

City of Bellingham Current Construction Project

Chuckanut Drive Roadway Improvements

Project Description

This project includes curb, gutter and sidewalk on one side of Chuckanut Drive from 12th Street to Iris Lane. Pedestrian and bicycle safety will be further improved by the addition of a bicycle lane and new streetlights. The project was originally budgeted (2nd Quarter Excise Tax and Street Funds) in 2003 for design and construction in 2004. We decided in 2004 to table the project until this year based upon information about availability of suppliers and resulting construction costs. After input from residents, we decided to extend the sidewalk on Chuckanut Drive from Willow Road to Iris Lane, providing additional safety to residents of Warrenshire Plat.

Project Bid No: 51B-2005

Project Number: ES-0216

Project Schedule

- Awarded 6/13/05
- Anticipated working days to complete: 65

Estimated Project Cost

- \$703,298.00

Project Engineer

Mark Handzlik, P.E.
Phone: (360) 676-6961
