

CITY OF BELLINGHAM

JOB DESCRIPTION

JOB TITLE: Long Range Planning Manager

DEPARTMENT: Planning and Community Development

E-PLAN
SG:E2-15
CS:N
FLSA:N
EEO4CODE:OA

JOB SUMMARY:

This position is responsible for overseeing the Long Range Planning Division of the Planning and Community Development Department including implementing initiatives and programs adopted by City Council. Develops and implements the City's Comprehensive Plan, project implementation schedules, annual docket, neighborhood and urban village plans, zoning and other assigned development goals. Prioritizes and manages projects verifying technical standards are being met and ensuring compliance with federal, state, and local regulations and policies. Manages assigned budget within the established policies and procedures. Provides direction and work assignments to assigned staff within the division. Works collaboratively with other departments, external agencies, community groups, and the public to appropriately plan, guide, and serve the community's development. Serves as a City representative on various boards and committees.

SUPERVISORY RELATIONSHIP:

Reports to the Planning and Community Development Director. Works under general guidance and direction of applicable federal, state, and local statutes, regulations, policies, procedures and contractual agreements.

Supervises staff assigned to the Long Range Planning Division workgroup. Works as part of a team and coordinates with other department staff, external agencies, and maintains close working relationships with other City Departments. Collaborates with designated community organizations and committees.

ESSENTIAL FUNCTIONS OF THE JOB:

1. Plans, organizes, controls, evaluates, and carries out specific defined projects that implement the goals and objectives of the Planning and Community Development Department.
2. Plans, directs, coordinates, assigns, and implements division work plans and assignments. Delegates responsibility and appropriate authority to assigned staff. Monitors daily work activities and assesses workload to ensure timely and accurate completion of assigned responsibilities .
3. Supervises division staff including professional planning and geographic information systems (GIS) staff as assigned. in compliance with City policies and procedures. Oversees and reviews the work of direct reports. Provides leadership and motivation to work teams. Participates in the selection of new employees and manages performance in consultation with

- the Director and Human Resources. Ensures employees receive appropriate training, conducting regular performance appraisals and administering corrective action.
4. Manages employee relations for the Division. Establishes systems for communication and cooperation among and with division staff. Consults with supervisors regarding personnel actions. Handles labor relations issues arising out of the division in compliance with labor agreements and personnel policies.
 5. Develops and implements the City's Comprehensive Plan including determining updates and amendments as allowed under the State's Growth Management Act's annual docket process. Oversees the development and implementation of subarea, urban village and neighborhood plans, code revisions, development standards and Department policies.
 6. Represents the Department internally and externally. Prepares project reports and develops recommended solutions based on the review of data and statistical findings of ongoing and projected long range plans. Present findings to the City Council, boards and commissions, and other applicable interest groups.
 7. Develops, with approval from the Director, and manages the Division's budget including management of revenues and expenses. Authorizes and monitors the expenditures to remain within approved annual expense budget. Forecasts revenue and expenditure needs. Ensures accountability for financial assts under direct control. As a member of the management team, assists in preparation of the Department's budget and recommends revisions or updates to the established operating procedures including revenues and expenditures.
 8. Serves as a technical resource to management and employees. Keeps current in new developments in the field through professional membership, attendance at conferences, networking with other professionals, research and reading. Uses this contemporary knowledge for program, work system, and service delivery improvements.
 9. Participates in Department-wide, long-range strategic planning activities.
 10. Serves as the primary staff contact and liaison for the Planning Commission which includes coordinating agendas and meeting schedules.

ADDITIONAL WORK PERFORMED:

1. Assumes administrative responsibility for the department in the absence of the Director as assigned.
2. Performs other related work of a similar nature and level.
