: create a Great Blue Heron reserve for the colony at Post Point. Hardly any maintenance needed and everyone enjoys, especially once we install a bird cam!	6/7/2019 2:59 PM
512	Should have bought Galbraith sold the timber ourselves to manage it. It would have been a far better for the community/water/habitat in the long run.	6/7/2019 2:41 PM
513	thank you for keeping our parks clean and safe	6/7/2019 2:30 PM
514	If the City keeps misusing the Greenways funds for purposes it was not intended for, I will strongly advocate against re-authorizing it when it comes up again.	6/7/2019 2:22 PM

519	Stoked that the Galbraith Easement passed and that our playground has expanded. Continue to work on improving access to the mountain, improving the parking situation, perhaps get parking on the mountain. Would love to see more skills zones and pump tracks in neighborhood parks. As a parent, having lifeguards and swimming docks at Lake Padden and Blodel again would make me feel like the area is safer for kids. Keep E-bikes off of Galbraith please. Keep working with local non-profits and find creative ways to get the community involved in taking care of their parks. If there is another major concern at Civic Field, can the stage face west to re-direct the noise?	6/7/2019 1:57 PM
520	Generally, Bham Parks is doing a great job.	6/7/2019 1:57 PM
521	Cordata needs some sort of trail/bike path connection to the rest of the town. Something that bypasses the mall and highway safely.	6/7/2019 1:52 PM
522	Keep up the great work! I love all our parks and how there are so many trails that connect them and allow you to run through 3 or more just on one outing.	6/7/2019 1:44 PM
523	Thank you for having so many outdoor spaces to enjoy!	6/7/2019 1:44 PM
524	Parking for Galbraith	6/7/2019 1:40 PM
525	We had a family friend rent the Lake Padden park pavilion recently with the construction going on. They paid for the pavilion space but there were NO bathrooms available and they were not aware this was going to be the situations. It was very difficult to have a birthday party and be at the park for a couple of hours without a bathroom accessible.	6/7/2019 12:40 PM
526	You're doing a great job. Keep supporting things that get youth outside!	6/7/2019 12:27 PM
527	Thanks for all of your hard work to make Bellingham a special place to live. Note: I live just outside of the city limits in the county	6/7/2019 11:18 AM
528	The Arne Hanna Aquatic Center has been overrun with public classes and attendance as well as with the needs of high school swim teams. I know this is a major investment but with the proper planning for long term use and gains, it can serve as the leading (and only) aquatic center for all of Whatcom County. The next quality aquatic center is either Snohomish or Canada. Ferndale, Blaine and Meridian have no swimming facilities. Lynden desperately needs an upgrade. A new aquatic center that includes a competition pool could draw the interest and revenue of many high school teams as well as year round events and meets for other organizations, swim clubs, Special Olympics, etc.	6/7/2019 10:46 AM
529	u suck	6/7/2019 9:31 AM
530	Thank you for making this area beautiful.	6/7/2019 8:56 AM
531	Pump track on 40th & Dumas St!	6/7/2019 8:40 AM
532	I think i said enough...people live here for the trails and parks and lifestyle...but eventually we are costing out the lower income and middle class with too much. Start to think about cost management and enhancement not "more" all the time. remember...every time we take land out of the private sector we lose the taxable revenue that the city operates on and we burden the tax payers. This burden is driving out our working class people. Thanks for listening!	6/7/2019 8:31 AM
533	Security at trail heads and parking lots....to prevent automobile break ins.	6/7/2019 7:04 AM
534	No thank you	6/7/2019 6:56 AM
535	No	6/7/2019 6:54 AM
536	Bellingham needs a larger pool. We also need better parking for mountain bike/hiking trails.	6/6/2019 10:51 PM
537	Stop focusing so much on recreation and create parks that are also valuable habitat. Grassy developed parks require more maintenance and are poor habitat. Also more acquisitions of valuable properties using Greenways money.	6/6/2019 10:49 PM
538	Bravo! We have the BEST parks and programming of any place that I have ever lived. I love our trails and bike or hike on them daily. Thank you!!	6/6/2019 10:39 PM
539	Keep growing, especially where there are more kids, like in the north. New pump track rumors have me excited for Birchwood Park. Lots of youth within walking /biking distance of there, and the park isn't captivating enough as is.	6/6/2019 10:32 PM
540	Way to go! Thanks so much for preserving these beautiful areas!	6/6/2019 10:27 PM

541	My child loves all the parks around town, but parking is a big issue for us especially at boulevard park. We don't go there as much cause the lack of parking and it's always full!	6/6/2019 10:13 PM

546	I love Bellingham, you are doing a great job but I guess it can always improve.	6/6/2019 6:53 PM
547	More safe ways to the parks not on the roads for kids	6/6/2019 6:49 PM
548	The Arne Hanna aquatic center needs to be of high priority for updating and rebuilding. It's a disgraceful facility considering our population size and family centered values.	6/6/2019 6:48 PM
549	Safer access to biking trails for kids. Bike trail development in 100 acre woods.	6/6/2019 6:08 PM
550	More access areas to the lake would be nice	6/6/2019 5:30 PM
551	Trying to balance all of the needs of our outdoor community is hard. Mt. Biking and trail running are exploding on Chuckanut and Galbriath. So far the groups are coexisting and supporting each other. As well as many people participate in both activities. I do see some concerns as the Mts. become more populated. Traffic on Cleator is increasing as Bikers shuttle to the top. Some of the cross over trails from Double Black Diamond, Chin Scraper, and the Rock Trail have become concerning. (I have had some near misses with bikes barreling down) Growth of Galbraith has made the need for the parking Lot expansion a must for safely of drivers and bikers.	6/6/2019 5:24 PM
552	I am a dog owner...because of the off leash uncontrolled dogs on the main trail I can no longer walk my dog except mid mornings at Lake Padden. I've called the parks department and have been given a ridiculous assortment of answers about who is responsible for enforcement. I hope we don't have to wait until a kid is pulled off a bike and injured by a "it's ok he's friendly" unleashed dog.	6/6/2019 4:35 PM
553	Galbraith is amazing place and happy that city purchased it. Now it needs parking. Our trail system is a treasure and I use it all the time, most everyday.	6/6/2019 2:55 PM
554	Keep doing a great job of helping us get ourselves & kids outdoors as much as possible. Thank you!	6/6/2019 2:53 PM
555	More bike paths to go to parks such as Stimpson and lookout and yew street to get to Padden. They have bus access, but should also have bike access. Many neighborhoods are close to these Parks and people could bike there and not drive if there were bike paths.	6/6/2019 12:24 PM
556	Better trail connection is needed! More space for people with bikes! Especially yew street hill area. No acid balls, spend money on outdoor recreation!	6/6/2019 11:56 AM
557	You have a HUGE number of people in this town & outside of town coming to recreate on bikes. Please support these users with budget & facilities, the current situation on Samish way is a lawsuit waiting to happen.	6/6/2019 11:21 AM
558	More bike trails. more, not just on Galbraith.	6/6/2019 10:37 AM
559	As stated before, being an owner of one of the many bike shops here in Bellingham, we see a huge amount of tourists who come to Bellingham specifically to ride challenging trails (black diamond and double black diamond), although many of the new trails being constructed are built extremely smooth without many challenging features. I'm sure the entire Bellingham mountain bike community would agree on this as well. Mostly all of these tourists come from another area in the USA, where the terrain in British Columbia is extremely enticing since they have many rough, challenging trails. We often see people passing through on their way to BC that don't even ride in Bellingham because they are aware that we have mostly flow trails, and they would rather keep on moving North to ride more challenging trails. This would enhance the retention of tourism, rather than most of the crowd staying here just an afternoon or just passing through entirely.	6/6/2019 9:52 AM
560	Thank you for all the hard work and dedication! Bellingham is a wonderful place to live in large part to your hard .	6/6/2019 9:23 AM
561	I live in bellingham because of the great access to the outdoors, thank you for all the hard work, keep expanding the access and options with the great asset you are stewards of. Cheers.	6/6/2019 8:43 AM

