

Eliza Avenue Sidewalk

Project Overview: ES-0490

This project includes widening Eliza Avenue from Westerly Road to Kellogg Road to accommodate a left turn lane, southbound bike lane, and a sidewalk along the west side. This project also includes an pavement overlay of this portion of Eliza Avenue, as well as on Kellogg Road from Eliza Avenue to Cordata Parkway. This portion of sidewalk and bike lane will provide pedestrian and bicycle connectivity to adjoining roadways as well as the Division Street Trail, and repair failing pavement.

Funding for this project comes from Transportation Benefit District #1.
