

## City of Bellingham Current Construction Project

### 30th & Donovan Street Improvement

#### Project Description

This project will improve 30th Street from Old Fairhaven Parkway to Donovan Avenue. Donovan from 30th to 32nd to 3/4 full standard street. This includes curb, gutter and sidewalk on one side and a bike lane on the other side. Due to safety reasons, 32nd Street between Old Fairhaven Pkwy and Donovan will be closed once project is complete. This project is combined with WSDOT freeway off ramp improvements. For more information on the WSDOT project, check out their page at:

- [http://www.wsdot.wa.gov/Projects/i5/sr11\\_sramps\\_oldfairhaven/](http://www.wsdot.wa.gov/Projects/i5/sr11_sramps_oldfairhaven/)
