

**CITY OF BELLINGHAM**

**JOB DESCRIPTION**

**JOB TITLE:** Bellingham Fire Department Accounting Technician      **UNION:1937**  
**CLASS TITLE:** Accounting Technician      **SG:9**  
**DEPARTMENT:** Fire Department      **CS:E/P**  
**EEO4CODE/SOCCODE:AS/13-2011**  
**FLSA:Y**

**JOB SUMMARY:**

Performs various accounting functions for multiple funds within the Bellingham Fire Department and contractual accounting functions for Whatcom County Fire District 8. May be required to research applicable laws governing the administration and payment of contractual obligations. Assists in providing statistical and financial support to staff and State agencies. Prepares monthly, quarterly and annual financial reports as required by the departments, granting agencies and the Finance Department. Prepares other financial records for grants, including draw-down of funds from federal and state grants. Monitors grant performance in several areas, including payroll, prevailing wage labor standards and Federal grants, using independent judgment to make corrections or communicate concerns with outside parties. Assists with financial projections to department staff on a monthly basis or as needed.

**SUPERVISORY RELATIONSHIP:**

Reports to the Administrative Manager who assigns, reviews, and evaluates work. Works under general supervision and the guidance of state and federal laws, County/City ordinances and codes, and departmental policies. Serves as lead to the Fire Accounting Assistant.

**ESSENTIAL FUNCTIONS OF THE JOB:**

1. Maintains computerized record keeping system of expenditures and revenues, checking purchase orders, contracts and cash receipts for accuracy. Reconciles internal records against the appropriate County or City Finance Department financial database. Generates adjusting journal entries to create correcting adjustments and inter-fund reimbursements.
2. Processes accounts payable and receivable for the County and City Departments, utilizing appropriate BARS job cost codes or UAC's. Reviews and interprets various contracts for method of payment; monitors invoices for compliance with individual contracts. Ensures completion of appropriate documentation for Public Works projects in accordance with the WAC's, RCW's, and contractual agreements. Prepares requisitions for services, supplies and projects. Maintains job cost codes. Acts as liaison with vendors and Purchasing for payment of services. Prepares contracts from bids and information obtained from department staff.
3. Assists Administrative Manager with yearly budget processes for the City and County. Assists with developing estimates, including cost research and rate calculations.
4. Submits reimbursement requests for funds for federal and state grants. Ensures billing is accurate and conforms with various laws and requirements. Identifies costs; assigns accurate revenue codes to payments received. Researches and follows-up on delinquent accounts.

Reviews sub-recipient invoices for accuracy and contract compliance. Contacts sub-recipients for needed information.

5. Maintains Department credit cards and reconciles monthly credit card statements, ensuring appropriate supporting documentation is submitted to Finance Department.
6. Maintains records and adequate balance for petty cash accounts.
7. Serves as lead to the Fire Accounting Assistant. Organizes, assigns and monitors work; provides training, technical guidance and feedback. Provides feedback on employee performance to supervisor.

### **ADDITIONAL WORK PERFORMED**

1. Performs clerical duties such as typing, word processing and editing, filing, copying, drafting forms and data entry/retrieval.
2. Prepares job-related procedural task data.
3. Provides back-up receptionist coverage.
4. Provides information, training and assistance to Department staff.
5. Performs notary public services on County and City documents.
6. Performs other related duties of a similar nature and level within the scope of the classification.

### **PERFORMANCE REQUIREMENTS (Knowledge, Skills, and Abilities):**

#### Knowledge of:

- A working knowledge of Department operations and procedures; pertinent federal, state and local regulations.
- A working knowledge of computerized governmental accounting and audit practices, BARS accounting system. Strong knowledge of double-entry bookkeeping principles and practices.
