

Green Cone Program: Green Means GO!

The Green Cone Program is a collaboration between the City of Bellingham, Historic Fairhaven District and Downtown Bellingham Partnership. The cones provide a visual cue showing customers which restaurants and retail businesses are operating and open in Fairhaven and Downtown.

HOW DO I USE MY GREEN CONE?

- During operating hours, place the cone directly outside your business, either at the edge of the curb or in the adjacent parking stall to indicate curbside pick-up areas.
- Be consistent so your customers know that you're open when they see a cone.
- Do not block the sidewalk or ADA ramps.
- You can attach balloons, signs or other items to promote the business services.
- Bring the cone inside when business hours are over.
- Keep being awesome.

To participate in Downtown, contact Jennifer Walters at the Downtown Bellingham Partnership. (206) 512-4912 or jennifer@downtownbellingham.com

To participate in Fairhaven, contact Scott Ward at the Historic Fairhaven Association, (206) 696-2671 or scott@fairhaven.com

For questions about the program, contact Darby Cowles at the City of Bellingham Planning and Community Development, (360) 778-8389 or dkcowles@cob.org
