Thank you for considering these tips for the most effective communication using these lists:

- Please be mindful the people listed here are volunteers who give generously of their time to support our neighborhoods. Treat their contact information with respect and only share relevant, helpful, non-commercial information and requests.
- Send group emails as “bcc” items to prevent extended “reply all” threads.
- Clearly identify who you are, your affiliation to the neighborhood(s) you are emailing, and the purpose of your email.
