

# City of Bellingham Current Construction Project

## Cordata Parkway / Westerly Drive Roundabout

### Project Description

This project consists of constructing a roundabout at the intersection of Cordata Parkway and Westerly Drive and resurfacing Cordata Parkway between Bakerview Road and the new roundabout improvement. This project was identified in the Six-Year Transportation Plan. This is the second of two planned roundabouts on Cordata Parkway; the first is located at Cordata Parkway and West Kellogg Road. This project is a cooperative effort with Whatcom Community College and is designated to be constructed during the school's summer session.

**Project Bid No:** 60B-2005

**Project Number:** ES-0237

### Project Schedule

- Awarded 6/27/05
- Anticipated working days to complete: 100

### Estimated Project Cost

- \$860,675.00

### Project Engineer

Mark Handzlik, P.E.
