NATURE OF WORK:

Incumbents are responsible for receiving and serving court documents and for the transportation and extradition of prisoners. Serve and process court orders from Bellingham Municipal, Whatcom District and Whatcom Superior Courts, and other jurisdictions. These orders include all classes of arrest warrants, subpoenas, summons, and domestic violence papers (no contact, restraining, and protection orders) and anti-harassment orders. The Warrant Officer is also responsible for the service of other types of legal process, both civil and criminal, from the Municipal Court, City Attorney's office, and the Bellingham Police Department. DISTINGUISHING CHARACTERISTICS:

The Warrant Officer classification is distinguished from Police Officer by its limited commission and duties. The work of this classification is focused on serving warrants, subpoenas and restraining orders. The Police Officer exercises the full range of general duty police work to protect life and property through the enforcement of laws and ordinances and emergency response. The Warrant Officer has the authority to make an arrest only after a court has issued an arrest warrant or when ordered by a judge to transport a prisoner to jail for contempt of court, sentencing or revocation of probation.
