

Service Providers Permit Terms of Use

1. Commercial Parking Permits must be renewed annually through Parking Services. The rate is \$250.00 per permit.
2. The permit is valid only while the vehicle is being used to provide ready access to tools and equipment. It cannot be used for employee parking adjacent to work sites.
3. The vehicles using the permit must be registered in the parking system. Failure to register the vehicle may result in a citation.
4. Business requesting the parking permit(s) have an active City business account in good standing being up to date with business & occupation taxes.
5. The applicant must be an in-home healthcare provider, or licensed and registered to perform plumbing, electrical, construction, refrigeration, repair, or a similar trade within the City limits.
6. The permit is not valid for parking in special zones, such as bus, loading or disabled zones, or where road closures are in effect.
7. Permits may be used in metered spaces only for the time required to complete the work. The permit allows trades persons to park without paying for meter time only while engaging in their trade
8. Failure to conform to the provisions above may result in revocation of all permits issued and forfeiture of any fees paid. Other fines may be assessed, including a misdemeanor charge and a fine not to exceed \$500.
