Screen Name Redacted

10/04/2021 01:02 PM

Amphitheatre should be further east--away from Cordata Parkway.

Screen Name Redacted

10/06/2021 02:57 PM

I'd love to see the pickleball courts all with fencing (and adequate spacing), and lighting. Plus of course dreaming of a covering in the future!

Screen Name Redacted

10/06/2021 06:31 PM

Pickleball has become very popular... need even more courts than what's provided. Should be double that.

Screen Name Redacted

10/06/2021 08:00 PM

Covered pickle ball courts

Screen Name Redacted

10/06/2021 08:48 PM

I would add lights to the pickleball courts, and coverings if possible!

Screen Name Redacted

10/06/2021 09:17 PM

Four Pickleball courts is not nearly enough for the fastest growing community sport in the US! - We should have at least six to ten courts with lighting and cover now or planned for future expansion. BTW - the Bellingham Pickleball Club has about 350 members and is growing quickly.

Screen Name Redacted

10/06/2021 09:35 PM

no opinion

Screen Name Redacted

10/06/2021 10:43 PM

I like it all

Screen Name Redacted

10/07/2021 04:13 AM

More pickleball courts

Screen Name Redacted

10/07/2021 08:57 AM

I would cover the courts (especially pickleball). There's got to be a cost-effective way to do this, so they remain 'open-air,' but are protected from the rain.

Screen Name Redacted 10/07/2021 09:08 AM	Covered pickleball courts would be used year round. Please cover the pickleball courts.
Screen Name Redacted 10/07/2021 10:22 AM	More pickleball courts! Cornwall cannot accommodate the high growth of this sport. Please provide 6-8 courts with cover and lighting! This is the fastest growing sport in the US and its just booming in Bellingham. It is no longer a sport just for the retired - all ages and levels are playing. You would bring a lot of people to enjoy Cordata park if you provided significant pickleball options that are appropriate for year-round play.
Screen Name Redacted 10/07/2021 12:06 PM	It would be nice to have covered pickleball courts
Screen Name Redacted 10/07/2021 01:51 PM	I don't see any open restrooms at this end of Park - unless the pavilion restrooms will always be open.
Screen Name Redacted 10/07/2021 04:03 PM	Covered/lit pickleball courts
Screen Name Redacted 10/07/2021 06:13 PM	I would like to see covered pickleball courts that can be used during winter
Screen Name Redacted 10/07/2021 07:20 PM	Lots of pavement
Screen Name Redacted 10/07/2021 07:30 PM	Remove pickleball courts. Whatcom Community College is going to have (or already has?) their tennis courts converted public pickleball courts. Community members can be redirected there since it is only a short walk. Teams/leagues can be formed with WCC support.
Screen Name Redacted 10/07/2021 07:48 PM	I don't think there's anything I would change.
Screen Name Redacted 10/07/2021 08:31 PM	Active uses and parking is spread across two areas of the park rather than concentrated
Screen Name Redacted 10/08/2021 10:07 AM	Basketball

Screen Name Redacted

10/08/2021 11:47 AM

Does not include a covered space/roof for the athletic pickleball courts despite this being a year round sport enjoyed by all age groups. Looking at the national growth trend for pickleball, Bellingham has a unique opportunity to build a covered pickleball complex that enhances commercial opportunities; ie hotels, restaurants, etc. Our region invented pickleball and it has been taught in WA grade schools for the last 20years(?). Why not partner with Bellingham Tourism and develop a more proactive long term strategy that establishes a partnership between local hotels, restaurants and the city to explore building a pickleball complex capable of hosting events drawing players year round.

Screen Name Redacted

10/08/2021 09:02 PM

Add a disc golf course

Screen Name Redacted

10/08/2021 09:40 PM

Would love to have covered Pickleball courts.

Screen Name Redacted

10/09/2021 10:33 AM

It looks great. I would like to see path signage about the wetlands, why wetlands are important and showing photos and teaching details about the plants that grow there.

