JOB SUMMARY:

Manages special projects in the Mayor's Office. Responsible for comprehensive coordination, planning, project development and implementation for the Waterfront Redevelopment project and other major urban redevelopment initiatives in response to adopted City Council plans, goals and programs. Advocates for economic development in line with the Comprehensive Plan, zoning ordinances, and goals as established by the City. Provides project management and technical assistance to selected complex City, non-profit and for-profit sponsored projects and programs that support City community and/or economic development objectives.

DISTINGUISHING CHARACTERISTICS:

The Economic Development Manager is not part of a series of classifications. The Economic Development Manager is distinguished from Program Managers and Department Managers by its broad scope of authority for strategic planning and implementation of complex City-wide economic development initiatives, as well as a broad range of interdepartmental activities. The Economic Development Manager maintains a significant external focus, liaising with representatives from government agencies, community leaders, and management officials of the business community.

SUPERVISORY RELATIONSHIP:

Reports directly to the Mayor. Works independently with general guidance to ensure coordination of objectives and priorities of the Mayor and Council. Serves as a member of the Executive Department's Management Team. Has secondary responsibility to the Bellingham Whatcom Public Facilities Board. Oversees, reviews and coordinates the work of consultants. Works under applicable Federal, State, and City regulations, policies, and procedures.

ESSENTIAL FUNCTIONS OF THE JOB:

1. Negotiates with industry representatives to encourage retention, expansion or location of business in the City. Promotes new business and industrial development through personal contacts with community leaders, management officials of existing business and industry and local, state, federal and tribal agencies. Acts as liaison to the Whatcom Associate Development Organization and assists with business recruitment, retention and expansion programs as needed.
2. Develops, implements and evaluates strategic plans to retain, expand and attract new business. Evaluates assigned programs and functions through appropriate periodic review of the accomplishment of goals and objectives, data analysis, and reporting.

3. Directs strategic planning and coordinates all facets of planning and implementation of complex multi-project urban redevelopment programs including the Waterfront District. Develops and implements programs and projects including those within urban redevelopment programs, business and development programs and other special projects.
4. Represents the City's interests in significant multi-party redevelopment and economic development activities.
5. Solicits statements of qualifications and proposals on complex projects, coordinates selection, prepares contracts and provides oversight of professional consultants.
7. Prepares and presents a variety of reports, recommendations, contracts, and memoranda.
8. Establishes and maintains close cooperation with appropriate public and private organizations, departments, agencies, and individuals involved with redevelopment activities and economic development programs and maximizes constructive community involvement in planning and implementing economic and redevelopment activities.
9. Responds to inquiries and provides information and technical assistance regarding City redevelopment and economic development policies, project activities, and other related matters; attends meetings; serves on committees as assigned and participates in discussions regarding City operations and redevelopment and economic development; provides liaison to potential investors, developers, local businesses, and the public.
10. Provides oversight and management to various Boards and Commissions as assigned by the Mayor.
