

WELCOMING AND SUPPORTING ADEI

- *How can we be more accessible, diverse, equitable, inclusive (ADEI)?*
- *What are the biggest ADA barriers in our community?*
- *How can we as a community integrate a diversity of cultures, backgrounds, and experiences? How can we be more inclusive of native culture?*

ART, CULTURAL AND COMMUNITY SPACES FOR ALL

- *How do you want to gather and what form of art, cultural and/or community spaces help foster that?*
- *What would help community spaces be by the community for the community?*
- *What elements make community spaces feel safe and supportive for all?*

PARKS AND RECREATION

- *How do you use public recreation spaces and facilities such as parks, open spaces, trails, etc.? Are they meeting your needs?*
- *Are parks, trails, and recreation facilities easy to access and do you feel welcome? In what ways can they be more accessible and/or inclusive?*
- *The City is evaluating the possibility of a new type of neighborhood park space commonly called a "pocket park." These pocket parks are small, community spaces that can be tucked into and scattered throughout neighborhoods to serve the immediate local population. They could include traditional park amenities or be designed as natural respite or community meeting spaces. What types of things would your ideal pocket park include?*
