

CITY OF BELLINGHAM

JOB DESCRIPTION

JOB TITLE: Communications and Outreach Manager

UNION:231

DEPARTMENT: Public Works

SG:7

CS:N

FLSA:N

EEO4CODE:PR

JOB SUMMARY:

Develops, implements and manages effective communications, education and outreach strategies to both inform and involve the Bellingham community and City staff in the work of the Public Works Department, with a focus on transparency and access to timely, accurate and understandable information about City actions and services. Leads all communications, marketing, education and outreach activities for the department including print and digital communications, programming, special events, community engagement, public opinion research and media relations. Develops and facilitates strategic approaches to ongoing and emerging issues. Participates in strategic planning and development. Maintains a regular working relationship with the City's Communications Director; contributes to Citywide communications priorities as assigned.

SUPERVISORY RELATIONSHIPS:

Reports to the Assistant Public Works Director, Natural Resources. Works independently under general supervision and the guidance of City and Departmental policies, procedures and industry best practices. Serves as a member of the Public Works Natural Resources Division Management Team and, when assigned, serves as a member of the Public Works Executive team and City of Bellingham communications team. Manages, trains, directs and supervises other staff, consultants, interns, extra labor and temporary employees as assigned.

ESSENTIAL FUNCTIONS OF THE JOB:

1. Plans, develops, oversees and implements strategic communications plans and environmental education and outreach programs for Public Works. Manages the execution of communication strategies across various media according to best practices. Under general direction, develops and implements the Public Works' Strategic Communications Plan to enhance the department's proactive, transparent communication to both inform and engage staff and the public.
2. Develops, implements and monitors annual work plans for the Public Works Department's communications, education and outreach programs. Supports the Assistant Public Works Directors in the development and monitoring of budgets for program areas. Prepares budget proposals and provides budget estimates to management.
3. Oversees and reviews the work of lower level staff, consultants, interns, extra labor and temporary employees as assigned. Assists in selection and training, assigns and monitors work, conducts performance appraisals, administers coaching, counseling and corrective action; carries out personnel actions as appropriate.

4. Regularly contributes to Citywide communications needs and projects as part of the City communications team and other interdepartmental teams. Contributes to emergency communications or joint information center activities as assigned.
5. Leads and oversees content creation and optimization for the Public Works' sections of the City website, social media sites and other electronic communications managed by the Public Works Department.
6. Oversees effective education and outreach programs to achieve the goals of the Public Works Department and to comply with all applicable regulations, policies and reporting requirements, including water conservation, stormwater, Lake Whatcom and Title VI. Applies best practices, such as social marketing, and works with other City departments, staff and outside organizations.
7. Develops, implements and administers effective communications policies and procedures within the Department to promote transparency and ensure consistent, accurate, understandable and timely communication to department staff and the public consistent with City policies, procedures and industry best practices.
8. Conducts research and analysis of assigned Public Works communications, education and outreach programs by gathering data and preparing reports to analyze impacts of efforts. Evaluates existing measures, maintains program databases, files and records. Manages and coordinates departmental stakeholder and public opinion research efforts.
9. Prepares and administers contracts for program and consultant services including: requests for proposals, scopes of work and cost estimates, monitoring progress, preparing reports and providing recommendations on findings.
10. Collaborates, coordinates and networks with other City staff, City departments, professional organizations, jurisdictions, agencies and educational institutions on topics that expand the City's ability to reach target audiences in an effective and coordinated way.
11. Responds to questions and concerns from Public Works staff and other city personnel, as well as local agencies, organizations, utilities and the public. Meets with community members and groups and professional associations as required. Develops response protocol in coordination with the Public Works Executive Team and the City's Communications Director.
12. Ensures consistent use of City standards in all print and electronic materials produced by Public Works such as logo use, image quality, and accessibility requirements. Observes established best practices and City and Department policies and guidelines to ensure effective copywriting, proofing and editing in coordination with various staff, City administration and consultants.
13. Administers grants including: researching grant funding sources, writing proposals and applications, determining appropriate budget allocation, strategy and priorities for the communications and outreach programs.

ADDITIONAL WORK PERFORMED:

1. Performs other related work of a similar nature or level.

PERFORMANCE REQUIREMENTS (Knowledge, Skills and Abilities):