562	Make more places like Galbraith	6/6/2019 8:43 AM
563	<p>why oh why are mountain bikers paying for a parking lot on galbraith lane??? we as a user group already provide all of the labor for building and maintaining galbraith and now we are being held hostage for a parking lot. the city invested in this rec easement and is now pushing its responsibility to provide safe access to the one user group that actually adds value to this "city park". it's embarrassing. I'm deep in the mtb industry and have contacts that lead trail advocacy all over the place and every time i mention that our group is paying for a city parking lot, the reply is bewilderment and anger. the very fact that we are doing this is damaging to all the other efforts for trail advocacy around the usa/canada and i know for one i will do my best to NOT let the world know about this as it's just not the right way forward. It's time the city recognizes the value our user group brings to the city. i live here and employ 20 people that are here ONLY for the mountain biking. we all support local business (the businesses that are worth supporting), take care of our environment, and invest in our recreation through dollars and more importantly our time. It's a slap in the face to be expected to pay for a city park parking lot. how many in-city parks offering dated sports has the city built and then turned around and stuck the neighborhood residents with paying for those facilities? i would venture to say this doesn't happen, as it shouldn't. i would venture to say that our user group has far greater positive economic impact on our city than any other recreational activity here, so why are we not being taken seriously? meanwhile, the city has a massive drug epidemic that is pulling in people from all over the place, making for an ugly and unsafe city...and this problem is not being dealt with correctly. it's embarrassing. in the course of my business, we bring many people to bellingham and frankly i'm getting tired of explaining that part of our city to out of towners. we need to focus on clean healthy activities that span generations (and mountain biking is one of the few activities that can accommodate ages 4 through 80) and we can't fully do that without first making a safe environment in town where the people live. don't you dare invest in more downtown park space that only serves the degenerates of our town.</p>	6/6/2019 8:35 AM
564	This community is worthy of a better pool/aquatic system. It's a shame that you can drive 20 minutes north into canada to for an aquatic center that's an order of magnitude better for half the price. A long hard look needs to be taken at how the facility is managed, what services it provides, and how it can be expanded to meet demand.	6/6/2019 8:24 AM
565	Keep up the park/open space ratio as we grow. As well as developed parks the north end needs a huge natural space with good habitat for enjoying nature. That would be wonderful to restore that for humans as well as flora/fauna!	6/6/2019 8:10 AM
566	Keep it up - well-done!	6/6/2019 7:58 AM
567	Need another pool. AH is over-capacity particularly in the early mornings.	6/6/2019 7:17 AM
568	Our community needs to get more dense and we should focus on maintaining and improving existing park facilities instead of buying so much land for parks that just sit undeveloped. The city should also look at more urban forms of park facilities like chess tables, ping pong tables (Seattle), places to sit (more than benches) with small areas of vegetation, and art features are some examples. I do think more trails would be good but they don't all have to be massive swaths of green, the old town trail works just great. I think having more eating and drinking businesses in our parks wood be great too. Let's focus on maintaining and improving our existing park facilities first and foremost! Thank you for the opportunity to comment!	6/6/2019 12:00 AM
569	Like I said before, Phillips 66 soccer fields need some attention. The Ranger's field is beautiful while the rec leagues have patchy grass and unsafe terrain.	6/5/2019 9:23 PM
570	Thanks to the park crew!	6/5/2019 9:10 PM
571	I drive up there from Marysville because the parks and trails are so good, and people are friendly.	6/5/2019 9:06 PM
572	Please supply water and covered area for shade and rain to the dog park by the waste treatment center	6/5/2019 7:43 PM
573	Don't cut down on parks, they are important for community	6/5/2019 7:01 PM

576	They do a great job - my compliments and keep up the good work. One more comment - when will the new boardwalk along the bay be constructed connecting Boulevard and the future park where I believe the old dump was located? Also, it sure would be nice to eventually have some kind of trail system from Boulevard park to the water front - perhaps coordination could be done with the Port to create such a trail that's away from roads to the extent possible - such a trail could eventually connect Boulevard Park to Squalicum Park	6/5/2019 5:52 PM

584	I love my City's Parks and Rec Department!	6/5/2019 2:51 PM
585	Great job guys!	6/5/2019 2:33 PM

587	Provide a safe covered Pickleball destination and continue to improve public safety in our parks and on our trails.	6/5/2019 1:46 PM
588	I understand that pools are expensive, but our pool is inadequate for the communities needs. Please do not shift ownership of the aquatic center to the YMCA. They are notoriously anti-swim team and will mismanage the use of the existing pool while waiting to 'eventually' build a new one.	6/5/2019 1:34 PM
589	Thank you for all your hard work every day (I'm referring to staff at all levels), and thank you for playing such a big role in making Bellingham such a wonderful place to live!	6/5/2019 1:25 PM

592	lets put in a mile of singletrack at cornwall park!	6/5/2019 11:54 AM
593	Addressing dog poop is important for water quality, especially at Lake Padden. More intervention like signs, culture of community "policing", etc is needed. More BBQ/out door cooking infrastructure and recreational fir pits too. Thanks for the survey opportunity!	6/5/2019 11:50 AM
594	Thanks for everything you do!!! Bellingham is an amazing town with awesome resources and great people who get things done.	6/5/2019 11:38 AM
595	The parks are beautiful but there seems to be a lot of litter around. More garbage and recycling bins may be helpful.	6/5/2019 11:32 AM
596	Keep up the good work!	6/5/2019 11:32 AM
597	It's a great collection of parks that gets me out of the house every day throughout the year - thanks everybody!	6/5/2019 11:18 AM
598	Thank you for everything that the park staff does everyday, all year long.	6/5/2019 11:18 AM
599	We need a master plan for the Chuckanut Community Forest	6/5/2019 11:10 AM
600	Please buy more land to make into natural open spaces. Not manicured lawns.	6/5/2019 10:57 AM
601	Thank you for all that you do! (I wish you were paid better)	6/5/2019 10:45 AM
602	Thank you for all you do!	6/5/2019 10:44 AM
603	Better enforcement of dog leash areas and dog owners having more places to take care of their poop. I can't tell you how many times, I have had a dog owner yelling at me that their dog is friendly as it comes running up to me off leash in an on leash area.	6/5/2019 10:44 AM
604	Ya'll are awesome! Keep up the good work and thank you for all that you do!	6/5/2019 10:39 AM

605	More parking for Galbraith	6/5/2019 10:35 AM
606	Stop dumbing down the expert mountain bike trails. There is plenty of easier riding to be had on Galbraith. The expert trails brings tourism to the area. Cheers! Just like Squamish and Whistler.	6/5/2019 10:33 AM
607	More bike trails, this is our chance to setup our town and community for the next few decades to make this the ultimate bike experience within driving distance of Whistler. Global destination of Whistle and hundreds of thousands of people traveling through Bellingham on I5 need reasons to stop here, not pass through. Bikes bikes bikes! They are quiet, fun and healthy.	6/5/2019 10:32 AM
608	Thank you!!!	6/5/2019 10:27 AM
609	We have a great parks system. Outstanding! Thank you.	6/5/2019 10:25 AM
610	I grew up in Bellingham and enjoyed summers in P&R youth programs. I have friends that were able to escape very bad home situations for a while by partaking in programs led by people like Dick Henrie. I don't see as much of this today, despite having children. Those programs mattered a lot, and made a big difference in a lot of kids' lives.	6/5/2019 10:02 AM
611	We truly need another pool to meet the needs of this community. If done correctly can be amazing. Kelowna has a pool facility with water slides, wave pool, 50 m lanes that change to 25m when needed. And everyone is able to work together to fill all needs, from masters swimming groups, HS swim, club swim and just open swim time and lessons. There are ways to make it better, I've seen it done, takes research and a want because there is a need. Also I'm tired of hearing that it is needed, it is!	6/5/2019 10:00 AM
612	Pump tracks in more parks would be good. Improved access to Galbraith that don't clog up neighborhoods. More trails at lake Padden and Whatcom falls.	6/5/2019 9:56 AM
613	You guys are doing a great job. Bellingham would not be Bellingham without all of it's fantastic outdoor spaces and community. ☺	6/5/2019 9:52 AM
614	It seems that there are very few programs for children. Maybe other agencies pick up the slack. I don't know. However, I would think that the city would be more interested in providing equitable access for youth. Thank you	6/5/2019 9:45 AM
615	Your staff needs to be commended. I've been a part of Run Like a Girl for many years. Mark is always there early, explains things clearly, and always kind. Oh, and Lance does a great job too. I haven't met the entire Park & Rec Team, but everyone I have met is professional and kind. Thanks for all you do for our community!	6/5/2019 9:42 AM
616	Keep up the good work!	6/5/2019 9:38 AM
617	Thank you for continuing to make Bellingham a lovely town with outside areas	6/5/2019 9:19 AM
618	Thank you! Keep adding green space and parks! More park options for infant-4 year olds. More neighborhood parks please before infill takes all possibilities.	6/5/2019 9:04 AM
619	Another pool is necessary.	6/5/2019 8:49 AM
620	Keep it up!	6/5/2019 8:45 AM
621	Love open space. Overall love all our natural outdoor areas. Need an Olympic sized pool and a nice indoor fun place like British Columbia has in every town!	6/5/2019 8:37 AM
622	Keep up the good work	6/5/2019 8:13 AM
623	Galbraith needs a bigger parking lot. Intersection along Meridian and Northwest need more Hawks. Hawks need cameras to catch non-compliant motorists.	6/5/2019 8:06 AM
624	So appreciate the trail system	6/5/2019 7:56 AM
625	Generally they do a great job but are spread too thin given the vast amount of large scale properties.	6/5/2019 7:42 AM
626	Good job. Keep greenways trails and improve connectivity for off-street commuters.	6/5/2019 7:37 AM
627	Please expand the trails around the Highlands 2 development-there will be 45 more homes going up and we need more trails!	6/5/2019 7:17 AM
628	Did I mention leash enforcement? Thank. you all for your hard work!	6/5/2019 7:08 AM
629	Nice job overall.	6/5/2019 6:59 AM

