I. WELCOME FROM OUR MAYOR

Welcome E-Team Employees!

In these challenging times there is nothing that provides me a greater sense of purpose than expressing an inspired, hopeful and achievable vision for the future of my hometown, which would be impossible to accomplish without an incredibly dedicated and capable workforce.

Thank you for joining our team at the City of Bellingham. I look forward to working with you.

Sincerely,

Mayor Seth Fleetwood
City of Bellingham

II. GENERAL

PURPOSE OF HANDBOOK

In this handbook, you will find the City's policies that specifically apply to E-Team Employees. We provide explanations of your compensation and benefits, what treatment you should expect, and our expectations of you as an employee.

If you have questions about any items covered in this handbook, please contact your manager or your Human Resources representative.

USING THIS HANDBOOK

- Throughout this handbook, “we” refers to the City as an employer. “You” refers to E-Team Employees.
- As explained above, this handbook may be altered from time to time at the discretion of the City. Be sure to check the electronic version posted on the City's Intranet for the latest edition.

III. WHO IS AN E-TEAM EMPLOYEE?

You are an E-Team employee because you are generally considered a “confidential” employee. This means that your work requires you to handle labor relations matters, either directly or by providing assistance to those with direct responsibility for this work. Confidential employees are not subject to the jurisdiction of labor unions (“exempt” from union coverage – hence the “E” in E-Team).

CIVIL SERVICE DOES NOT COVER E-TEAM JOBS

The Bellingham City Charter and/or City Council ordinance exclude E-Team Employees from Civil Service.

E-TEAM EMPLOYEES ARE “AT WILL” EMPLOYEES

E-Team Employees serve at the discretion of the Mayor. The City may terminate your employment at any time for any lawful reason. Likewise, you may choose to leave your employment at any time.

IV. COMPENSATION

OUR COMPENSATION PHILOSOPHY

The City applies the same compensation philosophy to all positions in the City. This means that the HR staff periodically review compensation trends for similar work in the City's recruitment market and recommend adjustments to the salary plans accordingly.

ADJUSTED HIRE DATE

A key concept in administering your salary and benefits is your "Adjusted Hire Date".

- If you had an initial appointment to your E-Team position on the 1st through the 15th of the month, your Adjusted Hire Date is the first of that month.
- If you had an initial appointment to your E-Team position of the 16th through the 31st of the month, your Adjusted Hire Date is the first of the following month.

E-TEAM EMPLOYEE SALARY PLAN

The City's annual budget describes the E-Team Employee compensation plan (Plan E). This is available on line at the City of Bellingham public web site for you to review.

Section 1: "Executive"--Contains the positions of Mayor, Municipal Court Judge, Department Heads and certain of the Mayor's executive management staff positions. The Mayor has discretion to hire in or move positions in Section 1 consistent with budgetary authorization.

Section 2: Uniformed Services Management Staff.

Section 3: All Other E Plan Managers and Staff--This plan assigns positions to salary grades (ranges) with five steps in each grade.

- **Hiring In:** Newly hired E Team employees are placed at the appropriate step based on experience and education relative to the qualifications of the position they are being hired to perform. For more information please see the City's Salary Administration Policy PER 07.05.02.
- **Step Movement:** You advance in your salary steps on the anniversaries of your Adjusted Hire Date.
- **Compression:** Effective 1/1/2018, E Team employees shall be paid at a rate not less than 3 percent above the salary paid to directly reporting subordinates. In the event of such compression, the supervising employee shall receive a salary adjustment to ensure a 3 percent higher salary than the salary of the directly reporting employee. This salary adjustment shall only remain in effect during the period of time compression exists.

For Uniformed Fire and Police Management positions, compression calculations will be based on the highest paid subordinate employee one rank below the E-Team management position. For Uniformed Fire Management positions, compression shall be calculated based on subordinates base salary, plus longevity, plus administrative premium. For Uniformed Police Management positions compression shall be calculated based on subordinates base salary plus, longevity, plus education premium.

HOW AM I PAID?

With the exception of certain part-time positions, we pay you on a salary basis, twice monthly--on or near (depending on holidays or weekends) the 10th and the 25th of each month, the universal paydays for City employees.

OVERTIME

NON-EXEMPT STATUS: If you are in an administrative support staff position, overtime pay is required, per the Fair Labor Standards Act (FLSA). Although you may be paid on a salaried basis, you are required to receive 1.5x your regular hourly rate of pay for all hours worked over 40 in your workweek.