Screen Name Redacted

10/09/2021 08:03 PM

Nothing

Screen Name Redacted

10/10/2021 07:10 AM

I'm happy about additional pickleball courts

Screen Name Redacted

10/10/2021 11:28 AM

please add either fencing between the pickleball courts or spread them out over a larger area.

Screen Name Redacted

10/10/2021 09:55 PM

Make pickleball courts visible from parking lot, so if they are full you can more easily opt to drive elsewhere.

Screen Name Redacted

10/11/2021 08:43 AM

Any regular tennis courts?

Screen Name Redacted

10/11/2021 08:54 AM

I would not use the basketball court, but I don't mind it being there.

Screen Name Redacted

10/11/2021 09:25 AM

I'm generally happy with phase two of the plan—so glad you included pickleball. If budget were not a constraint though, I would add more pickleball courts. If you include covers then we can make it a Pacific Northwest year round sport. Thanks for the beautiful courts at Cornwall. Most times that I go they are full and have a waiting line. So having 8 or 10 courts at Cordata would provide more opportunity for the USA's fastest growing sport. It appeals to all ages. Internal fences are a smart design feature to keep from disturbing the neighboring court.

Screen Name Redacted

10/11/2021 07:19 PM

Add more Pickleball courts

Screen Name Redacted

10/11/2021 09:10 PM

We need lots more Pickleball courts in Bellingham. Would it be possible to double the number of Pickleball courts? If it can't be done right away, can you plan for additional courts in another phase? If they could be covered that would mean there would be even more days to play given our rainy weather.

Screen Name Redacted

10/12/2021 08:29 AM

Consider covered pickleball courts for full-year use

Screen Name Redacted

10/13/2021 11:35 AM

I would tighten up the pickle ball courts so that they are cheaper to build and can be enclosed with a roof at some point in the future. Too much land and too spread apart for lighting and fencing and possible year round use. reduce tree plantings in parking areas for additional cars. rather than adding spaces while reducing maintenance costs. Use concrete rather than asphalt to reduce heat island effect. Keep perimeter trees.

Screen Name Redacted

10/14/2021 06:00 PM

I don't use pavilions. I assume there is high demand that I am not aware of. I think there is an underused bldg at Maritime Heritage Park? If there is demand, I understand. I ride my bicycle to the park, so assume the parking is for the new bldgs. So many neighbors just walk here. Side note: Please replace giant bridge capacity signs with small signs. Thank you.

Screen Name Redacted

10/16/2021 10:17 AM

like it

Screen Name Redacted

10/16/2021 10:50 AM

Two more pickleball courts would be great but overall appears to be well designed and will make a great addition to this park.

Screen Name Redacted

10/21/2021 09:35 AM

Not sure of the types of events that will use the stage and if the parking is big enough for it.

Screen Name Redacted

10/28/2021 04:01 PM

There appears to still be a lack of shade throughout the park, which makes it hard/unpleasant to use during summer days.

Screen Name Redacted

10/28/2021 04:14 PM

Is there secure, visible bike parking?

Screen Name Redacted

10/28/2021 06:19 PM

The lack of trees and shade in hot weather. Not very pleasant on hot days with no trees or bushes. You might even think outside the box and plant fruit-bearing trees and bushes so the fruit could be harvested and eaten by SeaMar CHC's low-income patients and low-income residents living nearby. Maybe partner with SeaMar and tree-growing farmers who participate in Bellingham Farmers Market and have fund-raising events to purchase the fruit trees and bushes. This would add an exciting dimension to the park and could stand as a model for other cities.

Screen Name Redacted

10/28/2021 08:18 PM

Any additions to parks I feel is great! Nothing I don't like

Screen Name Redacted

10/28/2021 09:03 PM

park pavilion is too "public" for using for private events. i don't understand what the purpose is.

Screen Name Redacted

10/28/2021 09:10 PM

RC car area or skate bump.