631	Please post larger signage designating the toddler/preschool swings and play equipment at Whatcom Falls for YOUNG children. Two and three year olds are getting plowed over.	6/5/2019 5:12 AM
632	In bellingham where we are surrounded by lakes and a bay, we need our community to be comfortable in and around water. We need swimming lessons in our schools and affordable and available for all. We need more pool space and programming.	6/5/2019 4:53 AM
633	Thank You!	6/5/2019 2:25 AM
634	Keep up the good work. So h.appy that Greenways has enlarged and enhanced our park areas. We have some incredible gems like Boulevard park and Woodstock Farm. Thank you	6/5/2019 12:51 AM
635	More restroom facilities are needed at Whatcom Falls Park and perhaps Squalicum Creek Park. Our parks are being used almost to full capacity on summer days. There are lines outside of the 3 bathrooms at Whatcom Falls. Reinstating the "old restrooms" at Whatcom is an easy fix. Building a new one near the water treatment facility in the off leash area is another, and near the entrance to the park near Alabama and Electric. Given the size of the park and the number of people using it, the current restroom facilities are not up to par. Keep addressing the needs of Cornwall Park and perhaps increase the usage of the Broadway green spaces.	6/5/2019 12:21 AM
636	Maybe cameras and lights would help at the small parks. For Rock Hill Park, a concrete wall instead of the chain link fence that is always damaged, and maybe something like a picnic area or tennis court to encourage use of the back half would help.	6/4/2019 11:22 PM
637	More single track trails	6/4/2019 11:20 PM
638	Keep up the good work! We all appreciate what you do.	6/4/2019 10:48 PM
639	Get the homeless out of the parks	6/4/2019 10:45 PM
640	well maintained, inviting, accommodating , innovative are words that i would use to describe our parks. I think we citizens should feel great pride in the vision shown by many in developing our parks.	6/4/2019 10:42 PM
641	Thank you for caring and being good stewards of all of our space. I would like all of Bellingham to know where to get information about P and R programs, events, volunteer opprotunities. In my opinion, parks are an excellent place to start and grow community. I would love a second swimming pool facility in North Bellingham, although I can only imagine the challenges both budgetary and logistical with this request. Keep up the good work. You are appreciated.	6/4/2019 10:42 PM
642	Yes. We have a remarkable park system managed by a remarkable group of employees.	6/4/2019 10:40 PM
643	The parks are fabulously maintained! Love Whatcom Falls Park and all the local planting	6/4/2019 10:37 PM
644	You need to maintain the parks we have instead of focusing on creating new parks. All too often, we feel our parks are unkept.	6/4/2019 10:26 PM
645	We used to go to Cornwall park a lot. Then some very aggressive people were allowed to park their RV there over night for a very extended period of time. We haven't been back in about a year because of this.	6/4/2019 10:04 PM
646	Share info with WWU Huxley students and develop a strong partnership	6/4/2019 9:53 PM
647	give Lance Romo a raise	6/4/2019 9:53 PM
648	So grateful for our parks & the people who care/maintain them. We're so fortunate!	6/4/2019 9:53 PM
649	I appreciate all of hard work of stAff members and volunteers!	6/4/2019 9:52 PM
650	Tell Lance I said Hi	6/4/2019 9:49 PM
651	You guys make this city our home. Without your department being as high quality as it is, this city would be a very different place. I really think that. Thank you.	6/4/2019 9:43 PM
652	Unregulated off-lease dogs, bagged but improperly discarded dog waste, and privacy-invading personal drones are a barrier to enjoying the parks.	6/4/2019 9:41 PM
653	Please provide more garbage cans	6/4/2019 9:21 PM
654	Thanks for asking. Greenways is all that stands between us and nastier cities to the south of us. Protect. Preserve and add, where possible, to this treasure.	6/4/2019 9:05 PM
655	Thank you for your amazing work. The parks in this community are one of the biggest reasons my family's quality of life is so great.	6/4/2019 9:02 PM

656	Do not sell the pool to the YMCA!	6/4/2019 9:00 PM
657	It would be great to have connecting trails from the cemetery/Whatcom falls area to Galbraith!	6/4/2019 8:55 PM
658	Great department. Only problem I can think of is that the pool locker room floors need more , better cleaning.	6/4/2019 8:52 PM
659	Thanks for all your unsung hard work. City employees don't get enough credit for their efforts.	6/4/2019 8:51 PM
660	You folks do brilliant work, keep it up, building on it, keep people first. Thank you thank you.	6/4/2019 8:42 PM
661	People drive to Canada to get to a nice pool facility--we should have one here!	6/4/2019 8:41 PM
662	Thank you for your hard work keeping Bham awesome. Wish I lived in the city, but the county will have to do :)	6/4/2019 8:39 PM
663	Great job. Trails and open space help make Bellingham so accessible.	6/4/2019 8:39 PM
664	The City has made it very clear through their actions that they do not care about aquatics which is irresponsible and not fair to the community. The City needs to step up and lead in getting another pool built with public access. Don'y just give it to the Y , who has no real experience managing a pool like AHAC or larger.	6/4/2019 8:38 PM
665	No.	6/4/2019 8:35 PM
666	Do not let the new waterfront park become seedy and needle infested. I called the cops on a couple of dudes who we t under the boardwalk to shoot up, they didn't come. Right next to the newest park, and my kid. Also, frisbee golf tends to keeps things pretty chill, as homeless people are less likely to set up shop in an area of flying discs and people walking through. The pool is an absolute mess and needs replacing. The skatepark needs a revamp with Grindline. Leon freaking rules, I've seen him be so helpful and professional in so many different situations. Thanks for a generally awesome park system. Make a paved pump track for skateboarding.	6/4/2019 8:28 PM
667	Our parks here are amazing, thank you. I would love to see more city-run events at civic field etc, the concert that was there was amazing. It was organized beautifully	6/4/2019 8:19 PM
668	Thank you for the hard work you do! Oh I forgot to suggest maybe a couple more garbage cans would be good at access points on the trails	6/4/2019 8:19 PM
669	You do a terrific job and I feel very lucky to live here so I can take advantage of all your hard work/	6/4/2019 8:17 PM
670	You guys are doing a great job, keep up the good work and let's keep expanding biking and hiking access across this great town.	6/4/2019 8:13 PM
671	Thank you!	6/4/2019 7:59 PM
672	No	6/4/2019 7:58 PM
673	Thanks for all your work to make our parks accessible!	6/4/2019 7:56 PM
674	Please add more pickleball courts, an outdoor swimming pool, and more events for kids and families	6/4/2019 7:56 PM
675	I am a recent graduate of Western and although I havent lived in Bellingham the past year I visit most weekends. The parks are something I miss the most about Bellingham. Keep up the great work! I wish other cities valued natural community spaces more.	6/4/2019 7:56 PM
676	Maintain our parks equipment. Look to other countries for equipment inspiration. Put in micro parks in more places. Require by code the installation of park space, benches and playgrounds for every new development.	6/4/2019 7:54 PM
677	Public parks and recreation are an important factor in Bellingham's quality of life. Especially considering the high rent in Bellingham. Thank you for all you do.	6/4/2019 7:44 PM
678	We really do need another pool. Arne Hanna is too crowded and there is simply not enough space for all the needs it is trying to serve. Also, how many pump tracks does one town need? Why is there only one skate park and a proposed 4 or 5 pump tracks?	6/4/2019 7:44 PM
679	We are very proud our our city's parks and thank you for managing them so well.	6/4/2019 7:36 PM
680	Thank you for what you do for the city! The hard work is very much appreciated.	6/4/2019 7:35 PM

681	I'd like to see better police presence in parks like Cornwall...where there have been very aggressive individuals And more follow through with dog off leash and on leash areas. Having dogs off leash throughout the entire park makes it very difficult for owners of small dogs and leash aggressive dogs	6/4/2019 7:34 PM
682	Yes! My wife and feel very lucky to live in Bellingham. The parks and trails are a big part of that. Thank you!	6/4/2019 7:33 PM
683	Keep up the good work	6/4/2019 7:29 PM
684	Doing a good job.	6/4/2019 6:58 PM
685	I would recommend pursuing additional natural space and trails linking to same, and providing community access to popular activities such as biking, hiking, and disc golf	6/4/2019 6:48 PM
686	Additional pool	6/4/2019 6:37 PM
687	Even though Whatcom Falls Park sees lots of use throughout the year, the crew does a fantastic job keeping the park in great shape. I Ride my bike in the park at least once a week year round and I live next to the park.	6/4/2019 6:29 PM
688	Kudos to Leslie Bryson and her staff for doing such a great job. The same to all the park board members past and present and to the citizens that have made all of this possible through the Greenways process.	6/4/2019 6:25 PM
689	To work further on the Bay to Baker trail	6/4/2019 6:21 PM
690	Thank you for your interest and efforts to improve! Great work.	6/4/2019 6:15 PM
691	Better parking for Gailbraith and bathrooms.	6/4/2019 6:12 PM
692	I think everyone has done a outstanding job, as my children get older I don't go to the parks, the schools go on walks to our newest park with the acid ball, that is a very good looking park.	6/4/2019 5:59 PM
693	More disc golf	6/4/2019 5:21 PM
694	We love it here and appreciate all the work the parks Dept people do!	6/4/2019 5:21 PM
695	We need a new/ bigger pool to accommodate for how many people are using Arne Hanna in the afternoons and summer time! We need more space to grow the diverse number of programs.	6/4/2019 5:18 PM
696	We need a new swimming/aquatic facility. The hours for open lane swimming are limited and Arne Hanna is old and needs to be updated	6/4/2019 5:15 PM
697	Glad you're there. I used the park system much more intensively in the 1980s and 1990s. Haven't been able to get out as much since then due to illness.	6/4/2019 4:48 PM
698	Please offer more special needs programs	6/4/2019 4:40 PM
699	Would greatly appreciate more off leash areas.	6/4/2019 4:37 PM
700	Concerts at Civic field	6/4/2019 4:36 PM
701	Parks are a major benefit to the city. I moved from a city without the parks and amenities Bellingham has. I appreciate the parks system here.	6/4/2019 4:30 PM
702	Keep up the good work, you guys!! You really deserve a bigger budget in my opinion! Thank you!!	6/4/2019 4:26 PM
703	Please enforce the no camping rule in our parks.	6/4/2019 4:14 PM
704	Are funds available to increase the staff maintaining the trees and making sure they are safe as possible in the greenbelts that are next to houses? Living next to a greenbelt should be an asset not a big worry.	6/4/2019 4:04 PM
705	Initiate more communication with neighborhoods. Maybe the Ridgemont neighborhood could have helped save some of the trees and trails along the ridge. Isn't there a partial Greenways trail up there? What is its status? Communicate with us through our neighborhood associations. Help us help you!	6/4/2019 3:51 PM
706	I really appreciate having clean and working bathrooms throughout the city!	6/4/2019 3:51 PM

