Lap Lane Rules/ Etiquette

Sharing a lap lane is required.

Public Lap Lanes will be noted with signs indicating which lane (or lanes) are designated for Slow, Medium and Fast swimmers.
(If we have more than 3 lanes open and organization is needed).

Circle swimming is required when lane is occupied with 2 or more people in a lane. Please inform other patrons of your presence BEFORE entering the lane.

Lifeguards will be moving swimmers as needed to help the flow of lap swimming.

Youth are allowed in lap lanes. They must be swimming as fast as the slowest swimmer.

Snorkels and fins are allowed in the lap lanes only.

Swimmers are welcome to bring their own equipment. Facility does provide kickboards and pull buoys
(located next to lane 1 on the shallow side).
