GUARANTEE CONDITIONS AND STIPULATIONS

1. Definition of Terms.
   The following terms when used in the Guarantee mean:
   (a) "the Assured": the party or parties named as the Assured in this Guarantee, or on a supplemental writing executed by the Company.
   (b) "land": the land described or referred to in Schedule A and improvements affixed thereto which by law constitute real property. The term "land" does not include any property beyond the lines of the area described or referred to in Schedule A, nor any right, title, interest, estate or easement in abutting streets, roads, avenues, alleys, lanes, ways or waterways.
   (c) "mortgage": mortgage, deed of trust, trust deed, or other security instrument.
   (d) "public records": records established under state statutes at Date of Guarantee for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without knowledge.
   (e) "date": the effective date.

2. Notice of Claim to be Given by Assured Claimant.
   An Assured shall notify the Company promptly in writing in case knowledge shall come to an Assured hereunder of any claim of title or interest which is adverse to the title to the estate or interest, as stated herein, and which might cause loss or damage for which the Company may be liable by virtue of this Guarantee. If prompt notice shall not be given to the Company, then all liability of the Company shall terminate with regard to the matter or matters for which prompt notice is required; provided, however, that failure to notify the Company shall in no case prejudice the rights of any Assured under this Guarantee unless the Company shall be prejudiced by the failure and then only to the extent of the prejudice.

3. No Duty to Defend or Prosecute.
   The Company shall have no duty to defend or prosecute any action or proceeding to which the Assured is a party, notwithstanding the nature of any allegation in such action or proceeding.

4. Company's Option to Defend or Prosecute Actions; Duty of Assured Claimant to Cooperate
   Even though the Company has no duty to defend or prosecute as set forth in Paragraph 3 above:
   (a) The Company shall have the right, at its sole option and cost, to institute and prosecute any action or proceeding, interpose a defense, as limited in (b), or to do any other act which in its opinion may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured, or to prevent or reduce loss or damage to the Assured. The Company may take any appropriate action under the terms of this Guarantee, whether or not it shall be liable hereunder, and shall not thereby concede liability or waive any provision of this Guarantee. If the Company shall exercise its rights under this paragraph it shall do so diligently.
   (b) If the Company elects to exercise its options as stated in Paragraph 4(a) the Company shall have the right to select counsel of its choice (subject to the right of such Assured to object for reasonable cause) to represent the Assured and shall not be liable for and will not pay the fees of any other counsel, nor will the Company pay any fees, costs or expenses incurred by an Assured in the defense of those causes of action which allege matters not covered by this Guarantee.
   (c) Whenever the Company shall have brought an action or interposed a defense as permitted by the provisions of this Guarantee, the Company may pursue any litigation to final determination by a court of competent jurisdiction and expressly reserves the right, in its sole discretion, to appeal from an adverse judgment or order.
   (d) In all cases where this Guarantee permits the Company to prosecute or provide for the defense of any action or proceeding, an Assured shall secure to the Company the right to so prosecute or provide for the defense of any action or proceeding, and all appeals therein, and permit the Company to use, at its option, the name of such Assured for this purpose. Whenever requested by the Company, an Assured, at the Company's expense, shall give the Company all reasonable aid in any action or proceeding, securing evidence, obtaining witnesses, prosecuting or defending the action or lawful act which in the opinion of the Company may be necessary or desirable to establish the title to the estate or interest as stated herein, or to establish the lien rights of the Assured. If the Company is prejudiced by the failure of the Assured to furnish the required cooperation, the Company's obligations to the Assured under the Guarantee shall terminate.