709	Your care and time makes it possible for people to take a moment away and find some peace of mind and enjoyment outside of the everyday stuff. I'm very appreciative of what you do and the work it must take to get it done, so thank you!	6/4/2019 3:36 PM
710	More focus on nature, less focus on social engineering. And seriously, get out the white spray paint and start covering up the low key tags!	6/4/2019 3:34 PM
711	A city this size should have more than 1 option for disc golf. We are behind the times in this area. Please consider an 18 hole course.	6/4/2019 3:30 PM
712	Seems like you go heavy on the mountain bike interest. I would like to see space shared with everyone, not just that interest group.	6/4/2019 3:29 PM
713	Having individuals camping in Parks has deterred many from visiting and/or taking their kids to these public spaces. Bellingham Parks are one of the elements that make this place so special- I don't have any solution other than enforcing the rules that are already present. I do not admire the burden that City employees carry in making these decisions or enforcing them.	6/4/2019 3:28 PM
714	You guys are awesome. I love everything you do, and I love the way this city prioritizes green space.	6/4/2019 3:23 PM
715	The park maintenance side is doing a great job! Friendly staff, especially a guy named Andy, Mike, and I think Wayne... great park stewards	6/4/2019 3:04 PM
716	More swimming pools would be nice.	6/4/2019 2:59 PM
717	Pool facilities are inadequate in capacity. Quality is good.	6/4/2019 2:54 PM
718	The city badly needs a larger pool to accommodate the growing needs of an active community.	6/4/2019 2:52 PM
719	GARBAGE CANS!	6/4/2019 2:48 PM
720	Parks provide a similar function to a community as a healthy church, perhaps even surpassing it in design. They bring people together, and teach us to live together in harmony rather than in fear of each other. I strongly believe that the quality of a city's park system has direct effects on lowering crime rates, the charity of our community, public health, and integrating diversity. A sustainable and benevolent future starts in our homes and our communities. Heal our homes today, and we can heal the world tomorrow.	6/4/2019 2:47 PM
721	We need a larger pool facility. AHAC is a nice facility but it's too small for the number of people that use it. Pool activities are truly for all ages and in particular are appealing to children and seniors because of the ease on the body. A larger pool facility would serve the entire community rather well.	6/4/2019 2:47 PM
722	It seems like the City just doesn't care about Aquatics and wants the pool off the books. The City owes a good Aquatics program to the people of Bellingham. What we currently have is pathetic. Other smaller cities, Anacortes, Mt. Vernon, Stanwood are building new pools. Don't just push Aquatics to someone else, the city needs to lead.	6/4/2019 2:42 PM
723	Smoking weed and drinking at the parks is cool. As long as you're not homeless. Then it's weird.	6/4/2019 2:41 PM
724	Getting around by bike on the interurban trails is easy. Better signage at road crossings would be helpful. There is often right of way confusion at these areas.	6/4/2019 2:36 PM
725	Thanks for all the work keeping the trails well maintained!	6/4/2019 2:34 PM
726	I grew up in Yakima area. Between schools and city, Yakima has at least 5 public pools, for a smaller community. We have one (excluding the Y). I would like to see an additional public (not Y) pool, perhaps and outdoor or convertible (bubble) pool to complement Arne Hanna	6/4/2019 2:32 PM
727	We need to build a new at standard for competition pool for our club and team swimmers to be able to use.	6/4/2019 2:05 PM
728	The quality parks and trails are a big reason that I choose to live in Bellingham!	6/4/2019 2:04 PM
729	No	6/4/2019 1:50 PM
730	Thanks for all your work! I moved up here for the outdoors space to run and play in and it's even better than I thought it would be.	6/4/2019 1:50 PM

735	I have seen two bicycle crashes caused by friendly dogs that were off leash in the past year. Even well trained and friendly dogs should only be off leash in designated areas!	6/4/2019 1:10 PM
736	Arne Hana needs be updated- we need another pool	6/4/2019 1:09 PM

743	Thank you for maintaining the Northridge park area and silver beach trails!	6/4/2019 12:52 PM
744	Need a 50m pool. More lane space for community, lessons, and teams.	6/4/2019 12:50 PM
745	Love that the City protected Galbraith - good job!	6/4/2019 12:50 PM
746	Parks and rec do a great job making Bellingham a great place to live.	6/4/2019 12:47 PM
747	As the city continues to grow I think we need to be mindful of the parking difficulties and hopefully work on expanding parking at public spaces.	6/4/2019 12:44 PM
748	The city really needs more lane space in a pool. Every time I try to swim there are so many people trying to get in, old and young alike. Our community is lacking in water space and having more would bring money to the community for swim meets and other special events.	6/4/2019 12:37 PM
749	Accessibility is important to me, please make sure to include improvements for people with ALL abilities.	6/4/2019 12:28 PM
750	Keep up the great work!	6/4/2019 12:28 PM
751	thank you for all you do! Parks make bellingham great.	6/4/2019 12:25 PM
752	It is frustrating to hear 6.2 million being spent for a new park in Cordata when we more pressing issues. Yes the children of Cordata need a safe place to play but... There needs to be an alternative to A Maritime Park being a homeless shelter. Build a 4.0 million dollar park and use 2.0 million for the homeless.	6/4/2019 12:15 PM
753	Please protect the natural forest habitat that makes Bellingham and its trail systems so amazing. It is being clear cut in large chunks (specifically, currently Galbraith) and removing the natural ecosystem and habitats that support natural wildlife. Without the trees, the experience is far less enjoyable and the trails vulnerable and highly erodible. Thank you for caring!	6/4/2019 12:13 PM
754	It would be great if the biking trail system could be extended to have options for longer family-friendly bike tours that do not require first transporting bikes to the starting point by car. For instance, connecting the interurban trail to the railroad trail or building a continuous trail around Lake Whatcom would be fantastic.	6/4/2019 12:11 PM
755	Keep up the good work!	6/4/2019 12:00 PM
756	Emphasis on cleanliness. Lots of trash and items left behind by homeless. It's getting better but still needs more emphasis is certain neighborhoods. Overall, it's a great place to live and recreate!	6/4/2019 11:57 AM
757	Add more pump tracks Build a new pool! Build an outdoor pool Utilize padden to its fullest possibilities. There's room there! More pump tracks	6/4/2019 11:56 AM
758	I think boating on our lake should be limited. It's our source of drinking water and it's pure insanity to allow filthy boats leaking fuel/oil into the water supply.	6/4/2019 11:55 AM
759	Thank you!	6/4/2019 11:55 AM

Bellingham Parks and Recreation Community Survey

760	Please support youth programs and do all you can to make it easy for hard working volunteers giving their time to provide kids with exercise and a team and community. BCKST has been trying for years to get a safe, dry permanent facility so they can grow their youth water sports program and Parks has been unhelpful constantly moving the goal posts and changing their minds. Much time and money has been wasted.	6/4/2019 11:52 AM
761	Thank you	6/4/2019 11:50 AM
762	Please get rid of the cops. They're always harassing my friends and I when we show up to parks. We sometimes have to leave because of the harassment. Idk why cops have to monitor and harass people who are just enjoying parks	6/4/2019 11:43 AM
763	Generally a good job. Need pickle ball courts, and covered area for Padden golf to store and work on equipment..	6/4/2019 11:41 AM
764	No	6/4/2019 11:40 AM
765	Keep on being awesome. You do great work.	6/4/2019 11:23 AM
766	Thank you so much for all your hard work	6/4/2019 11:17 AM
767	Doing a great job - keep expanding, growing. This is the stuff that can make Bellingham a world class place in the years to come if done right.	6/4/2019 11:10 AM
768	Thanks for all your work. For a city of this size you all do a really nice job with what I'm sure isn't the greatest budget.	6/4/2019 11:10 AM
769	More mixed use and mtb trails	6/4/2019 11:09 AM
770	Return the Roeder Home to its original use of art classes and community rental - music etc	6/4/2019 11:05 AM
771	Thank you for making Bellingham such a wonderful place to live with such a variety of parks and trails, the effort by everyone at the Parks & Rec office is amazing!	6/4/2019 11:05 AM
772	Y'all are doing a great job! The parks in this town are beautiful and one of the main reasons I love living here.	6/4/2019 11:04 AM
773	Keep up the great work! :)	6/4/2019 10:56 AM
774	Looking forward to more development in the 100 acre woods, bicycle trails, pump track, etc.	6/4/2019 10:46 AM
775	Shuksan Meadows park needs repair / revitalization	6/4/2019 10:41 AM
776	Thank you for all of your work!	6/4/2019 10:39 AM
777	Kill the golf course. Seriously, there isn't a game out there that is comparable to golf in its destruction of natural habitat, its consumption of natural resources (water), and its gentrifying effects. We don't need a golf course, we need more forest and trails.	6/4/2019 10:37 AM
778	Keep up the good work!	6/4/2019 10:35 AM
779	Continue doing a wonderful job maintaining the trail system!	6/4/2019 10:31 AM
780	TY	6/4/2019 10:31 AM
781	Leash law needs better enforcing on trails and in parks. Also, something should be done about people bagging their dog's poop and then leaving the bag on the trail, even if they plan to come back and pick it up and throw it out later. It's an eyesore and unhygienic.	6/4/2019 10:29 AM
782	Place your goal of creating natural habitats as your highest goal.	6/4/2019 10:28 AM
783	You all are golden, I have zero criticisms.	6/4/2019 10:27 AM
784	Thank You =)	6/4/2019 10:24 AM
785	Keep it up, encourage events and outside spending to generate revenue. Many other cities have concerts in the park and what not. Look how many people go to down town sounds. Do something similar at the parks. Charge the vendors who want to sell beer and food there.	6/4/2019 10:22 AM
786	I think you do a fantastic job! Keep it up!	6/4/2019 10:20 AM
787	The parks, trails and resources here in Bellingham/Whatcom county are incredible - unlike those in many other areas of the country. Excellent job/thank you. Please continue to keep as high priority, continue improving existing spaces and focusing on expanding to areas which do not have as much green space as those right in the downtown Bellingham core area/higher income areas.	6/4/2019 10:20 AM