- "Hours worked" means the hours actually worked, and does not include paid time off, such as paid sick leave or vacation.
- A workweek is a fixed 7-day period, usually Sunday through Saturday.
- We pay the regular rate for any hours worked that are not beyond 40 hours in the workweek. For example, if you take a vacation day on Monday, and work 8 hours each day on Tuesday through Saturday, you would earn 48 hours at your regular rate, or "straight time" pay (or 8 hours of paid vacation and 40 hours of straight time). If you worked Monday through Saturday, you would receive 40 hours at regular rate, and 8 hours at 1.5x regular rate. You need to contact Payroll for proper timesheet coding.
- With supervisor approval, you may choose to bank compensatory time in lieu of overtime, at the rate of 1.5 hours for each hour worked over 40 hours in the workweek.
- **FLEXING TIME:** Your supervisor may allow you to flex your schedule to maintain your 40-hour work obligation. Otherwise, you will need to take paid leave for absences during the day which would otherwise reduce your paid work hours below 40 in the week.
- **MEAL AND REST TIME:** You are also required to take meal and rest break periods, per the Washington State Wage and Hour Act (see WAC 296-126-092). As a general rule, you need to take at least a 30-minute unpaid meal break and have two-10-minute paid rest periods in a standard 8-hour work day.
- **EXEMPT STATUS:** If you are a manager, supervisor, or professional employee, you are most likely exempt from the overtime requirements of the Fair Labor Standards Act (FLSA) and Washington State Wage and Hour Act. You are paid a salary as compensation for doing your job and are not entitled to overtime pay.
- **FLEXING TIME:** Many E-Team employees who are exempt from the overtime requirements of the Fair Labor Standards Act experience variations in work schedule due to work load demands, as well as requirements to attend meetings and events outside the normal work day. If you are one of these employees, we permit short absences during the day without docking leave banks as long as established principles of public accountability are maintained. If you are exempt and do not experience work load/schedule fluctuations, keep in mind that you can flex your schedule when you need to take part of the day off. Flexing maintains principles of public accountability for your work time obligation. If you cannot "flex", request paid leave time for absences during the normal workday

ACTING PAY

You will be compensated in accordance with pay placement procedures if you are assigned to "act in capacity". This means you assume most or all the substantial responsibilities of a position with more responsibility than your own when the regular employee is on extended leave. Compensation will be at the rate of pay of the position you are acting in capacity of based on current pay placement procedures. This applies to extended leaves of 15 business days or more, unless otherwise approved the Mayor.

JOB AUDITS

Human Resources provides a procedure and standards for reviewing positions to ensure the position is correctly classified and placed on the E-Team employees pay tables. You may personally initiate a request for job audit. Please refer to the *Job Audit/Reclassification Request Form*. To qualify for a job audit review, you must have had a significant and permanent change in your job duties and responsibilities since the last significant revision of the job description or last job audit review. Should HR determine that an increase in salary grade is appropriate; the results are effective the January 1st or July 1st following the request.

V. WORK SCHEDULE EXPECTATIONS

Although most E-Team employees work a traditional 40-hour workweek, your work schedule may be flexible or on a fixed schedule, depending on the nature of your position. Regardless of your schedule, you are subject to the same standards of attendance and punctuality as all other City employees.

ALTERNATIVE WORK SCHEDULES

We may require or allow alternative work schedules where

- It is in our business interest to do so, and/or,
- Serves a compelling need for the employee without compromising work obligations.

For example, if you hold a management position that includes supervisory “walk arounds” at night or on weekends, you may have a normal schedule of 2PM to 10PM or work Tuesday through Saturday. Some departments may allow you to have a normal work schedule of four ten-hour days.

VI. POLICIES THAT APPLY TO E-TEAM EMPLOYEES

UNIVERSAL POLICIES

We issue certain policies that apply to all employees (universal), or to broad groups of employees such as all non-uniformed employees. You are subject to a policy when indicated under the scope statement of the policy. If the scope statement covers you, you are required to be familiar and comply with the policy.

We post draft policies for your comments on the City’s Staff Central Announcements. We encourage you to contact the policy developer if you have questions or to provide your thoughts, concerns, and suggestions.