5. Proof of Loss or Damage.
   In addition to and after the notices required under Section 2 of these Conditions and Stipulations have been provided to the Company, a proof of loss or damage signed and sworn to by the Assured shall be furnished to the Company within ninety (90) days after the Assured shall ascertain the facts giving rise to the loss or damage. The
proof of loss or damage shall describe the matters covered by this Guarantee which constitute the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage. If the Company is prejudice by the failure of the Assured to provide the required proof of loss or damage, the Company’s obligation to such assured under the Guarantee shall terminate. In addition, the Assured may reasonably be required to submit to examination under oath by any authorized representative of the Company and shall produce for examination, inspection and copying, at such reasonable times and places as may be designated by any authorized representative of the Company, all records, books, ledgers, checks, correspondence and memoranda, whether bearing a date before or after Date of Guarantee, which reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Assured shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect and copy all records, books, ledgers, checks, correspondence and memoranda in the custody or control of a third party, which reasonably pertain to the loss or damage. All information designated as confidential by the Company provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Assured to submit for examination under oath, produce other reasonably requested information or grant permission to secure reasonably necessary information from third parties as required in the above paragraph, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this Guarantee to the Assured for that claim.

6. Options to Pay or Otherwise Settle Claims: Termination of Liability.

In case of a claim under this Guarantee, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Liability or to Purchase the Indebtedness.

The Company shall have the option to pay or settle or compromise for or in the name of the Assured any claim which could result in loss to the Assured within the coverage of this Guarantee, or to pay the full amount of this Guarantee to the Company, in whatever manner by any authorized representative of the Company, and to purchase the indebtedness secured by said mortgage or said lien for the amount owing thereon, together with any costs, reasonable attorneys’ fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of purchase.

Such purchase, payment or tender of payment of the full amount of the Guarantee shall terminate all liability of the Company hereunder. In the event after notice of claim has been given to the Company by the Assured the Company offers to purchase said indebtedness, the owner of such indebtedness shall transfer and assign said indebtedness, together with any collateral security, to the Company upon payment of the purchase price.

Upon the exercise by the Company of the option provided for in Paragraph 4, and the Guarantee shall be surrendered to the Company for cancellation.

(b) To Pay or Otherwise Settle With Parties Other Than the Assured or With the Assured Claimant.

To pay or otherwise settle with other parties for or in the name of an Assured claimant any claim assured against under this Guarantee, together with any costs, attorneys’ fees and expenses incurred by the Assured claimant which were authorized by the Company up to the time of payment and which the Company is obligated to pay.

Upon the exercise by the Company of the option provided for in Paragraph (b) the Company’s obligation to the Assured under this Guarantee for the claimed loss or damage, other than to make the payment required in that paragraph, shall terminate, including any obligation to continue the defense or prosecution of any litigation for which the Company has exercised its options under Paragraph 5.

7. Determination and Extent of Liability.

This Guarantee is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Assured claimant who has suffered loss or damage by reason of reliance upon the assurances set forth in this Guarantee and only to the extent herein described, and subject to exclusions stated in Paragraph 2.

The liability of the Company under this Guarantee to the Assured shall not exceed the least of:

(a) the amount of liability stated in Schedule A;
(b) the amount of the unpaid principal indebtedness secured by the mortgage of an Assured mortgagee, as limited or provided under Section 7 of these Conditions and Stipulations or as reduced under Section 10 of these Conditions and Stipulations, at the time the loss or damage assured against by this Guarantee occurs, together with interest thereon; or
(c) the difference between the value of the estate or interest covered hereby as stated herein and the value of the estate or interest subject to an defect, lien or encumbrance assured against by this Guarantee.

8. Limitation of Liability.

(a) If the Company establishes the title, or removes the alleged defect, lien or encumbrance, or cures any other matter assured against by this Guarantee in a reasonably diligent manner by any authorized representative of the Company, and the completion of any appeals therefrom, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused thereby.

(b) In the event of any litigation by the Company or with the Company’s consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals therefrom, adverse to the title, as stated herein.

(c) The Company shall not be liable for loss or damage to any Assured for liability voluntarily assumed by the Assured in settling any claim or suit without the prior written consent of the Company.

9. Reduction of Liability or Termination of Liability.

All payments under this Guarantee, except payments made for costs, attorneys’ fees and expenses pursuant to Paragraph 5 shall reduce the amount of liability pro tanto.

(a) No payment shall be made without producing this Guarantee for endorsement of the payment unless the Guarantee has been lost or destroyed, in which case proof
of loss or destruction shall be furnished to the satisfaction of the Company.

(b) When liability and the extent of loss or damage has been definitely fixed in accordance with these Conditions and Stipulations, the loss or damage shall be payable within thirty (30) days thereafter.