Bellingham Parks and Recreation Community Survey

791	Thanks for doing such a great job providing these outdoor spaces!	6/4/2019 10:01 AM
792	Trails are used far more than expected as daily transportation, and may be more important than one realizes.	6/4/2019 10:00 AM
793	Thanks for all the behind the scenes work you fine people do!!	6/4/2019 9:58 AM
794	Thanks for doing a great job, I love our parks and spending sunny days exploring what bellingham has to offer !	6/4/2019 9:58 AM
795	Keep up the great work!	6/4/2019 9:55 AM
796	I know this is out of your control but my 3 year old daughter found a full bottle of prescription meds in the bush at waypoint park. Ugh. And there is goose poop everywhere on the sidewalk there. We love this park though! But a bathroom could be much appreciated at this park. Kind of scared to use the one at marine heritage park. Thanks for doing all you do!	6/4/2019 9:47 AM
797	Thanks for all the awesome work you do!	6/4/2019 9:46 AM
798	Bellingham has one of the best park systems in the state. Thank you for your work, keep it up!	6/4/2019 9:41 AM
799	More off-leash trails are needed, and more natural spaces!	6/4/2019 9:38 AM
800	I'd love to see another disc golf course added. Maybe near Padden? Or north of Chuckanut?	6/4/2019 9:37 AM
801	replace lost mile markers on the trails systems	6/4/2019 9:32 AM

808	Thank you for all the work you do!	6/4/2019 9:10 AM
809	Thank you for your dedication. Our community would not be as strong if we didn't have parks!	6/4/2019 9:09 AM
810	Stop spending money on parks.	6/4/2019 9:06 AM
811	Parks seem to be taken over by homeless campers. Feel unsafe on trails. Esp Cornwall park.	6/4/2019 8:58 AM
812	Thanks for all that you do. The programs (particular the Runnin' O' the Green) are great and you have a hard job, trying to make a lot of folks happy. Keep up the good work. And please leave some of the green space green, instead of punching a trail through all of it.	6/4/2019 8:54 AM
813	i love being outside, it keeps me healthy, as a MTBer the sport is growing like crazy with the young kids. I was from an area that could have greatly benefited young children getting out and enjoying the outdoors instead of joining gangs. I just lost a friend who i grew up with to gun violence and i wonder if he had role models and activities growing up if it would have changed his life. I think bike parks and pump tracks are a huge proponent to the bellingham communicability.	6/4/2019 8:50 AM
814	Bellingham Parks are a staple of our community and your work is integral to our quality of life.	6/4/2019 8:48 AM
815	Work with sudden valley to get a pump track out here! There's sooo many people that would utilize it. And with the reconveyance there's only going to be more people out here with bikes. Also younger families are buying in sudden valley like crazy and most of them have kids. Pump track in sudden valley please!	6/4/2019 8:35 AM
816	Overall and compared to other cities, the park system here is outstanding.	6/4/2019 8:33 AM
817	A jewel of a city asset. Please limit bikes on the pier!!!!	6/4/2019 8:32 AM

818	As city grows, so does usage and maintenance.	6/4/2019 8:22 AM
819	thank you!	6/4/2019 8:21 AM
820	Please sponsor concerts at the waterfront.	6/4/2019 8:21 AM
821	We have enough Parks. We need to concentrate on them and there upkeep.	6/4/2019 8:21 AM
822	More native plants and greenery overall along curbsides and parks.	6/4/2019 8:01 AM
823	Bellingham has the best park system of anywhere. Let's help keep them that way.	6/4/2019 7:51 AM
824	Please add trash cans near the trail entrances. I really don't understand why they seem so rare.	6/4/2019 7:51 AM
825	Workers sleeping in park when suppose to be working	6/4/2019 7:45 AM
826	Well done, Parks. We enjoy them daily and are so thankful for the job you all are doing.	6/4/2019 7:29 AM
827	You have beautiful parks. Maintain them. Make them safe with needles and car break ins.	6/4/2019 7:21 AM
828	Partner with local contributors and private business to get things done instead of always using Park employees. Bellingham is so bogged down with restrictions and lack of ability to get things done due to politics and over complications.	6/4/2019 6:59 AM
829	thank you for what we already have !	6/4/2019 6:54 AM
830	I always support Parks and Recreation and would like to see you being more active in creating new recreational spaces.	6/4/2019 6:54 AM
831	Just that I've always questioned why private entities like woods coffee and the Bellingham rowers association get permission to use public park space for profit and whether these groups are paying their share to be allowed to use publicly funded areas, I'd have to pay to be a part of the rowing group so it's not an option for me, and I've always wondered whether my tax dollars are paying for the upkeep of those private entities buildings	6/4/2019 6:52 AM
832	Improve the Pickleball program! It is a fast growing sport! People of almost all ages can play. Most players are wanting to improve their skills, clinics, tournaments, etc would be a plus for Bellingham!	6/4/2019 6:28 AM
833	You do a lovely job with most of the parks. I especially love Zuanich!	6/4/2019 6:17 AM
834	The more bicycle and pedestrian trails you provide the more people will use them, and the town will be a more active and safer place.	6/4/2019 6:12 AM
835	Boat mooring in lake whatcom. Better for the environment than pulling boats in and out of the lake daily. Better for environment than docks.	6/4/2019 6:06 AM
836	Take from the designs of Blain Harbor park. Great design, great visibility for parents. Fun playground, with lots of open spaces as well. We've gone to Blaine more since that park was updated than ever in my life (living in Whatcom county since 1993). Kids ask to go there constantly and we love it too!	6/4/2019 5:04 AM
837	It would be nice if our parks were landscaped more for native wildlife to thrive in and less for peoples' ascetic senses.	6/4/2019 4:46 AM
838	You guys are doing a great job! Would love to see some more mtb trails out on lookout mtn area!	6/4/2019 4:08 AM
839	Stop allowing homeless people to destroy public lands.	6/4/2019 3:50 AM
840	Return the parks to a safe clean environment for citizens. Remove people who are destroying our parks and ecosystems. Bellingham has beautiful parks that are no longer safe.	6/4/2019 1:47 AM
841	Parks are a necessity to life.	6/4/2019 1:14 AM
842	You're doing a great job with Bellinhgam's Parks and I am grateful for the richness they bring to my life.	6/4/2019 12:55 AM
843	I really enjoy the parks. Looking forward to the new park in the bay area to get finished. It is taking far to long.	6/4/2019 12:08 AM
844	No. Love you!	6/3/2019 11:58 PM
845	Love our parks	6/3/2019 11:56 PM
846	Having more than just a 9 hole disc golf course in Cornwall park would be nice. Cornwall alone could have an 18 hole course put in comfortably and avoid pedestrians using the walking trails	6/3/2019 11:53 PM

Bellingham Parks and Recreation Community Survey

847	Overall I feel Bellingham has a great parka & rec department. They do a great job of maintaining trails and parks.	6/3/2019 11:35 PM
848	As a Rec major, I know how hard you are working to provide for this city! Rock on!	6/3/2019 11:32 PM
849	Put more money into Galbraith mountain- more parking, lots of signage. We need to resemble whistler or other places that have well set up trail systems	6/3/2019 11:26 PM
850	You have your work cut out for you	6/3/2019 11:19 PM
851	Thank you!	6/3/2019 11:12 PM
852	restrooms need to be open all year long. trash cans....the garbage is terrible because if it isn't convenient you get less people picking up. I hate Whatcom Falls Park because of the dog poop -- there are no trash cans in the dog park.	6/3/2019 11:09 PM
853	Please consider updating signs in Whatcom Falls Park. You probably have no idea how many people get all turned around. And lost..older folks, kids, moms with toddlers. It's time.	6/3/2019 11:01 PM
854	Continue to grow the bike paths and trails.	6/3/2019 11:00 PM
855	Keep up the great work! I love Bellingham parks! I hope you find a tenant for the building at Blodel - I would love to see a coffee shop there!!	6/3/2019 11:00 PM
856	Great job!	6/3/2019 10:59 PM
857	Thank you to those that worked to preserve land for parks and trails and a huge thanks to those that are still fighting for investment into parks and trails	6/3/2019 10:47 PM
858	the skatepark needs a redesign to be more usable - consult with experienced skate pros. Embrace scooters and BMX at the park as well. Thank you for the pickleball courts!	6/3/2019 10:43 PM
859	I love that we have so many varied parks. I hope the existing structures and facilities are maintained well (bathrooms, trails, etc.) before other parks are created.	6/3/2019 10:36 PM
860	More outdoor pool options and more trails and playgrounds in the Puget neighborhood	6/3/2019 10:32 PM
861	You guys rock	6/3/2019 10:27 PM
862	More public waterfront access on lakes.	6/3/2019 10:19 PM
863	I just really feel like we need kids exercise spaces inside or at least covered and open without fees to the public.	6/3/2019 10:18 PM
864	We need an indoor pool/spray park that is appropriate for the size of our city. Check out the rec center in Durango, CO for an example. Better, bigger multifunctional swimming pools that includes a toddler/baby area.	6/3/2019 10:17 PM
865	Thanks so much for all you do!	6/3/2019 10:15 PM
866	It would be great to get additional boat launches at Lake Whatcom. Summer weekends are a gong show. We have waited, idling in the water, for up to an hour trying to get out. At minimum having more people there to direct traffic would help.	6/3/2019 10:13 PM
867	Help build a Y at Arne Hanna	6/3/2019 10:12 PM
868	I wish there were more playgrounds for younger kids. Loraine park needs updating, unsafe for smaller children. Needs picnic table. Squalicum creek park, zipline needs to be safe and useable for younger children so they can play too.	6/3/2019 10:11 PM
869	Please expand our trail system	6/3/2019 10:07 PM
870	Thank you for your hard work! Bellingham's greatest pride should be the celebration and respect of our green areas!	6/3/2019 10:04 PM
871	Just that to me protection of natural resources should be the main priority like at padded I've been saddened by the water quality and it makes me cautious of wanting to swim there	6/3/2019 10:02 PM
872	Minimizing the impact of our large homeless population on our parks need to be a priority. Unsafe and unsanitary.	6/3/2019 9:59 PM
873	The spray parks that we currently have can the season for water being turned on can these dates be extended to open earlier in the year since we are seeing a warming trend?	6/3/2019 9:58 PM
874	need more baby swings	6/3/2019 9:55 PM