VII. LEAVE BENEFITS

We provide you with a rich and comprehensive benefits program. The leave information in this section is based on full time employment. If you are a regular part-time employee, you accrue leave benefits on a pro-rata basis of a full-time work schedule based on your normal work schedule. As an E-Team

member you are subject to the City of Bellingham Attendance and Tardiness policy. Please refer to the policy for specific details on the details and conditions of this policy.

Leave benefits for E-Team include:

- Paid holidays
- Paid vacation leave
- Paid sick leave and sick leave cash out
- Paid bereavement leave

PAID HOLIDAYS

We provide E-Team Employees with eleven 8 hour (for full-time employees; pro-rated for part-time employees) paid holidays and one paid "Floating Holiday" each year. City Holidays are:

- January 1
- Martin Luther King, Jr. Day
- President's Day
- Memorial Day
- Fourth of July
- Labor Day
- Veteran's Day
- Thanksgiving Day and the Day After
- Christmas Day plus one day before or after as designated by the City.

When a holiday falls on a weekend, we designate the normal workday closest to the holiday as your observed holiday.

You receive normal pay for your holiday as long as you have paid time in the pay period in which the holiday falls.

FLOATING HOLIDAY

We provide you with one paid "Floating Holiday" each year. You must use your annual "Floating Holiday" by December 31.

We provide a "Floating Holiday" in your first year of employment only if your Adjusted Hire Date is October 1st or earlier. Otherwise, you receive your first floating holiday the next calendar year.

We do not carry forward unused floating holidays to the next calendar year, nor pay these off at separation or retirement. You forfeit your floating holiday in these circumstances.

SICK LEAVE

Sick Leave on Hire:

We provide you a sick leave bank at the time of hire:

Department Heads - 15 Days (120 hours)

All Other E-Team Employees - 5 Days (40 hours)

Amount of sick leave is pro-rated for part-time employees. The sick leave at the time of hire is part of the E-Team sick leave bank. Washington Paid Sick Leave (if eligible) is earned once you worked applicable hours.

For information on how sick leave may be used and other related information, see the City's universal policy *Providing Paid Sick Leave Benefits – PER 07.01.04.*

For information on how Washington Paid Sick leave may be used please refer to the City's universal policy *Providing Washington State Paid Sick Leave – PER 07.01.03*

What happens if I'm promoted into an E-Team position?

If you are promoted from a represented position into an E-Team position, your sick leave banks will be adjusted as follows:

- Promoted to Department Head: if you have worked for the City for less than 15 months, we will credit your sick leave account with enough hours to bring your balance up to 15 days;
- Promoted to other E-Team position: if you've worked for the City for less than 5 months, we will credit your sick leave account with enough hours to bring your balance up to 5 days (part-time employees will have sick leave banks pro-rated).

SICK LEAVE ACCRUAL

- To accrue sick leave for the month, you must be in paid status for 120 hours (prorated for part-time) whether work hours or paid leave hours. Compassionate Leave is not considered paid status for purpose of leave accrual.

For E-Team exempt status employees, you accrue 8 hours of sick leave per month from your Adjusted Hire Date and have no waiting period for use of your sick leave, once accrued.

For E-Team non-exempt status employees, effective 1/1/2018, the City will provide paid state sick leave in accordance with the Washington State Sick Leave Law. Additional sick leave will be accrued at 8 hours per month MINUS the state sick leave accrual for the same month period, e.g., accrual of 3 hours of state sick leave will result in 5 hours of E-Team sick leave; accrual of 5 hours of state sick leave will result in 3 hours of E-Team sick leave. At the end of each calendar year, up to 40 hours of unused state sick leave will roll over to the following year. Any hours above 40 in the state sick leave bank will be removed. An equivalent number of hours that are removed will be placed into the E-Team sick leave bank. Sick leave accruals existing as of January 1, 2018 will be treated as E-Team sick leave.

You may accrue up to a maximum of 1040 hours of E-Team sick leave.

If you are a regular part-time employee, you accrue sick leave on a pro-rata basis of a full-time work schedule based on your normal work schedule.

SICK LEAVE CASHOUT

As a reward for conservation of paid sick leave, we may provide sick leave cash out program as follows. Note that this program is available if City budget allows. The sick leave cash out program has been suspended effective January 1, 2010. Call your Human Resources Department if you are unsure as to whether this program is currently active.

Based on the employee's salary of December 15 of the cash out year:

With an accrual bank of 480 hours on December 15, you may cash out 25 percent of the sick leave you accrued but did not use between December 16 of the previous year and December 15 of the current calendar year. We will reduce your sick leave bank balance by the amount of the leave you cash out.

