

## City of Bellingham Current Construction Project

### Railroad Avenue - Depot Market

Depot Market Square is a dynamic project that includes a large pavilion structure and two sheds on an existing parking lot. The project also involves street improvements including new street and pedestrian lighting, roadway resurfacing, bicycle racks and other enhancements. The site will be used to house the Bellingham Farmers Market and many other events, bringing people to the downtown core of Bellingham. In addition, a 900 foot part of the building will be leased to a full time tenant. The site will continue to be used for public daytime parking once completed.

**Project Bid No:** 20B-2005

**Project Number:** ES-0183

#### **Project Schedule**

- Awarded 8/15/05
- Anticipated completion: March 2006

#### **Estimated Project Cost**

- \$2,325,622.00

#### **Project Engineer**

Ravyn Whitewolf, P.E.  
Phone: (360) 676-6961  
Email: rwhitewolf@cob.org

#### **Contractor**

Impero Construction

#### **Sub Contractor**

Blythe - HVAC, plumbing  
Advanced - Electrical  
Nelson Industrial - Steel Fabrication