Bellingham Parks and Recreation Community Survey

875	Keep up the good work!	6/3/2019 9:49 PM
876	Disc golf please! Such a great way to get people out walking in areas of parks that aren't otherwise used. We need a top notch 18 hole course so we can host tournaments.	6/3/2019 9:48 PM
877	Thanks for having such a great system	6/3/2019 9:46 PM
878	I would really like to see more of the tennis courts converted to Pickleball.	6/3/2019 9:45 PM
879	Thank you for keeping up the parks and striving to improve them. This is what makes our community special.	6/3/2019 9:43 PM
880	FINE DOG SHIT LITTERERS AND MAKE IT ILLEGAL TO SMOKE TOBACCO IN PUBLIC PARKS.	6/3/2019 9:42 PM
881	Thank you for all you do for the community. Our parks, their shared use access & make Bellingham a unique and wonderful place.	6/3/2019 9:40 PM
882	Love to take small camping trips playing disc golf and hiking trails. Also most disc golfers really enjoy giving back to their courses on pubic parks. We believe in pack it in pack it out. We host work party's year long volunteering our time to help make courses and parks better.	6/3/2019 9:39 PM
883	Make sure all neighborhoods have a park to enjoy that is easy to access.	6/3/2019 9:38 PM
884	Appreciate you!	6/3/2019 9:38 PM
885	no	6/3/2019 9:34 PM
886	We desperately need a new aquatic center!	6/3/2019 9:33 PM
887	Me and my family DO NOT FEEL SAFE at Maritime heritage park. To much drug and alcohol containers and homeless population that makes the park feel like its just a slum.	6/3/2019 9:33 PM
888	Keep up the good work =]	6/3/2019 9:31 PM
889	Out door community pool, anther indoor larger community pool.	6/3/2019 9:30 PM
890	Just my sincere gratitude.	6/3/2019 9:29 PM
891	If you have it, or build it, take care of it. Easy to build with a tax increase(ie greenways), but the BUDGET needs to maintain what was built.	6/3/2019 9:28 PM
892	Fitness loops to run on that are measured distances. So you can see your kids play while your run.	6/3/2019 9:25 PM
893	Please, please maintain and improve the Sportsplex.	6/3/2019 9:24 PM
894	Thank you for the incredible park system. I use them every day.	6/3/2019 9:24 PM
895	Thanks for everything you do! The outdoor opportunities here are a large part of why I live in Bellingham.	6/3/2019 9:22 PM
896	Refocus, recommit and reprioritize on CONSISTENT, QUALITY, EXISTING assets rathe than empire building and trying to be all things to all people.	6/3/2019 9:20 PM
897	the city does an excellent job with routine park maintenance	6/3/2019 9:16 PM
898	We need a larger and/or additional pool	6/3/2019 9:16 PM
899	no	6/3/2019 9:16 PM
900	More pickleball courts. Finish those started soon	6/3/2019 9:11 PM
901	Get rid of homeless junkies	6/3/2019 9:07 PM
902	A new pool would be great. 3 high schools and a private swim club for one pool isnt enough. Also, recently I worked with a couple organizations who held event in the parks. The organizers expressed how dofficult it was in dealing with the office. Thats really sad. We need fun events that bring people to out community.	6/3/2019 9:05 PM
903	Best city I've ever lived in	6/3/2019 9:02 PM
904	Support the families, youth, men and woman who skate! Light up the existing skate park (at a minimum) It needs lights. We have short days most of the year.	6/3/2019 9:01 PM

Bellingham Parks and Recreation Community Survey

905	This city needs another much larger pool, with public access. There are hundreds of people everyday who either drive to Canada or Mount Vernon to swim, because AHAC is over subscribed and over chlorinated .	6/3/2019 8:59 PM
906	Have an amazeballs days guys!	6/3/2019 8:59 PM
907	Dog poop bag stations stocked. Trash bins emptied more frequently. Increased bike cop presence	6/3/2019 8:57 PM
908	Focus more on facilities and opportunities that serve the needs of the middle-high school students. We have done a good job for the adults. Thanks for the opportunity for input. (Herb's kid - age 76)	6/3/2019 8:56 PM
909	Maybe have people who actually have children help with playground desing/installation etc. Carl Lobe Park is not put together at toddler scale, the zip line at the new Squalicum Park was placed directly in the line of sight from the approach to the playground, guaranteeing people are going to run right into the line of fire so to speak. With all the space there, why not separate it from teh rest of the playground? DOHHHH ? So many times as a parent I am scratching my head over playground decisions.	6/3/2019 8:54 PM
910	I would like to see the parks department start a campaign to encourage people to use alternative forms of transportation to get to parks. The construction of large parking lots for vehicles also seems short sited. Mostly, I am deeply disappointed by the play equipment. It seems extremely out-of-date compared to other similar-sized city's.	6/3/2019 8:51 PM
911	Parking for Galbraith, adjacent to Galbraith should be a priority, not across Sammish. More disc golf! More natural and open spaces!	6/3/2019 8:50 PM
912	I'm very appreciative of all the work that goes into keeping parks clean	6/3/2019 8:50 PM
913	Jump on the pickleball band wagon. It is going to really take off. Be the leader and let's have a top notch summer events and possibly make some under cover courts.	6/3/2019 8:49 PM
914	Thanks for all you do with the budget you have. Appreciate you and our fabulous city.	6/3/2019 8:46 PM
915	Thanks for the excellent work! Bellingham Parks rule!	6/3/2019 8:46 PM
916	Thank you for all your hard work!	6/3/2019 8:45 PM
917	More disc golf	6/3/2019 8:38 PM
918	Please dedicate more budget funds (and law enforcement) to the parks for safety and beautification in general. We love our parks and green space!	6/3/2019 8:28 PM
919	Too much concrete and too many structures in our parks. KEEP BUMS OUT OF OUR PARKS AND KEEP THEM FROM DAMAGING NATURAL HABITAT.	6/3/2019 8:24 PM
920	Everyone loves and benefits from green space. Its a proven fact that green areas improve health and psychological well-being. We also enjoy seeing wildlife doing its thing. Development is pushing wildlife out, fighting or dying for new territory. Please consider wildlife in city planning.	6/3/2019 8:23 PM
921	No	6/3/2019 8:20 PM
922	I really appreciate the work staff does to keep our parks clean and safe! I live near Cornwall Park and am amazed by how much work must be done and we rarely notice it being done! Thank you Bellingham Parks and Rec! :)	6/3/2019 8:19 PM
923	Pools!	6/3/2019 8:15 PM
924	That Fact that there is only 9 holes of disc golf is disgraceful. We have been here for over 20 years no improvements. We upgrade the baskets and you us the old ones belongo the city and we have to buy them back Pathetic Then you spend all sorts of cash on pickle ball Parks Dept you guys are broken and need to get fixed	6/3/2019 8:14 PM
925	It would be nice to have a couple rec centers in town with pools, courts, play area for kids etc	6/3/2019 8:10 PM
926	Facility people rock!	6/3/2019 8:07 PM
927	I would like more musical events	6/3/2019 8:06 PM
928	I love the trails	6/3/2019 8:06 PM
929	Bellingham has wonderful parks, trails and open spaces. Thank you for the hard work and effort city staff put into our outdoor recreation and natural areas!	6/3/2019 8:05 PM
930	Better boat facility on Lake Whatcom , south end	6/3/2019 8:04 PM