11. Subrogation Upon Payment or Settlement.
Whenever the Company shall have settled and paid a claim under this Guarantee, all right of subrogation shall vest in the Company unaffected by any act of the Assured claimant.

The Company shall be subrogated to and be entitled to all rights and remedies which the Assured would have had against any person or property in respect to the claim had this Guarantee not been issued. If requested by the Company, the Assured shall transfer to the Company all rights and remedies against any person or property necessary in order to perfect this right of subrogation. The Assured shall permit the Company to sue, compromise or settle in the name of the Assured and to use the name of the Assured in any transaction or litigation involving these rights or remedies.

If a payment on account of a claim does not full cover the loss of the Assured the Company shall be subrogated to all rights and remedies of the Assured after the Assured shall have recovered its principal, interest, and costs of collection.

Unless prohibited by applicable law, either the Company or the Assured may demand arbitration pursuant to the Title Insurance Arbitration Rules of the American Arbitration Association.

Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Assured arising out of or relating to this Guarantee, any service of the Company in connection with its issuance of the breach of a Guarantee provision or other obligation. All arbitrable matters when the Amount of Liability is $1,000,000 or less shall be arbitrated at the option of either the Company or the Assured. All arbitrable matters when the amount of liability is in excess of $1,000,000 shall be arbitrated only when agreed to by both the Company and the Assured. The Rules in effect at Date of Guarantee shall be binding upon the parties. The award may include attorneys’ fees only if the laws of the state in which the land is located permits a court to award attorneys’ fees to a prevailing party. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.

The law of the situs of the land shall apply to an arbitration under the Title Insurance Arbitration Rules.

A copy of the Rules may be obtained from the Company upon request.

13. Liability Limited to This Guarantee; Guarantee Entire Contract.

(a) This Guarantee together with all endorsements, if any, attached hereto by the Company is the entire Guarantee and contract between the Assured and the Company. In interpreting any provision of this Guarantee, this Guarantee shall be construed as a whole.

(b) Any claim of loss or damage, whether or not based on negligence, or any action asserting such claim, shall be restricted to this Guarantee.

(c) No amendment of or endorsement to this Guarantee can be made except by a writing endorsed hereon or attached hereto signed by either the President, a Vice President, the Secretary, an Assistant Secretary, or validating officer or authorized signatory of the Company.

No. 159473. Certified Copy of Resolution.

IN THE COUNCIL CHAMBER OF THE CITY OF BELLINGHAM, WASH. BEFORE THE HONORABLE MAYOR AND CITY COUNCIL.

IN THE MATTER OF VACATION OF PORTIONS OF THE AMENDED MAP OF SOUTH FAIRHAVEN, NOW A PORTION OF BELLINGHAM, WASHINGTON.

RESOLUTION.

Whereas J. L. Easton did on the 17th day of May, 1912, file with the City Clerk of the City of Bellingham, Whatcom County, State of Washington, a written petition asking and praying for the vacation of the following described portions of the Amended Map of South Fairhaven, now a portion of the City of Bellingham, to wit:

Block 2, Blocks 3, except lots 1 & 2; Blocks 5, 6, 7, 8, 9, 10, 11, 12, except lot 38 in Block 9, Block 13, except lots 14, 15, 16, 17, 20, 21, & 22; Block 14; Block 15, except lot 17; Block 16, except lots 1 & 3; Block 17, also the streets and alleys abutting upon said lots and
and blocks, and particularly described hereinafter, and in said petition, and

Whereas the City Clerk of said City of Bellingham, has fixed Monday, the 1st day of July, 1912, at the hour of 8 o’clock P. M. of the said day before the City Council of the City of Bellingham, at its regular session to be held on said day, as the time and place for the hearing of the said petition; and whereas the City Clerk caused a notice to be issued under his hand and the seal of the said City of Bellingham, stating by whom and when said petition was filed, and the object thereof, and when and where the same would be heard, said notice also describing the lots, blocks, streets and alleys sought to be vacated; and whereas it satisfactorily appears that the said petitioner in the owner of all of the property abutting upon the portions of the streets and alleys sought to be vacated; that said streets and alleys have never been opened, or used by the public, and have no connection with any street or alley used by the public; that due notice of this hearing was given by the Clerk of said City, by posting notices according to law, more than 20 days prior to this hearing; that no objections have been filed to the granting of the said petition, and that no person or persons have appeared in opposition thereto; and

