Classification Specification

CLASS TITLE	Park Specialist - Facilities
DEPARTMENT	Parks And Recreation
UNION:	1937
SG:	12
CS:	Entry/Promotional
FLSA:	Y
EEO/SOC CODE:	SC/37-3011

NATURE OF WORK:

Plans, schedules, and implements all work activities in the Facilities program area, including maintenance, operation, inspection, and overall use of public facilities. Facilitates events and reservations in park system and maintains reservation records. Ensures cleanliness of park grounds and provides responsive, high quality customer service. Maintains inventory of sanitation supplies, maintenance materials and equipment. Provides input on budgetary requirements and recommends new construction, improvements, and renovation. Responsible for the selection, care, operation, and replacement of all equipment for the program area. Serves as lead to staff assigned to program area; provides training, technical guidance, day-to-day direction and provides input on performance evaluations. Tracks and orders materials, equipment and supplies for program area, including price and product evaluation as well as bid packet creation and evaluation.

DISTINGUISHING CHARACTERISTICS:

The Park Specialist – Facilities is distinguished from other Park Specialists by its focus on ensuring public health, safety and customer service in the ongoing maintenance and inspection of park facilities, including restrooms, community buildings, sport courts, playgrounds, park water features, signage, parking lots and stormwater catch basins, and park furnishings. The Park Specialist – Facilities is distinguished from the Park Technician – Facilities by its responsibility for planning, scheduling, providing technical direction and serving as lead for the Facilities program. While the Park Technician operates primarily in a hands-on capacity, supporting the program by implementing the Park Specialist’s approved work plan, the Specialist operates in a broader, more strategic capacity.

SUPERVISORY RELATIONSHIPS:

Reports to the Park Facilities Field Supervisor or Park Facilities Manager. Work is performed under general supervision and the guidance of applicable federal, state and local statutes and regulations. Serves as lead to Park Technicians, Park Workers, seasonal employees, and other personnel assigned to program area. Coordinates activities with other Park Specialists. Maintains close working relationships with Park Operations staff and other City departments.

ESSENTIAL FUNCTIONS:

1. Under general supervision, develops and implements work programs, schedules and facility maintenance standards. Works with supervisor to develop and implement work methods, cleaning standards, work schedules, and personnel performance standards.
2. Serves as lead worker in program area. Provides training, technical guidance and day-to-day direction. Participates in the hiring process for seasonal staff. Makes recommendations regarding hiring of permanent staff in program area. Provides feedback regarding employee performance to supervisor.
3. Inspects Department facilities and monitors maintenance schedules and work performance of employees assigned to program area.
4. Ensures park facilities are cleaned and sanitized. Oversees and performs the basic maintenance and cleaning of parks facilities including restrooms, shelters, equipment, furniture, signs, grounds, and surfaces (tennis courts, trails, paved areas, etc.). Oversees and performs removal of graffiti from park buildings, furnishing, signs and sidewalks using cleaning chemicals or with power equipment.
5. Oversees and performs the preparation of park facilities for scheduled activities. Maintains reservation records. Accommodates special requests such as moving picnic tables or electrical needs.
6. Oversees and performs basic repair to structures, equipment, and systems involving carpentry, painting, masonry, plumbing and other building trade skills. Reports major facility maintenance issues to supervisor.
- 7.
8. Assists in the development of Facilities program area budget including maintenance and project costing and tracking, costing and purchase of equipment, materials and supplies including bid package formation, submittal and review.
9. Answers inquiries and advises/informs the public of park rules, regulations and reservation policies. Issues notices to illegally parked vehicles. Works cooperatively with the Police Department to request assistance for serious enforcement issues that cannot be resolved.
10. Maintains, purchases and monitors inventory of sanitation supplies, maintenance materials, and equipment. Meets with supplier representatives and makes recommendations for major purchasing and/or replacement.
11. Oversees and performs lockup and security functions in parks including locking/unlocking restrooms, picnic shelters, pavilions, bollards, and park gates as assigned. Reports on any unauthorized occupants, illegal activity, or suspicious circumstances to supervisor. Utilizes appropriate de-escalation techniques as needed.
12. Ensures playground equipment and park facilities are safe and properly maintained; maintains, repairs or replaces playground components and fall surfacing as needed. Orders replacement parts and ensures appropriate inventory is on hand.
13. Monitors and routes records/inspections/reports of Facilities program to Supervisor.

14. Performs the work of the class below as needed or assigned..

ADDITIONAL WORK PERFORMED:

1. Loads, hauls and delivers materials/supplies to park facilities.
2. Performs public relations/information/community outreach duties.
3. Operates a variety of parks maintenance vehicles/equipment.
4. Performs other related duties within the scope of the classification.