Screen Name Redacted

10/28/2021 09:38 PM

I really would love an off leash dog area and trails. The squalicum creek one gets heavily trafficked and muddy, so a different ground covering or better upkeep of the wood chips would be smart. There are many pet friendly small homes in the area, and those dogs need to run. I got my dog when I lived in a house, but I'm in an apartment now with a high energy dog. When he gets to run off leash, he finally gets the right exercise that he needs. I'm sure there are many dogs in the neighborhood that would love it. I've seen people in an open area alongside the trail with their dogs off leash. I don't see anything posted there, so maybe it's an off leash area that I don't know about. Dog parks are so helpful and build community, because the people stand around talking about their dogs.

Screen Name Redacted 10/29/2021 12:25 AM	The spray park is extremely small. It was really crowded on a warm day.
Screen Name Redacted 10/29/2021 08:52 AM	Event lawn and pickleball courts. I think I would incorporate more greenery likes trees, shrubs, garden beds with native plants.
Screen Name Redacted 10/29/2021 09:15 AM	Parking should be adjacent to the roadway to minimize the impacts on the park. Large parking lots already exist adjacent to the park, and mitigating these by adding forest boundaries would be helpful. The focus on adding hardscape features is disturbing when open space and pervious surfaces are needed for both passive enjoyment and ecological services.
Screen Name Redacted 10/29/2021 01:47 PM	I'm not sure
Screen Name Redacted 10/29/2021 04:26 PM	1. Too much land devoted to parking. Public parking should be added the side street accessing the park to reduce the amount of land in the park devoted to parking. 2. There is no winter sport - a low shallow area in the park (preferably a loop around a center land mass) should be allowed to flood and freeze over in the winter for ice skating. I know it won't happen very often, but when it does, it would be truly unique and exciting. And when it's not frozen, it's a good wetland for the critters.
Screen Name Redacted 11/03/2021 01:34 AM	The lack of food forest, community garden, pollinator gardens, permaculture pilot, etc.
Screen Name Redacted 11/25/2021 09:01 AM	No a thing

Screen Name Redacted 10/08/2021 09:02 PM	If there were events like concerts or movies in the park like in other neighborhoods
Screen Name Redacted 10/08/2021 09:40 PM	Not sure.
Screen Name Redacted 10/09/2021 10:33 AM	If the pavilion is for indoor events, maybe classes could be held there, groups could meet.
Screen Name Redacted 10/09/2021 07:58 PM	Birthday parties, gatherings of friends
Screen Name Redacted 10/09/2021 08:03 PM	Possible family reunion
Screen Name Redacted 10/09/2021 08:48 PM	I wouldn't likely use it
Screen Name Redacted 10/10/2021 03:38 PM	similar to usage at Bloedel Donovan buildings

Screen Name Redacted 10/10/2021 09:55 PM	family reunion
Screen Name Redacted 10/11/2021 08:54 AM	For receptions and picnics. I like that it's relatively accessible for those who are mobility challenged.
Screen Name Redacted 10/11/2021 09:10 PM	Meetings for community organizations
Screen Name Redacted 10/13/2021 11:35 AM	might make that small north side library.
Screen Name Redacted 10/14/2021 06:00 PM	I don't think I'll use it. Maybe good to wait to build until after sewage backflow issue in this vicinity is resolved. Wait... is this a coffee house? I'd sit in there, then.
Screen Name Redacted 10/16/2021 10:17 AM	good job
Screen Name Redacted 10/21/2021 09:35 AM	All types of things! Birthday parties, meetings, neighborhood meetings.
Screen Name Redacted 10/28/2021 04:01 PM	I think that would just depend on what kind of events were hosted there.
Screen Name Redacted 10/28/2021 04:14 PM	Birthday, family gatherings
Screen Name Redacted 10/28/2021 06:19 PM	Picnics and potlucks. You might consider adding a kitchen so groups could rent it for cooking classes and other group food events.
Screen Name Redacted 10/28/2021 08:18 PM	Seems great for parties
Screen Name Redacted 10/28/2021 09:03 PM	maybe a kids birthday party? family reunion?
Screen Name Redacted 10/28/2021 09:38 PM	I'd love to offer Mary kay makeovers there and have my kid's birthday parties there.