Bellingham Parks and Recreation Community Survey

931	More soccer and softball fields	6/3/2019 8:02 PM
932	Disc golf is growing at a rapid rate, while ball golf is declining. Disc golf is more economically friendly to everyone, and has an awesome welcoming attitude within the community. It can provide focus for at risk youth and their energy.	6/3/2019 7:59 PM
933	Bellingham does not take our parks for granted! We love our parks. We love our parks because they are clean and well maintained. Please keep adding folks to your crews as you add parks on. The people who maintain your parks are as important as the parks themselves!!! One last thing..... we have a lot of "wild" spaces that many of us don't know about. Can one of those be turned into a "wild" dog park? I love the back of Padden off leash area- we need another space like that!!	6/3/2019 7:56 PM
934	Rock On!	6/3/2019 7:50 PM
935	A nice workout space, with pools for fun (lazy river! better slides!) and more time/space for teams	6/3/2019 7:47 PM
936	outdoor access for all user groups is very important for the health of the people, environment and economy of Bellingham. Access to these amenities means a lot. It also means "a LOT" on south Samish for future users and the growth of the outdoor economy to safely access both Galbraith and Padden from. Thank you for you time and efforts	6/3/2019 7:46 PM
937	The Galbraith lot of Samish should have a flyover or underpass!! More directional mountain bike specific trails.	6/3/2019 7:44 PM
938	An outdoor pool would be nice. The 2 currently available are both too expensive for most people	6/3/2019 7:38 PM
939	I love walking my dogs but feel too many don't leash their dogs. It's awesome in off leash area but not so much on the trails. Lake Padden, North Lake Whatcom and Squalicom Park to name a few where dogs are not on leashes.	6/3/2019 7:31 PM
940	Trail system is a gem. I wish more money would go to maintaining existing trails rather than creating new ones which makes maintenance even worse - a negative feedback loop.	6/3/2019 7:25 PM
941	As a tax payer I am constantly dissatisfied with how shitty the parks like Padden have been maintained. That common area used to be nice, now it's a weed infested crap hole.	6/3/2019 7:18 PM
942	More pools	6/3/2019 7:13 PM
943	More disc golf hole within city limits	6/3/2019 7:10 PM
944	I LOVE Bellingham because of its parks and trails AND dog friendly places. We live in a paradise. Thank you for taking such great care of the parks and the communities that enjoy them!	6/3/2019 7:05 PM
945	No	6/3/2019 6:59 PM
946	Thank you for doing what you do for our community!	6/3/2019 6:59 PM
947	Would love to see the Interurban and Railroad trails near downtown get connected.	6/3/2019 6:58 PM
948	Arrest litterers.	6/3/2019 6:55 PM
949	A little more secure and less transients would be nice... especially at riverfront	6/3/2019 6:52 PM
950	Parking for galbrieth mtn!!!	6/3/2019 6:48 PM
951	Best in the state. Keep up the good work.	6/3/2019 6:45 PM
952	Great park and trail system! Many thanks!	6/3/2019 6:45 PM
953	Figure out a way to put in more parking at Cornwall park off meridian. I'd use it more if there was ample parking!!	6/3/2019 6:45 PM
954	I wish you would stop incorporating hostile architecture into your designs. I understand crime prevention design theory, but I wish it didn't have to come at the expense of actual recreational/public use of Parks - skateboarding, napping, etc. I would rather see city resources go into more robust design that accommodates all uses than hostile design that limits use.	6/3/2019 6:43 PM
955	Galbraith is an amazing resource, please keep building mountain bike trails around Lake Whatcom and out into the county!!	6/3/2019 6:42 PM
956	P	6/3/2019 6:39 PM
957	yes, whay has it taken so frigging long to get the waterfront open to the public. You should be ashamed.	6/3/2019 6:32 PM

958	Can't think of anything.	6/3/2019 6:28 PM
959	Provide more disc golf. Stop making Whatcom Disc golf Club come up with funds to provide equipment for a city of Bellingham park that is used by the public. WDGC bought new 9 baskets to replace the 20 year old baskets that where in poor condition. The COB claimed the old baskets that WDGC bought 20 years ago and sold them at the public auction back to WDGC for \$1,500. Kids don't pay for the playground equipment. Pickle ball players don't pay for the new and expensive court at Cornwall park. Trail users don't pay for trails to be maintained. Why does COB not fund the disc golf park at Cornwall. Or look to provide a new space for a new disc golf course (fasting growing sport in the world).	6/3/2019 6:26 PM
960	Thank you for your good work, keep it up!	6/3/2019 6:24 PM
961	Improved ADA accessibility	6/3/2019 6:08 PM
962	We need another pool that provides lap lanes, recreational opportunities, and other activities.	6/3/2019 6:04 PM
963	No	6/3/2019 6:01 PM
964	Nice parks are great amenities. I was pleased to see active control of invasive plants near Padden, with signage. I wish there were some way of getting rid of the orange fencing at the Padden swimming area, which is to control spread of invasive snails. Can something else be done? Also dog cleanup signs need to specify DO NOT LEAVE BAGS - PACK THEM OUT!	6/3/2019 5:57 PM
965	The Jensen Family Farm is an uninviting mess, with blown-down trees everywhere. http://www.co.whatcom.wa.us/2070/Jensen-Family-Forest-Park	6/3/2019 5:55 PM
966	Protect the post point herons, protect citizens from illegal drug users, create more universal access, allow park to be open for regular users (walkers/wheelers) when special events happening, increase the number of outside trash receptacles, enforce the leash law, provide wheelchair and child swings at all parks, extend toddler time program, increase the number of water fountains, evaluate all curb cuts, sidewalks and degree of slope by someone in a wheelchair-then fix the problem areas to increase access, add/maintain accessible signage and paths of travel from parking areas to park	6/3/2019 5:52 PM
967	Bellingham desperately needs a new swimming pool to accommodate all of the programming and swim lessons, swim teams, exercising and recreation. If you have not been to the Snohomish pool I highly encourage a visit. They can accommodate a swim meet, swim lessons, several birthday parties and recreational swim AT THE SAME TIME. This would benefit the community, the school district and local athletes. Another pool to check out us Bend Oregon. They built something adjacent and covered it with a removable bubble tent.	6/3/2019 5:48 PM
968	I love my city. Thanks, Lance!	6/3/2019 5:42 PM
969	What things can be done to limit transient issues at Cornwall and the woods near the new Cordata Park? Playgrounds need to be kept safe from drug users and disorderly citizens.	6/3/2019 5:42 PM
970	Overall, I really applaud Bellingham's park system, the folks that maintain it, and the different annual events they put on.	6/3/2019 5:38 PM
971	Good job. Keep up the good work!	6/3/2019 5:36 PM
972	We need a new pool. We need more access to gyms.	6/3/2019 5:31 PM
973	I think that we have an amazing parks and recreation department! I was impressed when moved here in 1989. It's unfortunate when cutbacks are made. And, currently it's distressing to see our parks and open spaces being abused by the increasing number of homeless pouring into our area. Unfortunately, the nicer we make our parks, the more indigents will take them over.	6/3/2019 5:27 PM
974	No.	6/3/2019 5:25 PM
975	Love the Leisure Guide!	6/3/2019 5:23 PM
976	Thanks for the opportunity to offer feedback!	6/3/2019 5:22 PM
977	Keep up the good work, our parks are amazing and well loved	6/3/2019 5:19 PM
978	We need a new larger disk golf course.	6/3/2019 5:15 PM
979	Great overall. There is a bit of a litter problem at Cornwall Park.	6/3/2019 5:11 PM

Bellingham Parks and Recreation Community Survey

980	What Bellingham does best is collaboration and community support. It would be great to see Parks & Rec work more closely with local businesses, organizations and the colleges here to accomplish more projects and create more vibrancy.	6/3/2019 5:07 PM
981	Doing a great job!!	6/3/2019 5:01 PM
982	I am disappointed that funds for the Greenways Levy were used for other things. Also that the public didn't get a say on the pending large parking lot in what is currently 2nd growth forest near lake padden.	6/3/2019 5:00 PM
983	park maintenance is first class. great job!	6/3/2019 5:00 PM
984	better lifeguards at the pool. they don't watch the water very well.	6/3/2019 4:59 PM
985	More visible staff. Hate going to a local park and feeling like I have to be ultra aware of the riff raft that hangs around.	6/3/2019 4:57 PM
986	Add docks and lifeguards to blodel donovan	6/3/2019 4:55 PM
987	More disc golf courses within the city limits	6/3/2019 4:53 PM
988	Keep up the great work. Our parks are great compared to some I've seen in other states.	6/3/2019 4:52 PM
989	The recent concert was a step in the right direction. this should be a 3 or 4 time summer early fall event.	6/3/2019 4:52 PM
990	require contractors to disclose their profits and hourly earnings for each employee including shareholders of the contracting corporations	6/3/2019 4:51 PM
991	I love the new Waypoint Waterfront Park/Acid Ball, would like to see more environmental clean-up sites like this!	6/3/2019 4:49 PM
992	Good job, keep it up!	6/3/2019 4:47 PM
993	Please give some more TLC to Cornwall Park Disc Golf Course.	6/3/2019 4:44 PM
994	I'm honestly glad there's a parks department. I wish you'd have access to the appropriate funds in order to do MORE. I've emphasized "more" in this survey because society needs more open usable spaces more now than ever in Whatcom County, to keep houses from being built in the areas instead.	6/3/2019 4:43 PM
995	Clean up the homeless in parks ! More garbages and poop bag stations . Also more park staff driving around to monitor things . I am impressed with the people who put on the poop scoop events this is a great idea to raise awareness . Maybe have cooler prizes !	6/3/2019 4:43 PM
996	Thank you for all you do	6/3/2019 4:40 PM
997	your great!	6/3/2019 4:38 PM
998	I think you're doing a great job! Thank you for working so hard! =]	6/3/2019 4:34 PM
999	The homeless makes me feel less safe in the parks and on the trails	6/3/2019 4:34 PM
1000	I know there are plans to put a playground of sorts in Barkley Village, but in communicating with the director of the project, it honestly sounds like it's not going to be all that attractive to kids. We have young kids and we know what they like. We wish there could be a playground structure more like the ones in Ferndale or Lynden or Blaine. Why isn't there anything like that in Bellingham? Our kids would LOVE that!	6/3/2019 4:26 PM
1001	The parks system is one of the primary reasons I moved here and the values it offers families of all ages are among the best elements of life here. Thank you.	6/3/2019 4:21 PM
1002	Keep up the great, forward looking, work!	6/3/2019 4:18 PM
1003	Parks are wonderful! And so important. Thank you for all you do.	6/3/2019 4:12 PM
1004	thanks for all you do.	6/3/2019 4:12 PM
1005	Bellingham parks rule. Best parks.	6/3/2019 4:08 PM
1006	Bellingham is blessed with beautiful parks and trails: This was a major factor in our choice of settling here. Super job!	6/3/2019 4:06 PM