Whereas, it appears to the City Council of said City that all of the allegations of said petition are true; that the said City Council has jurisdiction of the subject matter of said petition; that all of the proceedings in this matter have been regular and according to law, and that said petition ought to be granted;

Now, Therefore, It Is Resolved and Ordered by the City Council of the City of Bellingham, Whatcom County, State of Washington, being in regular session, that all of those lots and blocks and all of those portions of the streets and alleys in South Fairhaven (now a portion of the City of Bellingham, Washington) as shown by the Amended Map thereof, or record in the office of the Auditor of Whatcom County, Washington, and hereinafter particularly described, be, and the same are, hereby vacated, to wit:

Also, that portion of Chuckanut Avenue lying between said Blocks 2 & 7, and 3 & 6, and the Northwest half of Chuckanut Avenue lying between Blocks 4 & 5; also all that portion of Prospect Street lying between the South line of Fairhaven Street and the West line of said plat, except the portion of the Southeast half thereof abutting upon Block 8; also all of Bay Street; also all of Baker Street, except that portion of the North half thereof abutting upon lots 20,21, & 22 in Block 13, also all of Fairhaven Street, except that portion of the South half thereof abutting upon lots 14,15,16,17,18, & 19, in Block 13, and that portion of the North half thereof abutting upon lot 17 in Block 15; also all that portion of Quinault Street abutting upon Blocks 15 & 17; also all of the street lying between Blocks 2 & 3,5 & 7 & 9 & 10, from the South line of Bay Street to the Government meander line on Chuckanut Bay; also the northeast half of the street lying between Blocks 14,2, and 7 & 8 from the center line of Prospect Street to said meander line; also the west half of Eighth street from Baker Street to the North line of Quinault Street;

(d) It is further agreed and understood that at such time as the Jones lot is improved, any costs thereafter required to maintain the portion of the driveway or roadway which is to be used by both parties shall be borne equally by the owners of the respective properties.

(e) It is agreed and understood that these easements are nonexclusive, perpetual easements running with the land, and shall be limited to the uses set forth herein, to wit: ingress, egress and access to the respective properties, and as an area for the location of mutually necessary utilities.

(f) The rights and obligations of the parties shall likewise run with the land and shall inure to the benefit of and be binding upon their respective successors and assigns.

PUGET POWER

EASEMENT FOR UNDERGROUND ELECTRIC SYSTEM

For and in consideration of One Dollar ($1.00) and other valuable consideration, the receipt of which is hereby acknowledged, ARN HURK S and

SELLINGHAM NATIONAL BANK

("Grantee" herein), grants, conveys and warrants to PUGET SOUND POWER & LIGHT COMPANY, a Washington corporation ("Grantee" herein), for the purposes hereinafter set forth a perpetual easement under, across and over the following described real property (the "Property" herein): WHATCOM County, Washington.

Block 11, together with vacated streets and allies in the "Amended Map of South Fairhaven in the City of Fairhaven, Washington," now a part of the consolidated City of Bellingham, Whatcom County, Washington, as per the map thereof, recorded in Book 4 of Plats, page 49, in the Auditor's Office of said county and state.

Except as may be otherwise set forth herein Grantee's rights shall be exercised upon that portion of the Property (the "Right-of-Way" herein) described as follows:

A Right-of-Way 20 feet in width having 10 feet of such width on each side of a centerline described as follows: The centerline of Grantee's facilities as constructed or to be constructed, extended, or relocated, lying within the above described property.

(This easement may be superseded at a later date by a document with a more specific easement description based on a survey furnished by Grantor at no cost to Grantee.)

1. Purpose. Grantee shall have the right to construct, operate, maintain, repair, replace and enlarge an underground electric transmission and/or distribution system upon and under the Right-of-Way together with all necessary or convenient appurtenances thereof, which may include but are not limited to the following: underground conduits, cables, communication lines, vaults, manholes, switches and transformers; and semi-buried or ground mounted facilities. Following the initial construction of its facilities, Grantee may from time to time construct such additional facilities as it may require.

