

# We want to know perspectives about... **COMMUNITY CHANGES AND TRENDS**

Consider some of the many ways in which our community is changing. Some of these current and future trends that impact the economy include:

- *Looming climate impacts and adaptation challenges*
- *Food insecurity and urban agriculture*
- *Reshoring manufacturing Jobs*
- *The future of work*
- *Rise of e-commerce and reduction of brick-and-mortar stores*

***Considering these and other changes in today's world, how have your habits shifted as a result?***

***If you do work remotely, how has remote work shifted your daily habits? What are some of the challenges and opportunities?***
