

Yew Street Sidewalk

Project Overview: ES-0510

This project will replace the existing sidewalk and watermain along the east side of Yew Street from Texas to Alabama streets to meet ADA requirements, and construct a bioretention facility between the edge of street pavement and the new sidewalk. The project will improve pedestrian facilities and stormwater quality for this area.

Funding for this project comes from Transportation Benefit District #1, the Transportation Improvement Board and the City's water fund.

Project Details

- Status - Complete
- Contract Awarded - July 27, 2015
- Contract Amount - \$227,714.24
- Contractor - Henifin Construction, LLC
- Completion Date - 1/11/2016
- Final Contract Amount - \$230,195.25
- Vicinity Map

Affected Neighborhoods

- Roosevelt

Participating Departments

- Public Works