Bellingham Parks and Recreation Community Survey

1007	Two things: Dogs Parks and Lake Whatcom Dog parks are perhaps the most consistently used parks in the city. They need more attention, particularly regarding drainage. We spent a ton of money on the baseball field drainage at Squalicum park but the dog park, which is used ALL YEAR by way more people, has terrible drainage. The Lake Padden dog park is disgusting, with a literal stream of dog poo running through the middle. The drainage is particularly important since there is inevitably going to be a lot of dog poop that people miss. I love that there are so many great dog parks, but I think we need more, and they need more attention. They are very popular, even when people aren't really going to other parks, in the colder months. My other gripe is about Lake Whatcom. I often go to Lakewood to let my dog swim. To get there I drive past Bloedel and see a horde of people all enjoying themselves, then when I get past Geneva on Lake Whatcom Blvd where all the private docks are, I see so much wasted potential. I know the city can't seize this land and let regular people swim along the lake, but it just feels unfair that we have hundreds of people crammed into Bloedel and then all these dozens of docks that are empty most of the time. I'm wondering if there is a way to get more public access to the lake. Especially since it's generally not safe to swim in the Bay. Thanks!	6/3/2019 4:05 PM
1008	Protect as much natural habitat as possible. Thank you!	6/3/2019 3:57 PM
1009	You are doing very well. Am grateful for our parks & recreation department	6/3/2019 3:54 PM
1010	We are so fortunate to have beautiful outside places to enjoy. It seems so many of these are avoided because people just don't feel safe. Maybe a bit more of a friendly police presence, especially in downtown parks (thinking Maritime and Cornwall).	6/3/2019 3:52 PM
1011	Please install a different system at Arne Hanna Aquatic Center so the water isn't so chlorinated! My skin feels horrible due to the high chlorine content.	6/3/2019 3:51 PM
1012	Thanks for all you do!	6/3/2019 3:51 PM
1013	Yes I believe it's important to construct the over water dock connecting boulevard park and develop the RG Haley site and landfill area. This would open the most important access to our waterfront. Work with the Indian community to get this completed	6/3/2019 3:48 PM
1014	We use the trail system every day and love it thank you. To reiterate: 1. A better general attitude of service to the Bellingham community would be nice. A small reduction of ego would be appreciated. 2. Your park narks (those who police encroachment) have been awful to work with in years past. Hopefully with new staff replacing those who have moved on, staff will receive appropriate training to interact with the public who live along and maintains green spaces. 3. Your trail maintenance team is fantastic. Good people for sure!	6/3/2019 3:47 PM
1015	Thank you for the many parks and trails and trees and flowers!	6/3/2019 3:45 PM
1016	Time to design for less mowing and more restoration of natives	6/3/2019 3:43 PM
1017	Got to get out there and now! Some of these parks/fields are being overrun with grass.	6/3/2019 3:37 PM
1018	Overall, doing a great job. The mechanisms are already in place to enhance the existing parks but proper financing and enforcement of all laws/regulations/ordinances (city, county, and state) are needed.	6/3/2019 3:31 PM
1019	Disc golfers maintain their own courses and are a net positive to any public land. You'll get free garbage clean up and volunteer hours for upkeep that spreads beyond the course	6/3/2019 3:30 PM
1020	You're great!	6/3/2019 3:29 PM
1021	One of the few parts of city government that actually seems to work. Great job.	6/3/2019 3:29 PM
1022	Please don't use roundup and stop incursions into wildlife corridors. Too many bikes.	6/3/2019 3:28 PM
1023	Keep up the good work! Bellingham loves its parks!!	6/3/2019 3:21 PM
1024	More police patrols through parks and trails Maybe park police officers could be explored Have one or two officers dedicated to parks and trails	6/3/2019 3:04 PM
1025	Please consider adding another disc gold course with the next new park - the popularity of the sport has out grown Cornwall	6/3/2019 2:55 PM
1026	Keep up the great work!	6/3/2019 10:34 AM
1027	Put in more multi-use (soccer, lacrosse, etc.) turf fields. We have SO many baseball fields at Civic, make some of those more multi-use. Seems like Squalicum has space for a multi-use turf field as well? Or cornwall?	6/3/2019 9:58 AM

Bellingham Parks and Recreation Community Survey

1028	You do a great job!	6/3/2019 9:30 AM
1029	I like the parks. They are probably my favorite part of Bellingham.	6/2/2019 4:57 PM
1030	Keep up the great work, the parks and rec staff and crew are hardworking and dedicated employees.	6/2/2019 2:02 PM
1031	Enforcement of off leash offenders	6/2/2019 10:50 AM
1032	Playground ground: the stuff at the new waterfront park is great. Bark and micro-splinters is to children's clothing and skin as insulation glass shards are to adults working in construction/crawls. Sand is dirty, but better than bark, but I understand isn't great for environmental runoff. Anyway that with time and money existing parks could be converted to having the soft squishy stuff? Also, provide a means of donations to the parks system, if you don't already have one? Maybe with tax benefits for contributions? It would be great to be able to better support the parks outside of the usual property/sales tax/municipal etc ways. Also, anyway that the library could become involved more with the parks- such as an outdoor books in the park story time for children? Especially one that ties in books about nature; or stories about food/farming with the community gardens? I think Hovander has something like this, but I have never found the information on it when I've looked.	6/2/2019 10:23 AM
1033	I appreciate all of the amenities afforded in our city parks and thank you all for the work you do to create and maintain them. I am hopeful that as the city's population expands, park spaces are incorporated intelligently into that development.	6/1/2019 10:49 PM
1034	We are woefully undercapitalized in aquatics, ice skating and indoor sporting facilities. Given our long, wet, dark and cold winters the city would be well served to think about providing facilities for the other 6 months. You've really got summer covered, but winter is quite pathetic	6/1/2019 7:45 PM
1035	I've got plenty to share with traffic and city planning, where's that survey!?	6/1/2019 2:13 PM
1036	keep parks green and free of concrete	6/1/2019 2:06 PM
1037	It does a huge disservice to our community to not have rec centers, an outdoor pool, staffed youth programming.	6/1/2019 11:11 AM
1038	Please find a solution to get the homeless and drug users out of the parks. Start with Cornwall Park, Elizabeth Park and Maritime Heritage Park as they seem to be the worst at the moment.	6/1/2019 9:46 AM
1039	Safe trails or bike lanes to parks would create greater access. Our city is really lacking safe biking infrastructure for commuters	6/1/2019 9:28 AM
1040	Keep up the great work! We appreciate all you do	6/1/2019 9:14 AM
1041	Please ask the city council to make safety a priority in our parks. If they like drug users in there parks ask them to move to Seattle	6/1/2019 8:29 AM
1042	Connect the trail system. Buy the old BN spur rail line from Squalicum Park up to the I-5 underpass!!!	6/1/2019 8:13 AM
1043	Roosevelt Park seems dangerous, which is a shame because of how beautiful of a park it is. Also the homeless situation at some parks and trails takes away the sense of security from the people using them.	6/1/2019 7:56 AM
1044	The sportsplex needs a MAJOR re do. As does Arne Hanna. We need an Overall recreational center which other cities seem to have. We have no updated aquatic facilities, or skating facilities to speak of.	5/31/2019 11:42 PM
1045	I love the open gym program and think it's very valuable. I would like to see more indoor play opportunities /options during the winter time. Thanks for all you do!	5/31/2019 10:36 PM
1046	Ice sports are becoming more popular. We have a college club team and the blazers in town along with a growing warriors program. There are also figure skating and speed skating that is popular. Ice rinks can be used as lacrosse fields in the summer/spring time. Lacrosse is becoming popular in whatcom county. A larger, more updated ice facility is needed in the whatcom county area.	5/31/2019 10:24 PM
1047	My kiddo says more creative play structures and places to play baseball. Protect important habitat areas and trees. Switch from pesticides to other weed control methods. Please consider a more robust city community garden program (offer appropriate vacant city land, water, etc.) - could be through an application process... Thank you!!!	5/31/2019 9:08 PM
1048	Public restrooms need to be cleaned more often. Like at Lake Padden Park and Boulevard.	5/31/2019 8:59 PM
1049	Thank you !	5/31/2019 8:55 PM

1050	You guys do a great job. Gina Gobo and Mike Love especially do excellent work and are great public contact people.	5/31/2019 8:09 PM
1051	Bathrooms at the skate park near civic field are horrendous	5/31/2019 7:08 PM
1052	Thank you	5/31/2019 6:08 PM
1053	I would really like to see a better platform for the zip line at squalicum Park. I'd also like to see more accessible ("handicap") swings for children like my son who cannot fit in toddler swings but does not possess the balance needed for regular swings. I'd like to see better accessibility at Waypoint Park as well. My son can't use that huge hill and my friend fell on it. I was afraid to use it for fear that I would fall as well so I couldn't even help my son.	5/31/2019 5:41 PM
1054	You're doing a great job. Keep up the good work.	5/31/2019 5:41 PM
1055	We need a community activity center. A city of our size should have one. We also need to maintain park buildings on a regular basis.	5/31/2019 4:41 PM
1056	The Director is awesome!	5/31/2019 4:32 PM
1057	You are awesome, especially the director!	5/29/2019 3:24 PM
