

Table 1. Plant species observed at Barkley Village, May 24-29, 2021.

| Common | Scientific | Wetland Indicator Status (W. Mtns. Valleys, & Coast) | Non-Native? |
|----------------------------------|------------------------------|---|-------------|
| Maple, vine | <i>Acer circinatum</i> | FAC | |
| Maple, big-leaf | <i>Acer macrophyllum</i> | FACU | |
| Redtop | <i>Agrostis gigantea</i> | FAC | X |
| Alder | <i>Alnus rubra</i> | FAC | |
| Foxtail, meadow | <i>Alopecurus pratensis</i> | FAC | X |
| Vernalgrass, sweet | <i>Anthoxanthum odoratum</i> | FACU | X |
| Oatgrass, tall | <i>Arrhenatherum album</i> | - | X |
| Ladyfern | <i>Athyrium filix-femina</i> | FAC | |
| Sedge, dewey* | <i>Carex deweyana</i> | FAC | |
| Sedge, slough | <i>Carex obnupta</i> | OBL | |
| Nightshade, small enchanter's | <i>Circaea alpina</i> | FAC | |
| Thistle, Canada | <i>Cirsium arvense</i> | FAC | X |
| Dogwood | <i>Cornus sericea</i> | FACW | |
| Hawthorn | <i>Crataegus monogyna</i> | FAC | X |
| Scotch broom | <i>Cytisus scoparius</i> | - | X |
| Orchardgrass | <i>Dactylis glomerata</i> | FACU | X |
| Woodfern, spreading | <i>Dryopteris expansa</i> | FACW | |
| Field horsetail | <i>Equisetum arvense</i> | FAC | |
| Buckthorn, Cascara | <i>Frangula purshiana</i> | FAC | |
| Ash, Oregon | <i>Fraxinus latifolia</i> | FACW | X |
| Bedstraw, fragrant | <i>Galium triflorum</i> | FACU | |
| Geranium, Roberts | <i>Geranium robertianum</i> | FACU | X |
| Avens, large-leaved | <i>Geum macrophyllum</i> | FAC | |
| English ivy | <i>Hedera helix</i> | FACU | X |
| Ocean spray | <i>Holodiscus discolor</i> | FACU | |
| Holly | <i>Ilex aquifolium</i> | FACU | X |
| Soft rush | <i>Juncus effusus</i> | FACW | |
| Honeysuckle, orange | <i>Lonicera ciliosa</i> | - | |
| Twinberry | <i>Lonicera involucrata</i> | FAC | |
| Trefoil, big | <i>Lotus pedunculatus</i> | FAC | X |
| Lupine, large-leaved | <i>Lupinus polyphyllus</i> | FAC | |
| Skunk cabbage, western | <i>Lysichiton americanus</i> | OBL | |
| Oregon grape | <i>Mahonia nervosa</i> | FACU | |
| Lily of the valley, false | <i>Maianthemum dilatatum</i> | FAC | |
| Crabapple, western | <i>Malus fusca</i> | FACW | |
| Plum, Indian | <i>Oemleria cerasiformis</i> | FACU | |
| Java water dropwort | <i>Oenanthe sarmentosa</i> | OBL | |
| Reed canarygrass | <i>Phalaris arunindacea</i> | FACW | X |
| Fowl bluegrass | <i>Poa palustris</i> | FAC | * |
| Knotweed, Japanese | <i>Polygonum cuspidatum</i> | FACU | X |
| Sword fern, western | <i>Polystichum munitum</i> | FACU | |
| Black cottonwood | <i>Populus balsamifera</i> | FAC | * |
| Aspen | <i>Populus tremuloides</i> | FACU | |

| Common | Scientific | Wetland Indicator Status (W. Mtns. Valleys, & Coast) | Non-Native? |
|-------------------------|--------------------------------|---|-------------|
| Selfheal | <i>Prunella vulgaris</i> | FACU | |
| Douglas fir | <i>Pseudotsuga menziesii</i> | FACU | |
| Buttercup, meadow/tall | <i>Ranunculus acris</i> | FAC | X |
| Buttercup | <i>Ranunculus repens</i> | FAC | X |
| Rose, Nootka | <i>Rosa nutkana</i> | FAC | |
| Rose, swamp or peafruit | <i>Rosa pisocarpa</i> | FAC | |
| Blackberry, Himalayan | <i>Rubus armeniacus</i> | FAC | X |
| Thimbleberry | <i>Rubus parviflorus</i> | FACU | |
| Salmonberry | <i>Rubus spectabilis</i> | FAC | |
| Blackberry, trailing | <i>Rubus ursinus</i> | FACU | |
| Willow, Pacific | <i>Salix lasiandra</i> | FACW | |
| Blue-eyed grass, Idaho | <i>Sisyrinchium idahoensis</i> | FACW | |
| Mother of thousands | <i>Soleirolia soleirolii</i> | [OBL?] | X |
| Mountain ash, European | <i>Sorbus aucuparia</i> | - | X |
| Spirea, rose/ Doulgas | <i>Spirea douglasii</i> | FACW | |
| Snowberry | <i>Symphoricarpos albus</i> | FACU | |
| Tansy, common | <i>Tanacetum vulgare</i> | FACU | X |
| Cedar, western red | <i>Thuja plicata</i> | FAC | |
| Cattail | <i>Typha Latifolia</i> | OBL | |
| Stinging nettle | <i>Urtica dioica</i> | FAC | |
| Brooklime, American | <i>Veronica americana</i> | OBL | |
| Speedwell, skullcap | <i>Veronica scutellata</i> | OBL | X |
| Vetch, tiny | <i>Vicia hirsuta</i> | - | X |
| Vetch, lentil | <i>Vicia tetrasperma</i> | - | X |

* Distributed in Whatcom County, not included in COB Native Plant List.
