Hello Kathy,

Just checking up to see how I can be assured that I will receive notices on the Jones Property Development, currently named The Woods at Veiwcrest. Though I originally requested to be notified of meetings, applications, etc. for the project via email or snail mail in September of 2020, I was not notified of the Pre-Application Meeting held in Feb 2021.

Since that time I see the City has recently established a Project website. With all the I suspect to happen within the next few months with regard to this project I just want to be sure that I am notified via email in the future.

Thank you.

Sincerely,  
Kate Grinde

Good morning Kate.

I have on record that you already submitted a similar request to both Ali and me. I am confirming you are on the city's notification list and understand as well that when notices are sent for the pre-application neighborhood meeting, you will be included in the applicant's notification list as well.

Thanks for keeping in touch and stay warm!