2. Access. Grantee shall have the right of access to the Right-of-Way over and across the Property to enable Grantee to exercise its rights hereunder, provided, that Grantee shall compensate Grantor for any damage to the Property caused by the exercise of said right of access.

3. Obstructions; Landscaping. Grantee may from time to time remove trees, bushes, or other obstructions within the Right-of-Way and may level and grade the Right-of-Way to the extent reasonably necessary to carry out the purposes set forth in paragraph 1 hereof, provided, that following any such work, Grantee shall, to the extent reasonably practicable, restore the Right-of-Way to the condition it was immediately prior to such work. 4. Grantor's Use of Right-of-Way. Grantor reserves the right to use the Right-of-Way for any purpose not inconsistent with the rights herein granted, provided, that Grantor shall not construct or maintain any building or other structure on the Right-of-Way which would interfere with the exercise of the rights herein granted; that no digging, tunneling or other form of construction activity shall be done on the Property which would disturb the compensation or unsaunch Grantee's facilities on the Right-of-Way, or endanger the lateral support to said facilities; and that no blasting shall be done within 15 feet of the Right-of-Way.

5. Indemnity. By accepting and recording this easement, Grantee agrees to indemnify and hold harmless Grantor from any and all claims for injuries and/or damages suffered by any person which may be caused by the Grantee's exercise of the rights herein granted; provided, that Grantee shall not be responsible to Grantor for any injuries and/or damages to any person caused by acts or omissions of Grantee.

6. Abandonment. The rights herein granted shall continue until such time as Grantee ceases to use the Right-of-Way for a period of five (5) successive years, in which event this easement shall terminate and all rights hereunder shall revert to Grantor, provided that no abandonment shall be deemed to have occurred by reason of Grantee's failure to initially install its facilities on the Right-of-Way within any period of time from the date hereof.

CITY OF BELLINGHAM DEPARTMENT OF PUBLIC WORKS
COVENANT CREATING OPTION RIGHTS

THIS COVENANT CREATING OPTION RIGHTS dated this 23rd day of June, 1993 is executed by ANN JONES, the owner of Lots A and B of the Rogan Jones Short Plat, a Short Plat heretofore created and recorded in the Auditor's Office of Whatcom County, Washington, for and in consideration of the terms hereinafter set forth.

1. RECITALS

Ann Jones presently owns Lots A and B of the Rogan Jones Short Plat, a duly recorded Whatcom County Short Plat recorded under Auditor's File No. 920410201, Records of Whatcom County Auditor.

Lot A is improved with a single family residence and fronts on Viewcrest Road, a city street of the City of Bellingham.

Lot B is unimproved property consisting of approximately 6.65 acres located generally to the South and West of Lot A.

Due to the requirements of the City of Bellingham Lot B is in the shape of a panhandle. A strip of land approximately 30 feet in width and 155 feet in length lies generally Westerly of Lot A and provides 30 feet of frontage onto Viewcrest Road. Immediately to the West of the 30x155 foot portion of Lot B lies 10th Street, a 60 foot unimproved right-of-way owned by the City of Bellingham.

Because 10th Street is presently unimproved, the only access to Lot B is over, through and across the 30x155 foot portion of that parcel fronting on Viewcrest Road. At such time as 10th Street is improved, Lot B will be accessible through, over and across that public street. At such time as 10th Street is improved, access to Lot B will no longer be required over, through and across the 30x155 foot portion of Lot B fronting Viewcrest Road. At that time Ann Jones, the grantor and creator
of this Covenant, wishes to create the right and option in the owner of Lot A to acquire the 30x155 foot strip to the end that it becomes a part of Lot A and is severed from Lot B.