With an accrual bank of 720 hours on December 15, you may cash out 50 percent of the sick leave you accrued but did not use between December 16 of the previous year and December 15 of the current calendar year. We will reduce your sick leave bank balance by the amount of leave you cash out.

With an accrual bank of 960 hours on December 15 of the current calendar year, you may cash out six (6) sick leave days or 48 hours with no reduction in your sick leave balance.

For part-time employees, we require a pro rata of the qualifying sick leave bank accrual level for each of the conditions above. The pro rata applied is based upon your regularly scheduled work hours.

We do not apply the above sick leave cash out program upon separation or retirement unless you are employed through December 15 of the current calendar year.

NOTE: Compassionate Leave donations do not affect your sick leave cash out eligibility (not counted as use of your sick leave).

VACATION LEAVE

We provide paid vacation leave accruals to E-Team employees on the following accrual schedule:

DEPARTMENT HEADS

All Years of Service	Hours Accrued Per Month
From hire	20.00

ALL OTHER E-TEAM EMPLOYEES

10 years and over	18.67

- **Earning Vacation:** You accrue vacation leave for each month in which you are in paid status for 120 hours (pro-rated for part-time) whether work hours or paid leave hours. Compassionate leave is not considered paid status for purpose of leave accrual.
- **Pro-Rata for Part-time Employees:** To accrue vacation leave for the month, you must be in paid status for 120 hours (prorated for part-time) whether work hours or paid leave hours. Compassionate Leave is not considered paid status for purpose of leave accrual.

- **We Limit Vacation Cash Out at Retirement or Separation:** We limit leave cash out of any kind at retirement to 240 hours if your cash out will trigger DRS excess compensation penalties.
- **Vacation Cash Out:** You may be able to cash out up to 40 hours (but not less than 8) of your accrued vacation leave on October 15th of each year, provided that the cash out will not reduce your vacation accrual balance to less than 80 hours. Note that this program, like the sick leave cash out program, is available if City budget allows. Call your Human Resources Department if you are unsure as to whether this program is currently active.
- **"Retirement"** as applied here means when you separate from employment and are retirement eligible under the Washington State Department of Retirement Systems rules regardless of whether you plan to file with DRS for retirement benefits.
- **Disposition of Vacation Bank on Separation:** We do not allow paid time “run-out” after the last day of work for PERS 2 and 3 employees. Your last day worked will be your last day of employment and any remaining accrued vacation will be paid out. (PERS 1 state regulations and City procedures are different.)

IX. RETIREMENT

PERS AND LEOFF

You are required to join one of the State of Washington pension systems that is appropriate for your position. These plans have different rules for vesting and retirement eligibility. All require both employee and employer contributions. Your initial hire date into regular public employment in a state or local government in Washington and the nature of your position (uniformed or non-uniformed) determines which retirement plan you enter. See the brochure for your plan or the Washington Department of Retirement Systems website at www.drs.wa.gov.

OPTIONAL RETIREMENT SAVINGS PLANS

401(a) PLAN

At your option, you may participate in a 401(a)-retirement savings plan. This plan is portable to and from a private sector 401(K) plan, IRA's, and other tax-sheltered retirement plans. We provide up to 3% (of employee's base pay) matching contribution to your 401(a)account administered by the International City Managers Association Retirement Corporation (ICMA-RC). (Certain employees are "grand-fathered" and the City's matching funds are contributed to a 457 Deferred Compensation Plan alternative retirement savings option.)

To participate, you must enroll and choose your savings amount within 60 days of initial employment as an E-TEAM member. Once you choose to participate, *your choice is irrevocable*.

DEFERRED COMPENSATION SAVINGS PLAN

All regular employees have an opportunity to participate in a voluntary tax deferred retirement savings plan (457 deferred compensation). Employees choose to direct a portion of their salary, tax deferred, to a plan that provides a variety of investment options. This contribution is deducted on a regular basis from their payroll check. Employees choose how to invest their contribution (bonds, mutual funds, etc.). Your savings grow with their regularly scheduled payroll contributions and through the earnings on their tax deferred investment.

Please contact Human Resources for more information on companies that provide tax deferred investment options available to you.

Nor do they constitute promises of specific treatment in specific situations and should not be relied upon as promises.