2. **CREATION OF OPTION RIGHT**

By this Agreement and Covenant, Ann Jones, the owner of Lots A and B of Rogan Jones Short Plat, does hereby grant and create in the owner of Lot A the option to purchase and acquire from the owner of Lot B the aforesaid panhandle portion of Lot B, having 30 feet of frontage on Viewcrest Road and running approximately 155 feet in length in a Southerly direction with the Westerly portion of said panhandle abutting 10th Street. This grant of option is conditioned upon the occurrence of both of the following events:

1. **The improvement of 10th Street as a public right-of-way permitting access to Lot B through, over and across 10th Street.**

2. **Approval of a boundary line adjustment and/or conveyance of the panhandle by the City of Bellingham or any other governmental entity having regulatory authority over the option and transfer.** In the event the City of Bellingham or any other governmental authority has the lawful right to deny approval of the lot line adjustment or this conveyance, then the option rights created herein shall be null and void. If the City of Bellingham or other governmental regulatory authority shall approve the boundary line adjustment or transfer, then the owner of Lot A may exercise the option on the terms and conditions hereinafter set forth.

3. **TERMS AND CONDITIONS OF THE OPTION**

The right to exercise the option on the part of the owner of Lot A shall begin on the date that 10th Street is completed and open to public access, and shall exist for a period of 120 days thereafter. If written notice is not given by the owner of Lot A to the owner of Lot B within said 120 day period, the option rights herein created shall expire. If proper written notice is given within said 120 day period, then the optionee shall have
120 days thereafter to obtain all necessary governmental approvals and effect the conveyance of the 30x155 panhandle. In the event that the conveyance cannot be completed within said 120 day period, through no fault of the optionee and in the event optionee has diligently pursued obtaining appropriate regulatory approvals, then the period of time for completing the transaction shall be extended for an additional period of 120 days. Absent due diligence on the part of the optionee in pursuing the appropriate approvals and conveyance, the option agreement shall be null and void if the transfer has not been completed within the 120 day period after notice.

4. OPTION PRICE

The optionee shall pay to the optionor the sum of $2,000.00 in cash, said sum to be deposited in an escrow account selected by the optionor within 10 days from the time optionee gives notice to optionor of election to exercise the option. In addition to payment of the option price of $2,000.00, the optionee/purchaser will be responsible for all costs and expenses of any type or nature associated with the lot line adjustment and/or conveyance of the option property.

If the City of Bellingham or other regulatory authority denies the boundary line adjustment or otherwise precludes the lot line adjustment and conveyance, then the optionee shall be entitled to the return of the $2,000.00 option price. If appropriate approvals are received for the conveyance and/or lot line adjustment, then the optionor shall at that time be entitled to the receipt and disbursement of $2,000.00. Any excise tax, title insurance premium or any other fee of any other type or nature shall be the responsibility of the optionee, to the end that optionor receives net the sum of $2,000.00.

All costs and expenses which may be associated with connecting access or utilities from Lot B to the improved 10th Street shall be at the expense of the owner of Lot B.
5. **EXECUTION OF DOCUMENTS**

In the event that the option is exercised, then the owners of Lot A and Lot B shall be obligated to execute all necessary documents to accomplish the lot line adjustment and/or conveyance placing ownership of the 30x155 foot panhandle in the owner of Lot A.

6. **ADDITIONAL COVENANT REGARDING ACCESS USE**

The owner of Lot A hereby covenants on behalf of herself, her heirs, successors and assigns that if Lot B is to be accessed over and across the 30x155 foot panhandle fronting Viewcrest Road, then improvements to the panhandle shall be limited to a 15 foot gravel roadway located on the Westerly 15 feet as much as is possible of the 30 foot strip adjacent to 10th Street, unless regulations of the City of Bellingham would then require more than a 15 foot improvement to access Lot B. No other improvements of any type or nature, save and except for landscaping, shall be permitted on the panhandle.

In the event the option herein created is exercised by the owner of Lot A as purchaser, then such purchaser shall accept the property in "as-is" condition, including the gravel roadway and said purchaser shall have the sole responsibility for the costs of removing the gravel or other landscaping the gravel portion of the panhandle. At such time as the option is exercised, the owner or owners of property included within Lot B shall forthwith cease from accessing said property from the panhandle and will commence to access the property from improved 10th Street.

7. **TERMINATION**

Notwithstanding the provisions set forth herein, if 10th Street has not been improved within 20 years from the date hereof, the option right created herein shall fully and finally terminate.
